7.0 Appendix D - Style Guide for Revisions of the Student and Community Life Handbook For consistency in future editions and revisions of the Student and Community Life Handbook, the following style guidelines are suggested: ................................................................................................................................. 129
Preface

Welcome to Wartburg Theological Seminary! We are confident that this warm, wise, and welcoming community will intrigue you, shape you, and support you – you and those who are close to you. The Wartburg culture we treasure is both dispersed and residential. With a variety of ways to prepare for ministry, the Wartburg Seminary community includes those located in Dubuque and those who commute to campus enrolled in residential learning (RL), those who enrolled in collaborative learning (CL), those enrolled in distance learning (DL), those enrolled in Theological Education for Emerging Ministries (TEEM) in Dubuque and Austin, and certificate programs plus the faculty, staff, board, and trustees. We are made one through Christ’s Spirit, and this shows itself day after day in our life together.

This student handbook is both roadmap and maintenance manual. It will help lift your eyes to the vision, help you find your way around, and help you learn how things work. The handbook is winnowed wisdom from decades of life together as the church of Christ and as Wartburg Seminary. As you use this material, it will also become a tool by which your own wisdom can be added to this community. So, use it often; we all benefit!

The foundation for our life together is the redeeming, unifying love of God made alive for us in Christ Jesus. This foundation has implications for our lives as students and as servant leaders in Christ’s church. May God bless your participation in this life together. May we all become more faithful, wise and loving by our life together in the Wartburg community.

The primary source of academic information about Wartburg Theological Seminary is the biennial catalog. Material on courses, the purpose and history of the seminary, etc. is found in the biennial catalog. The Student and Community Life Handbook should be used as a supplement to the current catalog. Information printed in the catalog is generally not repeated here. The biennial catalog and annual student and community life handbook are located on our website and topics can be searched easily by keyword.

Wartburg Theological Seminary reserves the right, in its sole discretion, to modify, add to, or delete any of the procedures, practices and policies referred to in this handbook at any time with or without notice to students. The seminary will try to inform you of any changes as they occur, but the most recent handbook most recently approved is always the authority.

Not all policies and guidelines that affect and guide student life at Wartburg are contained in this handbook. Individual offices distribute information needed to complete the general policies included here.

This handbook is designed for use with all students enrolled in degree programs through Wartburg Theological Seminary.

There is a separate handbook for the TEEM Certificate program.

Additions and corrections to this handbook for the upcoming academic year should be submitted to the Administrative Cabinet by July 1.
1.0 Life Together

Life together as Wartburg Seminary reaches beyond the realm of academia and is best characterized as a community. The community which is Wartburg Theological Seminary consists then of students, faculty, and staff and those who are connected as close family of these three groups. Therefore, while the community of Wartburg Seminary is involved in the pursuit of excellence in theological education, attention is also given to other aspects of life together, on the Dubuque campus and beyond, which reflect the holy fellowship we experience in being part of the Body of Christ.

1.1 Wartburg Mission Statement

Wartburg Theological Seminary serves Christ's church through the Evangelical Lutheran Church in America by being a worship-centered community of critical theological reflection where learning leads to mission and mission informs learning. The community embodies God’s mission by stewarding resources for engaging, equipping, and sending collaborative leaders who interpret, proclaim and live the gospel of Jesus Christ for a world created for communion with God and in need of personal and social healing.

1.2 Twelve Pastoral-Diaconal Practices

Wartburg Theological Seminary’s Mission Statement guides and directs our life as a seminary, including the implementation of a theological curriculum. By “curriculum” we include both the courses offered in the classroom through the degree programs and the entire program of formation, including worship and community life.
The Wartburg faculty has adopted these twelve pastoral-diaconal practices as a further elaboration of its mission statement which articulates intended curriculum outcomes, a description of what we hope to see in Wartburg graduates based on our mission. These practices are intended to be inclusive of candidates for all rosters. By “pastoral” we intend to encompass the ministry practiced not only by the ordained but also by diaconal ministers, deaconesses, and associates in ministry. By “practices” we do not mean mere actions that are performed; rather, these pastoral practices are understood to be incarnated and embodied in being as well as doing. They intend coherence between one’s disposition and one’s practice of ministry. Ministers thus formed are able to give reason why they act in a particular way. Effective formation has instilled a fundamental attitude out of which one then does.
The purpose of our setting forth these criteria is for the Wartburg faculty to invite reflection on the effectiveness of our curriculum. We seek excellence in our educational programs and invite you into conversation about these pastoral practices as a way of assessing and revising our curriculum.

The central question is: To what degree has the educational and formational process of the Wartburg Seminary curriculum accomplished its mission objectives?

**Embodying Wartburg Seminary’s Mission Statement:**
**Twelve Pastoral-Diaconal Practices**

“Wartburg Theological Seminary students will embody the…”

- **Practice of Being Rooted in the Gospel:** Articulates the Gospel in a way that is heard as Gospel. Is publicly Lutheran and Gospel-centered.
- **Practice of Missio Dei in Word and Sacrament:** Is grounded in Word and Sacrament as the means by which God creates faith in Christ and a community (koinonia) for God’s mission (martyria and diakonia) in the world. Pastors exercise faithful worship preparation, evangelical preaching, and sacramental leadership. Diaconal ministers and deaconesses serve as a strategic bridge between church and world. Associates in ministry serve faithfully in their areas of call in relationship to the worshipping community. All the baptized are sent by the Spirit to employ their gifts in God's mission for the life of the world.
- **Practice of Biblical and Theological Wisdom:** Interprets reality theologically and biblically as a habit. Has a core set of theological concepts that are interpreted with flexibility in different contexts.
- **Practice of Ecclesial Partnership:** Displays a healthy sense of connectedness with the whole church. Fosters partnership with the ELCA and ecumenical openness.
- **Practice of Complex Analysis:** Demonstrates capacity to carefully examine complex social, economic, scientific, and religious issues without oversimplification. Sees relationships from a systems perspective, remaining spiritually centered in the face of ambiguity.
- **Practice of Curiosity:** Is fundamentally curious, employing creativity in the use of language. Is open to grow beyond current perspectives and eager to pursue learning with intellectual depth.
- **Practice of Pastoral Concern:** Loves God’s people with the compassion of Christ, demonstrating a generous spirit in relating to others, teaching and modeling stewardship. Maintains a clear sense of ministerial identity and desire for excellence in ministry.
• **Practice of Personal Faith and Integrity**: Lives as person of faith, grounded in a life of prayer and study. Is self-aware in seeing the larger picture, proclaiming hope, leading courageously, and setting healthy boundaries.

