Wartburg Theological Seminary has a distinctive vocation in the church, forming valued leaders who are well equipped to teach and proclaim the Gospel of Christ in congregations and communities throughout the country and world.

**SEMINARY FUNDING**

In the 1950’s the governing church body was the primary source of funding for seminaries. Today, 16% of Wartburg Seminary’s operating budget comes from the regional and national church. Thus, Wartburg relies more heavily on gifts from individuals, congregations, and foundations to sustain the seminary’s core mission.

- 35% supported by individual gifts
- 21% is supported by net tuition (after scholarships are granted)
- 16% synodical and churchwide support
- 15% auxiliaries such as rent, food service, etc.
- 12% interest from endowment
