# Welcome back alumni/ae!

## It is my pleasure to invite you home

to Wartburg Theological Seminary, to celebrate the years since your graduation, to reconnect with classmates, friends, faculty, and staff, and to be inspired anew by our shared mission in the Gospel of Jesus Christ in the world. We are privileged to have Dr. Marcus J. Borg who is described by the *New York Times* as “a leading figure in his generation of Jesus scholars.” Dr Borg’s topic will be “Redeeming Christian Language” addressing how much of the current Christian language is poorly misunderstood, both within the church and outside. These include specific words such as salvation, sacrifice, righteousness and repentance. Discussions will reclaim the rich meanings of these words for Christians today. Along with this continuing education opportunity, there will be time to sit in on a class and rediscover Dubuque. Most importantly, there will be a good balance of worship and table fellowship in the Wartburg Seminary tradition. We hope you include our 2009 Homecoming event in your fall plans as we look forward to welcoming you back on campus!

PRESIDENT DUANE H. LARSON

## Presents: Redeeming Christian Language by Dr. Marcus J. Borg

Much of Christian language is poorly misunderstood by many people in our time, both within the church and outside. These include specific words such as *salvation*, *sacrifice*, *righteousness*, and *repentance*, as well as collections of words, like *the Creed* and *Eucharistic liturgies*. Discussions led by Dr. Borg will reclaim the rich meanings of these words for Christians today.