• **Practice of Collegiality**: Leads in a way that is responsive to the situation and promotes team building. Creates collegial groups within and beyond the church for promoting many forms of ministry.

• **Practice of Evangelical Listening and Speaking the Faith to Others**: Listens in a way that leads people to deeper faith questions. Engages in thoughtful witness to the Christian message, especially to youth and those outside the faith.

• **Practice of Immersion in the Context**: Shows awareness of the context through listening to, dialogue with and involvement in the local community. Has ability to interpret texts and contexts with insight.

• **Practice of Engagement with Cross-Cultural and Global Dimensions**: Engages multicultural issues and religious pluralism in the context of globalization. Understands the inclusive character of the Christian Gospel.

### 1.3 Non-Discrimination Policy

In compliance with Title IX of the Education Amendments of 1972, 20 U.S.C. §§ 1681 et. seq., and federal regulations, 34 C.F.R. Part 106, it is the policy of Wartburg Seminary to consider candidates for academic admission, for financial assistance, and for employment, without regard to race, color, gender, gender identity or expression, sexual orientation, national origin, ancestry, age, disability, veteran status, disabled veteran, or other trait that is protected under local, state or federal law.

As an organization of the church, however, the seminary may consider religious factors, including policies of the church and decisions of synod candidacy committees.

The Vice President for Admissions and Student Services is designated the Title IX Coordinator. Students or employees may address complaints and grievances related to Title IX to the Title IX coordinator. The coordinator will then coordinate an immediate and thorough investigation of student and employee complaints and grievances which will provide a prompt and equitable resolution.

Inquiries concerning the application of Title IX and its implementing regulations may be referred to the Title IX coordinator or to the Office for Civil Rights, United States Department of Education, Citigroup Center, 500 W. Madison St., Suite 1475, Chicago, IL 60661 or by email at [OCR.Chicago@ed.gov](mailto:OCR.Chicago@ed.gov).

1.6 Campus Map
2.0 Student and Community Life

2.1 Worship at Wartburg

2.1.1 Daily Chapel

Every weekday morning the Wartburg community gathers for worship in Loehe Chapel, to hear the Word of God and to pray. Following the pattern of the daily lectionary in Evangelical Lutheran Worship, the chapel week runs Thursday through Wednesday. The services include a variety of forms for daily prayer and preaching and a weekly celebration of Holy Communion each Wednesday. The observance of the liturgical seasons and the particular rhythms of life in the seminary community shape the practice of worship through the course of the year. Chapel services are open to the wider community.

Additional services, such as Evening Prayer, Compline, or other gatherings for prayer are scheduled. These worship opportunities will be publicized accordingly.

2.1.2 Weekly Presider

For each chapel week, a member of the faculty or staff serves as the “weekly presider.” The weekly presider provides leadership and guidance to students who serve on the chapel planning group for a given week as they prepare the services for that week. Ordained weekly presiders normally preach on Thursday at the beginning of the chapel week and preside and preach at Holy Communion on the Wednesday that concludes the week.

2.1.3 Student Participation

Students participate in Chapel by their regular attendance and in a variety of ministries as readers, cantors, leaders of prayer, communion servers, and musicians. This happens in a formal way through the opportunity to serve in a chapel planning group at least once per year. Guided by the weekly presider, students help plan and lead the daily worship services. The chapel is served by students in several significant leadership roles, including sacristan, chapel musician, and sexton, who together with the dean of the chapel and the cantor make up the chapel staff. In addition, the chapel choir is open to all members of the Wartburg community. The choir rehearses weekly and regularly sings at the Eucharist and at special services. Each member of the graduating class preparing for rostered ministry is invited to preach during the year. These homilies are important gifts to the community.

Classroom instruction is provided for reading, chanting, the preparation of prayers, and the leadership of worship. Such instruction is one opportunity to become familiar with the practice of worship at Wartburg.
2.1.4 Other Worship Opportunities

The Dubuque faith community also offers numerous worship opportunities in which WTS community members may participate. Dubuque Area Congregations United (DACU) often holds ecumenical worship opportunities. The Shalom Retreat Center holds a Taize evening worship service monthly. New Melleray Abbey welcomes students for worship opportunities and Sinsinawa has a Labyrinth for walking open to the public. The numerous religious communities in the Dubuque area are a rich resource for the prayer life of the seminary community. Students are encouraged to worship in their home congregations, internship and ministry sites as well.

It is particularly appropriate to look for pastoral care by the pastor of the local congregation with which you worship. Visit www.elca.org to search for ELCA congregations.

2.3 Wartburg Spiritual Life Statement

Spiritual life involves attention and response to the activity of God's Spirit in the world. The Spirit creates faith in Jesus Christ, binds the community together in love, and is the source of hope for new life in Christ. As Lutherans, our spirituality is centered on God's unconditional love, embodied in the Word and Sacraments. God meets us in the cross of Jesus, compassionate to the hurts and needs of others. Through the resurrection of Jesus Christ, God empowers us to live in hope. People in our culture display a great hunger for spirituality. As members of the Wartburg Seminary community, we share in this hunger and are called to live our lives in the power of the Spirit. Each member of this community is on a spiritual journey and brings unique spiritual gifts in joining this community.

We respect and celebrate the rich diversity of expressions, learn from one another, and thereby grow in our devotion to God. Spirituality is holistic and involves the care of the entire person—physical, mental, emotional, social, vocational, financial, as well as spiritual. At Wartburg, we affirm attention to the spiritual life through the corporate disciplines of maintaining connection and involvement as members of congregations, and participation in daily chapel. In our academic life, reading, study, and theological conversation contribute to spiritual growth. In our life together, we also meet Christ in prayer groups, Castle Commons chatrooms, fellowship in the refectory, informal gatherings, and in our mutual conversation and care for one another. The spiritual life means developing healthy relationships—in families, at work, and at play. It is a spiritual matter how we speak with and about each other.

