

# Wartburg Residence Hall

The Residence Hall offers hotel-style rooms of varying configurations and rents, each with a private bath, closet, and basic furnishings, including a desk, chair, bed, dresser and bookcase. A recreation room, television lounge, laundry room and service kitchen are welcome amenities. The WTS exercise room and student lounge are also just steps away on an adjacent corridor, which also provides an indoor walkway to the Tower and Fritschel Hall in inclement weather.

The Residence Hall provides housing for single students and commuter students