We encourage members of the community as individuals to continue to deepen their relationship with God. This happens through classical spiritual confession and absolution, prayer, devotions, Scripture reading, contemplation, meditation, fasting, and spiritual direction. Individuals also experience spiritual enrichment through a variety of other means, such as enjoying the beauty of creation, the arts, hobbies, athletics, interactive technology, and media.
The community of Jesus Christ must always be in the process of testing the spirits "to see whether they are from God" (1 John 4:1). Not every spirit that claims our attention is of God. Two essential criteria for testing the spirits are whether we are directed to Christ and freed to serve our neighbor. A community empowered by the Holy Spirit witnesses to Christ, the Word of God, proclaimed in the Holy Scriptures. The Spirit of God sets us free "to do justice, love kindness, and walk humbly with our God" (Micah 6:8).

Discerning God's call to live in the power of the Spirit is a lifelong adventure. God meets us in the cross and resurrection of Jesus, embracing us in our sorrows and joys, commitments and risks, struggles and growth, as we seek to be disciples. Within the Wartburg Seminary community, we commit ourselves to help one another on this journey.

2.4 *Pastoral Resources for Wartburg Students and Families*

You may find yourself seeking out ways to nurture your own gifts, spiritual life, worship life, and/or spiritual dialogue. Are you discovering that the more you dig into your studies, the more questions surface about who you are, who God is, and who God created you to be? Are you realizing or being encouraged to seek personal or family counseling? Are you wondering where to turn to make some of these connections for yourself, for a member of your family, or to encourage a friend?

Some students find that they are spiritually fed and sustained in their present worshiping community, in their spiritual relationships, in nurturing spiritual practices, and in current rhythm of personal daily prayer and reflection. On the other hand, some students find themselves spiritually challenged, stretched, empty, and in need of spiritual care. There is much more to the seminary journey than academic preparation.
Wartburg Theological Seminary partners with colleagues and providers in the ministry of prayer, presence, pastoral care, worship, spiritual direction, and counseling. Please see section 2.6 if you are interested in more information about spiritual direction or counseling.

2.4.1 Faculty and Staff Responsibilities

Many members of the Wartburg faculty and staff are pastors. We have many campus pastors. They take confidentiality seriously and the need to keep separate their professorial evaluative role from their pastoral role. Students may look to their academic advisor, lay or clergy, or another pastor on campus for pastoral care, counseling referrals, or even for individual confession and forgiveness. These caring and gifted professionals will use their professional judgment to meet your needs or to refer you to another for good care.

With regard to specific matters of concern, the following individuals and offices can be sought out for assistance:

- The vice president for admissions and student services is available for help when there are issues of relationships between the student and the church at large, such as relationships to synods or regions, placement concerns and issues relating to the Candidacy process.
- The academic dean is available to help with academic issues, upon referral from your academic advisor.

2.5 Support Groups at Wartburg

2.5.1 Advisee Groups

Students from each class and program are assigned to a faculty advisor. Meetings of the advisee groups may occur during the school year.

2.5.2 Fellowship of Wartburg Spouses

Spouses of students make up this group and is chaired by a spouse of a full-time student.

2.5.3 Informal Support Groups

Other more informal support groups include the various groups that form independently to address particular areas of concern or interest. Groups meet for prayer, common devotional life, meditation, text study, discernment, fellowship, and other types of groups. The seminary emphasizes the need for individuals to seek out ways to best meet their individual needs.
2.6 Counseling and Spiritual Direction

Wartburg Seminary provides a counseling and/or spiritual direction subsidy for degree seeking students. Students may find counseling services or spiritual direction important for in-depth personal matters and/or for working on issues that impact their candidacy and professional leadership in the church. The counseling and spiritual direction subsidy provides $15.00 per session for up to 10 sessions per academic year. The student or student insurance covers the remaining cost per session. All providers are expected to maintain confidentiality and do not release information to the seminary without a student’s expressed permission. For purposes of recordkeeping, the seminary requests an invoice directly from the provider indicating the student’s name and the number of sessions in the designated billing period be submitted to the vice president for admissions and student services. Please check on counseling services available under your insurance plan to make the most of that potential resource.

Students can choose to work with providers listed below or may select a counselor or spiritual director that meet their specific needs. Students must work out payment details with the provider and provide official billing documentation (outlined in the paragraph above).

Here is a starting point for local spiritual directors:
A spiritual director is a person who is called and professionally trained to provide care for souls. You will find that spiritual directors may have a varied approach for payment; you can work that out together. Wartburg will subsidize spiritual direction at the same rate at which it subsidizes counseling.

### 2.7 Seminary Courtesy

Our life works best when consideration for the rights, feelings, and preferences of others is honored. Examples of how courtesy can be shown include:

- Acknowledging and respecting the many and various ways that we prepare for lives in ministry.
- Informing faculty beforehand if possible when you will be absent from class. Faculty will inform you of the same.
- Being punctual for appointments and classes both in person and online.
• Securing permission from faculty when you have a visitor who wishes to attend class.
• Respecting the workload of staff and allowing reasonable time for them to fulfill your requests.
• Observing maintenance regulations and common sense in the interest of keeping seminary property safe, orderly, and in good repair.
• Respecting WTS and private personal property, asking permission to use it and returning it promptly and in good condition.
• Taking care of seminary business during office hours and limiting phone calls to members of faculty and staff at home, realizing that they need their own time away from seminary responsibilities.
• Making use of opportunities established byWAS (Wartburg Associated Students)l for expressing concerns and issues and beginning discussion with face-to-face conversation or arranging a meeting time.
• Celebrating different points of view, avoiding labels that categorize or attack, and always seeking to listen to and respect each other.

2.8 Candidacy for Rosters in the Evangelical Lutheran Church in America (ELCA)

Students who enroll in the M.Div. or M.A. programs as preparation for rostered ministry in the Evangelical Lutheran Church in America must also enter the Candidacy Process of the ELCA. Candidacy in the ELCA is governed by the policies stated in the Candidacy Manual. They are administered and applied by the synods working through their staff and candidacy committees. Normally a prospective student must be granted entrance into candidacy prior to or within the first semester of seminary. For detailed information about the candidacy process, you should always consult the current ELCA Candidacy Manual. Contact your synod office for interpretation and to assure timely attention to steps in candidacy.

2.9 Policy Statement on Divorce

If a student’s marriage is ended, the student, together with the seminary and candidacy committee, will determine the impact on the student’s candidacy and enrollment.

2.10 Student Notification of Rights under FERPA

The Family Education Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records and directory information. Education records are defined as all records which contain information directly related to a student and maintained by an educational agency or institution or by a party acting for the agency or institution. Directory information includes student name, date and place of birth, most recent previous school attended, photographs, campus (WTS/LSPS), degree, program (residential, CL or DL), dates of attendance, admission/enrollment status, currently enrolled (y/n), and student activities.) Your rights are:
1) The right to inspect and review your education records within 45 days of the day Wartburg receives your request for access. Students should provide a written request identifying the record(s) they wish to inspect to the office of the registrar. When the registrar receives the written request the registrar will make arrangements for access and notify the student of the time and place where the records may be inspected.

2) The right to request the amendment of your education records that you believe are inaccurate or misleading. Students may ask WTS to amend a record that they believe is inaccurate or misleading by completing the bottom half of the "Student Request to Inspect and Review Education Records" form, identifying the part of the record they want to change, and specifying why it is inaccurate or misleading. If WTS decides not to amend the record as requested, WTS will notify the student of the decision and advise the student of their right to a hearing regarding the request for amendment. Refer to section 2.22.3.1 “Procedure for Appeal of Administrative Decisions.”

3) The right to consent to disclosures of personally identifiable information contained in education records, except to the extent that FERPA authorizes disclosure without consent. There are several instances of disclosure without consent including but not limited to the following: federal, state, local authorities conducting an audit, evaluation, or enforcement, institutionally approved research studies, accrediting organizations, and disclosure to school officials with legitimate educational interests. A school official is a person employed by Wartburg Seminary in an administrative, supervisory, academic, or support staff position; a person or company with whom Wartburg has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing their tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

4) The right to prevent disclosure of “directory information” including name, date and place of birth, most recent previous school attended, photographs, campus (WTS/LSPS), degree, program (RES, CL or DL), dates of attendance admission/enrollment status, currently enrolled (y/n), activities. FERPA has specifically identified directory information that may be disclosed without the student’s consent. Although, directory information (as defined above) may be disclosed without student consent under FERPA, WTS is not required to release directory information. Social Security numbers and student identification numbers will not be released at any time.

Students can choose non-disclosure of the listed directory information as well as non-disclosure of personal information on the Annual Student Information Form which is completed at fall registration to prevent directory and personal information from being published in the campus directory.

5) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Wartburg Theological Seminary to comply with the requirements of FERPA can be directed to.

Family Policy Compliance Office
2.10.1 Privacy Policy Statement on Outside Requests for Student Personal Information

Wartburg Seminary upholds a vital interest in protecting the privacy of student, faculty, staff, and alumni information. Although, directory information may be disclosed without student consent under FERPA, WTS is not required to release directory information. As a matter of extended policy, Wartburg Seminary does not disclose addresses, phone numbers, or email addresses (general directory information) in response to requests from outside of the seminary.

The seminary compiles an electronic directory (students, faculty, and staff) available on MyWTS which is password protected. As stated under FERPA rights for students, students can choose non-disclosure of personal information on the Annual Student Information Form which is completed annually. However, within the seminary, if faculty, staff, students request unpublished information, the information may be given on a need-to-know basis.

All requests for information from outside the seminary related to currently enrolled students or requests pertaining to degree verification should be directed to the office for Admissions and Student Services. All requests from outside the institution for names, addresses, telephone numbers, or email addresses related to Wartburg Seminary alumni should be directed to the mission support office. Normally, if possible, the seminary forwards such requests to the owners of the information who may then provide the requested information.

2.10.2 Release of Information

“Directory information” including name, campus (WTS/LSPS), degree, program (RL, CL or DL), dates of attendance admission/enrollment status, currently enrolled (y/n), and/or activities may be released without consent, unless student indicates non-disclosure.

A student must request and submit a written release in-order-to have information related to their education record, financial aid, student account, released by the applicable Wartburg Theological Seminary office to any outside individual or agency. Here are some examples where a written release is required: grades, transcript requests, candidacy, financial information, access to student account, internship evaluations, etc.

2.11 Campus Security Policies and Procedures

2.11.1 Crime Awareness

Wartburg Theological Seminary is committed to providing a safe, secure, working and living environment for students and their families, members of faculty, and staff. The seminary is
dedicated to the practice of fair and impartial enforcement of law, apprehension of violators, maintenance of order, protection of property, and provision of services to the seminary community. Wartburg Seminary assumes the obligation to reduce the likelihood and opportunities for criminal activity in its community and attempts to be proactive in preventing crime. The seminary promotes the attitude that prevention of crime is the responsibility of everyone. Special security personnel are not employed but the campus security authorities (CSAs) on campus are the vice president for admissions and student services, superintendent for maintenance, director for financial aid and student services, and the president. CSAs are responsible per their position for reporting crime information to the vice president for admissions and student services in a timely manner with confidentiality. The seminary works harmoniously and confidentially with local law enforcement agencies in all matters of security relevant to the seminary community.

Access to Wartburg Seminary buildings is available during scheduled school and working hours. At other times access is available only to authorized persons. Security and access to Wartburg Seminary’s on-campus housing follows:

Residence Hall:

All residents are given a key to their individual room, as well as the outside doors. Outside doors are locked 24/7. The door into Afton Lounge is open from 7:00 am until 10:00 pm. and is only accessible by key. It is up to the residents to lock their individual rooms and to not prop doors open or allow unknown individuals to enter the residence hall. Guests who are renting rooms in the residence hall are given a key to the outside doors, as well as their individual guest rooms. Wartburg Theological Seminary only rents to guests who have some connection to the seminary.

Other On-Campus Housing:

Blair Court Houses: All residents are given 1-2 sets of keys to their home. It is the responsibility of the residents to lock their homes.

Denver Court Houses: All residents are given 1-2 sets of keys to their home. It is the responsibility of the residents to lock their homes.

All residential students may be provided a key to the Tower building for access to the Reformation room and Afton Lounge.

Patrols by local police as well as vigilance by on-campus residents are utilized to maintain safety and security. All exterior locations including student housing areas are lighted during hours of darkness. Students, faculty and staff should lock their cars.

Be advised there are no off-campus student organizations connected with Wartburg Theological Seminary. All seminary-owned student housing is located on the campus. Although Wartburg Seminary students are involved in many off-campus learning situations (internship, Collaborative learning, Distance learning for example) the seminary cannot assume responsibility for their safety in all situations. However, the seminary does instruct students to report all off-campus occurrences of crime to the agency in whose jurisdiction the crime occurred and as soon as possible to report incidents pertaining to Wartburg Seminary to the Vice President for Admissions and Student Services.
2.11.2 Crime Awareness Education

All students and employees are reminded of campus safety procedures and crime prevention and their individual responsibility for preventing and reporting incidents of crime through the annual security report, publication of policies and procedures in the respective handbooks, and at periodic meetings of students, faculty, and employees.

2.11.3 Reporting Crime or Crime Related Incidents

Students, staff and faculty members should report any law, safety, or security concerns at any time to CSAs (vice president for admissions and student services, superintendent for maintenance, director for financial aid or student services, and president) or to faculty or staff. Many staff and faculty work in roles with students as pastoral counselors for students, and other faculty and staff. These pastors are encouraged to inform their counselee to report crimes on a voluntary, confidential basis. Victims of any crime or witnesses to any criminal or crime-related activity should report the incident immediately. All reports will be handled in a confidential and professional manner. When an incident or offense is reported, assistance will be given as needed to resolve the matter and identify the offender or hazard. Consultation, if deemed appropriate with legal authorities/law enforcement, will disclose in a timely manner the results of a disciplinary proceeding for any violent crime or non-forcible sex offense.

Procedure

For reporting any Clery crime (see crime statistics table at the end of this handbook) the following procedures are to be followed:

1) **IF THE SITUATION IS AN EMERGENCY, TELEPHONE 911.**

If not an emergency, contact by phone or in person one of the following: campus security authorities (vice president for admissions and student services, superintendent of maintenance, president, or to faculty or staff) or the Dubuque Police.

2) The above offices or persons will take the following immediate action: Contact Dubuque Police, if necessary and not already done. Notify the seminary president, initiate a local investigation by the seminary with the title IX coordinator, the vice president for admissions and student services.

3) Appropriate action will be taken by police and/or the seminary.

2.11.4 Wartburg Seminary Drug and Alcohol Policy

The welfare and success of Wartburg Seminary depends on the physical and psychological health of all its students, faculty, and staff. The abuse of drugs and alcohol poses a threat to all studying and working in this place. It is the responsibility of Wartburg Seminary to maintain a safe, healthful, and efficient working environment.

To maintain this environment, Wartburg Seminary has therefore adopted the following policies:
1) Wartburg Theological Seminary permits students, faculty and staff and seminary guests of legal drinking age per state laws to possess and use alcoholic beverages on our campus. Alcohol possession, use, distribution or sale of alcoholic beverages to those who are underage is prohibited and will be subject to discipline, including possible dismissal. State underage drinking laws will be enforced.

The unlawful possession, use, or distribution of illicit drugs by students or employees on Wartburg Theological Seminary property, or as a part of Wartburg Theological Seminary activities, is prohibited and will constitute grounds for possible dismissal. Federal and state drug laws will be enforced.

2) Each student, staff, and faculty member, as a condition of enrollment and/or employment, will agree to abide by the terms of this statement. Further, as required by the Drug Free Schools and Campuses Act, Wartburg Seminary agrees to impose disciplinary sanctions upon students and employees, which may include expulsion or termination of employment, and referral for prosecution for violation of the standards of conduct.

3) As required by this law, WTS will annually distribute to students and employees a description of the applicable legal sanctions for the unlawful possession or distribution of drugs and alcohol and a list of the health risks associated with the use of illicit drugs and abuse of alcohol. Please See Appendix C for more details.

2.11.4.1 Drug Free Schools and Campus Act of 1990

These policies, as well as the following two sections and Appendix C, are to comply with The Drug-Free Schools and Campuses Act, enacted August 16, 1990, which mandates that all institutions of higher education which receive Federal Student Aid Funds must certify that they have adopted and implemented a drug prevention program.

2.11.4.2 Referral for Help

Wartburg Seminary seeks to retain valuable students and employees and maintain productivity by identifying personal drug or alcohol problems at early stages and motivating individuals to seek help with these issues. The seminary suggests confidential, off-campus, Dubuque counseling services: Turning Point Treatment Center (563) 589-8291 or SASC: Substance Abuse Services Center (563) 582-3784. These organizations provide access to substance abuse evaluations and outpatient treatment programs. A state organization for assistance is the Iowa Department of Public Health Your Life Iowa, https://yourlifeiowa.org/resources, (855) 581-8111.

If you are not located in Dubuque, please either find a local service that can provide similar programs or here are some national organizations you may contact:

Alcoholics Anonymous
http://www.aa.org/
If you are experiencing drug or alcohol related problems, or if your studying is affected by such problems, your academic advisor, another faculty member, the vice president for admissions and student services, supervisor or human resources may refer you to a drug/alcohol abuse program when it is believed that these issues may affect your performance or behavior. Any disciplinary action or termination resulting could be suspended pending the outcome of the referral to a drug/alcohol abuse agency. Attendance in a program is not a substitute for actual correction of any unacceptable performance or behavior. You remain responsible for making a required improvement, whether or not you participate in the program.

The advisor or supervisor will request a report from the drug abuse agency about your participation only in the case of referral. This report will be limited to a confirmation that you have participated. With your consent, it may also indicate whether you have made satisfactory progress. Except for the reports just mentioned, all contacts with the drug abuse agency will be treated in strict confidence. All records kept by the agency shall be kept for the exclusive use of that agency.

### 2.11.4.3 Drug and Alcohol Abuse Prevention Biennial Review – School Year 2017-18

A biennial review which included an assessment of Wartburg Theological Seminary’s drug and alcohol abuse prevention program was completed by Barb Simon, director for financial aid and student services. The review entailed reviewing the requirements of the Department of Education Regulations for the Drug and Alcohol Prevention Program and the Drug-free Workplace requirements and Wartburg’s prevention program was deemed to be in compliance with these requirements. Wartburg’s policy is outlined in the student and community life handbook, the staff handbook, and the faculty handbook. Having had zero (0) drug or alcohol related incidences since the last biennial review, Wartburg Theological Seminary’s drug and alcohol abuse prevention program was deemed to be effective and only requiring updates to the posted drug and alcohol incident statistics and the Biennial Review report. These changes have been made.
Wartburg has had zero (0) drug and alcohol related violation and zero (0) fatalities that occurred on campus or as part of any of the school’s activities since the 2015-2016 biennial review. Wartburg has not had to impose any kind of sanctions for drug and alcohol-related violations and fatalities that occurred on campus or as part of any of the school’s activities.

2.11.5 Sexual Misconduct: Harassment, Offense, Abuse, or Child Abuse Policy Statement

All public and private postsecondary institutions that participate in any of the Title IV financial assistance programs (Wartburg participates in the Federal Student program of Title IV) must comply with the Higher Education Act (HEA) of 1965, amended to the Crime Awareness and Campus Security Act of 1990 and to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in 1998, to disclose campus crime statistics and security information annually as well as to issue timely warnings. The Violence Against Women Reauthorization Act of 2013 (VAWA) included amendments to the Clery Act. What follows is a portion of the Campus Security Report (found on our Consumer Information page on our website) which falls under the umbrella of Title IX of the Education Amendments of 1972, intertwined with the Clery Act and VAWA, which requires institutions to log and report certain crimes that occur on institutional property, including the crime of sexual assault. The Clery Act also requires institutions to issue emergency notifications and timely warnings for criminal conduct that presents an imminent, serious, or continuing threat to campus.

V. Definitions

1. Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time.

   • Lack of protest or resistance does not mean consent.
   • Silence does not mean consent.
• The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

It shall not be a valid excuse that the Respondent believed that the Complainant affirmatively consented to the sexual activity if the Respondent knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:

• The Complainant was asleep or unconscious.
• The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant could not understand the fact, nature, or extent of the sexual activity.
• The Complainant was unable to communicate due to a mental or physical condition.

In addition, it shall not be a valid excuse to alleged lack of affirmative consent that the Respondent believed that the Complainant consented to the sexual activity under either of the following circumstances:

• The Respondent’s belief in affirmative consent arose from the intoxication or recklessness of the Respondent.
• The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the Complainant affirmatively consented.

2. Complainant means an individual who is alleged to be the victim of conduct that could constitute sexual harassment under this policy.

3. Formal complaint means a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that Wartburg Theological Seminary investigate the allegation of sexual harassment. At the time of filing a Formal Complaint, a Complainant must be participating in or attempting to participate in the education program or activity of Wartburg Theological Seminary with which the Formal Complaint is filed.

4. Grievance Process means the fact-finding process from the time of the filing of the Formal Complaint through the final determination of an appeal (if any).

5. Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment under this policy.

6. Supportive Measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to Wartburg Theological Seminary’s education program or
activity without unreasonably burdening the other party, including measures designed
to protect the safety of all parties or Wartburg Theological Seminary’s educational
environment, or deter sexual harassment. Supportive measures may include counseling,
extensions of deadlines or other course-related adjustments, modifications of work or
class schedules, campus escort services, mutual restrictions on contact between the
parties, changes in work or housing locations, leaves of absence, increased security and
monitoring of certain areas of the campus, and other similar measures. Supportive
measures may also include written notification about available services both within the
institution and the community and options for available assistance as required by the
Clery Act. Supportive measures are not disciplinary measures.

and prohibited by this policy, to the Title IX Coordinator, consistent with the requests
of the Complainant.

2. Response to a Report. With or without a Formal Complaint, upon a report of sexual

the availability of Supportive Measures, consider the Complainant’s wishes with
respect to Supportive Measures, inform the Complainant of the availability of
Supportive Measures with or without the filing of a Formal Complaint, and explain to
the Complainant the process for filing a Formal Complaint.

g. Information about the participation of victim advocates and other supporting people.

Wartburg Theological Seminary’s information for victims of sexual assault, dating violence, domestic violence and stalking is located in section 2.11.5.14 of the Student and Community Life Handbook or available from the Title IX Coordinator.

4. Implementation of Supportive Measures. Wartburg Theological Seminary shall treat parties equitably by offering Supportive Measures to the Complainant, and by following a grievance process that complies with this policy before the imposition of any disciplinary sanctions or other actions that are not Supportive Measures as against the Respondent. Wartburg Theological Seminary will maintain as confidential any Supportive Measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of Wartburg Theological Seminary to provide the Supportive Measures. The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures. The Title IX Coordinator should record and retain records regarding requests and provision of Supportive Measure in accordance with the requirements set out at XIV. Record Keeping, below.

5. Emergency removal. Nothing in this part precludes Wartburg Theological Seminary from removing a Respondent from Wartburg Theological Seminary education program or activity on an emergency basis, provided that Wartburg Theological Seminary undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal.

6. Administrative Leave. Wartburg Theological Seminary reserves the right to place a non-student employee Respondent on administrative leave during the pendency of a grievance process.

Sometimes, individuals are reluctant to come forward to report perceived violations of this policy out of fear that they may be charged with violations of other policies. An individual who participates as a complainant or witness in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of Wartburg Theological Seminary’s student conduct policy at or near the time of the incident, unless Wartburg Theological Seminary determines that the violation was egregious, including, but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.

II. Procedures for Resolving Complaints of Prohibited Sexual Harassment

1. Informal Resolution

Consistent with the requirements of this section, at any time prior to reaching a determination regarding responsibility Wartburg Theological Seminary may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that Wartburg Theological Seminary

a. Provides to the parties a written notice disclosing:
   i. The allegations,
   ii. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint, and
   iii. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

b. Obtains the parties’ voluntary, written consent to the informal resolution process; and

c. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

d. Completes the informal resolution process within 60 days of receiving the Formal Complaint, unless unusual or complex circumstances exist.

Wartburg Theological Seminary does not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of Formal Complaints of sexual harassment under this policy. Wartburg Theological Seminary shall not require the parties to participate in an informal resolution process and will not offer an informal resolution process unless a formal complaint is filed.
2. Formal Complaint and the Grievance Process

i. **Filing a Formal Complaint.** A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator above. A “document filed by a Complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by Wartburg Theological Seminary that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a party. A Formal Complaint shall trigger an investigation except as specified below. The Formal Complaint should include the date(s) of the alleged incident(s), the name of the Respondent, and should describe the circumstances of the incident(s), where known.

ii. **Dismissal of a Formal Complaint.** Wartburg Theological Seminary shall investigate the allegations in a Formal Complaint, except as follows:

   a. **Mandatory Dismissal.** Wartburg Theological Seminary shall dismiss the Formal Complaint if the conduct alleged in the Formal Complaint

      i. would not constitute sexual harassment as defined by this policy, even if proved,
      ii. did not occur in Wartburg Theological Seminary’s education program or activity,
      iii. or did not occur against a person in the United States.
      iv. This dismissal does not preclude action under another policy or procedure of Wartburg Theological Seminary.

   b. **Discretionary Dismissal.** Wartburg Theological Seminary may dismiss the Formal Complaint or any allegations therein, if at any time during the investigation or hearing:

   c. 

      i. A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
      ii. The Respondent is no longer enrolled in or employed by Wartburg Theological Seminary or
      iii. Specific circumstances prevent Wartburg Theological Seminary from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.
iv. Occurred prior to August 14, 2020, in which case, Wartburg Theological Seminary’s current policy shall be used.

Wartburg Theological Seminary may dismiss a Formal Complaint at any time in the process if it becomes known that one of the foregoing reasons for dismissal applies.

Upon a dismissal required or permitted under this section, Wartburg Theological Seminary will promptly send written notice of the dismissal and reason(s) therefore simultaneously to the parties.

Wartburg Theological Seminary may also refer the matter to the appropriate department for resolution under section 2.21.14 of the Student and Community Life Handbook.

d. Consolidation of Formal Complaints.

Wartburg Theological Seminary may consolidate Formal Complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one Complainant or more than one Respondent, references in this section to the singular “party,” “Complainant,” or “Respondent” include the plural, as applicable.

3. Notice of Charges

i. Initial Notice of Charges.

Upon receipt of a Formal Complaint, prior to commencing the investigation, Wartburg Theological Seminary shall provide the following written notice to the parties who are known. This notice shall include:

a. This policy (as a link or attachment).

b. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment under this policy, and the date and location of the alleged incident, if known.

c. A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process.

d. Notification to the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney.
e. Notification to the parties that they may inspect and review evidence, as set forth in this policy.

f. Any provision in Wartburg Theological Seminary’s code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

g. Describes the standard of evidence that will be used. Throughout the investigation and subsequent determination of appropriate actions, all findings and conclusions shall be arrived at through preponderance of the evidence and shall be the standard of evidence adhered to by the investigator(s). Preponderance of the evidence is defined to be: the greater weight of evidence, not necessarily established by the greater number of witnesses testifying to a fact but by evidence that has the most convincing force; superior evidentiary weight that, though not sufficient to free the mind wholly from all reasonable doubt, is still sufficient to incline a fair and impartial mind to one side of the issue rather than the other. (Black’s Law Dictionary, 9th edition) This may be referred to as 50% plus a feather.

h. Lists all possible sanctions the institution may impose. The Title IX coordinator shall then take appropriate action as required to ensure justice is done on behalf of both the complainant or victim, and the accused, according to the policy of the seminary. Appropriate action may include, but is not limited to, written reprimand of the person against whom the complaint is made, suspension or dismissal of the student against whom the complaint or allegation is made, change of employment status and/or responsibilities, or any other appropriate action or sanction, at the discretion of the Title IX coordinator. Any appropriate action decided or implemented may be reported by the Title IX coordinator and will become a part of the personnel file of the individual against whom the complaint is made.

ii. **Amended Notice of Charges.** If, in the course of an investigation, Wartburg Theological Seminary to investigate allegations about the Complainant or Respondent that are not included in the initial notice of charge, Wartburg Theological Seminary must provide notice of the additional allegations to the parties whose identities are known.

iii. **Principles for the Grievance Process**

   Under this grievance process, Wartburg Theological Seminary shall:

   a. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on Wartburg Theological Seminary and not on the parties, provided that Wartburg Theological Seminary cannot access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or
paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless Wartburg Theological Seminary obtains that party’s voluntary, written consent to do so for a grievance process under this section (if a party is not an “eligible student,” as defined in 34 CFR 99.3, then Wartburg Theological Seminary must obtain the voluntary, written consent of a “parent,” as defined in 34 CFR 99.3).

b. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.

c. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

d. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the Complainant or Respondent in any meeting or grievance proceeding; however, Wartburg Theological Seminary may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties. For the purposes of this policy, the role of the advisor is limited to the following: the advisor may attend any interview or meeting connected with the grievance process, but may not actively participate in interviews nor provide testimony or argument on behalf of the party. The advisor may attend the live hearing and may conduct cross-examination of the other party and any witness at the hearing; otherwise, the advisor may not actively participate in the hearing.

e. Allow each party to be accompanied by a support person if they do not wish to have an advisor. Each party may be accompanied by only one other person unless there is good cause, such as a disability-related accommodation or union representative.

f. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.

g. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person’s status as a Complainant, Respondent, or witness.

h. Require that any individual designated as a Title IX Coordinator, investigator, decisionmaker, or any person to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual Complainant or Respondent. Wartburg Theological
Seminary may use internal personnel or external parties in the informal resolution process or the grievance process, provided that they meet this requirement.

i. Include a presumption that the Respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

j. Use the following standard of evidence to determine responsibility for allegations in a Formal Complaint of sexual harassment: preponderance of the evidence standard.] The standard of evidence shall be the same for Formal Complaints against students as for Formal Complaints against faculty and staff.

k. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

iv. Extensions of the Grievance Process

The Title IX Coordinator may grant or deny requests from either party to temporarily delay the grievance process or may issue the limited extension of time frames for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action.

Good cause may include considerations such as the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

v. Investigation of Formal Complaints

If not serving as the Investigator, the Title IX Coordinator will appoint an Investigator, who may be an employee or official of Wartburg Theological Seminary or may be an external investigator with appropriate experience or expertise. The parties will be provided with notice of the identity of the appointed Investigator, and will be informed that any objections to the service of the appointed Investigator on grounds of conflict of interest or a lack of impartiality should be submitted in writing to the Title IX Coordinator within three days of notice of the appointment. The Title IX Coordinator will decide promptly whether the appointed Investigator will or will not continue to conduct the investigation. Any materials collected or notes prepared by the Investigator during the objection period will be turned over to any replacement Investigator. The replacement Investigator will decide whether to use such materials or not.

When investigating a Formal Complaint, Wartburg Theological Seminary shall, within 20 calendar days of receiving the Formal Complaint, unless unusual or complex circumstances exist:
a. Engage in fact-gathering of all relevant facts. Credibility resolutions and fact-finding shall be conducted in the live hearing phase of the grievance process.

b. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including the evidence upon which Wartburg Theological Seminary does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

c. Prior to completion of the investigative report, send to each party and the party’s advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report.

d. Make all such evidence subject to the parties’ inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and

e. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to a hearing or other time of determination regarding responsibility, the Title IX Coordinator shall send to each party and the party’s advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response. Upon finalization of the investigative report, the Title IX Coordinator shall provide it to the decision-maker(s).

III. Live Hearings Under the Grievance Process

   a. Following the investigation, within 10 days of sending the final investigative report to the parties, unless unusual or complex circumstances exist, Wartburg Theological Seminary shall conduct a live hearing in front of the decision-maker(s), which may be an individual or a Review Panel, for the purposes of determining responsibility for allegations of sexual harassment in the Formal Complaint. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator or the investigator(s). A decision-maker may include internal employees or external third-parties contracted by Wartburg Theological Seminary. If using a Review Panel, the Title IX Coordinator will choose 3 Review Panel members from its pool to attend the hearing and make determinations. All potential Review Panel members will receive annual training as specified by this policy. The parties each may challenge the participation of any member of the Review Panel for conflict of interest or other good cause. The Title IX Coordinator will make the final decision whether to
select an alternate upon a challenge from a party. If using a Review Panel, the Title IX Coordinator will appoint a member of the Review Panel to be Chair of the Review Panel.

b. The live hearing will be closed. The only individuals permitted to participate in the hearing are as follows: the Complainant and Respondent, the decision-maker(s), the advisor for each party, any witnesses (only while being questioned), and any individual providing authorized accommodations or assistive services.

c. If a party does not have an advisor present at the live hearing, Wartburg Theological Seminary shall provide without fee or charge to that party, an advisor of Wartburg Theological Seminary’s choice, who may be, but is not required to be, an attorney, to conduct cross examination on behalf of that party. Wartburg Theological Seminary is obligated to ensure each party has an advisor, either of the party’s or [Institution’s] choice regardless of whether or not the party is present at the hearing. To ensure timely proceedings, a party shall alert the Title IX Coordinator as soon as practicable if the party will need an advisor. If a party’s selected advisor is unavailable for a hearing date, the live hearing date may be postponed for good cause.

d. Live hearings may be conducted with all parties physically present in the same geographic location or, at Wartburg Theological Seminary’s discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other.

e. At the request of either party, Wartburg Theological Seminary shall provide for the live hearing to occur with the parties located in separate rooms with technology enabling the decision-maker(s) and parties to simultaneously see and hear the party or the witness answering questions.

f. Wartburg Theological Seminary shall create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the parties for inspection and review. Any other recording is prohibited, and violations may result in discipline.

g. The parties shall separately participate in a pre-hearing meeting with the investigator to go over the process and administration of the live hearing. Prior to or during this meeting, the investigator will set the deadlines for submitting and exchanging names of witnesses, evidence, and pre-hearing questions. (The parties will also be permitted to submit questions during the live hearing.) Participation in this pre-hearing meeting is required in order to facilitate the efficient and fair administration of the live hearing process.

2. Questioning at the Live Hearing
i. At the live hearing, the decision-maker(s) must permit each party’s advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility.

ii. Only relevant cross examination and other questions may be asked of a party or witness.

iii. Decision-maker(s) also have the right to question a party or witness.

iv. Cross examination at the live hearing must be conducted directly, orally, and in real time by the party’s advisor of choice and never by a party personally, notwithstanding Wartburg Theological Seminary’s ability to otherwise restrict the extent to which advisors may participate in the proceedings.

v. Before the Complainant, Respondent, or witness answers a cross-examination or other question, the Chair must first determine whether the question is relevant. The Chair must explain to the party proposing the questions any decision to exclude a question as not relevant.

vi. Questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant’s prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent.

3. Use of Witness Statements

i. If a party or witness does not submit to cross examination at the live hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility but may reach a determination based on evidence that does not constitute a statement by the party.

ii. The decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party’s or witness’s absence from the live hearing or refusal to answer cross examination or other questions.

4. Written Determination of the Decision-Maker

i. The decision-maker(s) shall issue a written determination regarding responsibility. If the decision-maker is a Review Panel, a majority of the Review Panel members must find that a policy violation occurred for a finding of responsibility and a majority of the Panel members must assent to the sanction(s) imposed, if any.
To reach this determination, the decision-maker must apply the standard of evidence required by this policy. The written determination must include:

a. Identification of the allegations potentially constituting sexual harassment as defined by this policy;

b. A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

c. Findings of fact supporting the determination;

d. Conclusions regarding the application of Wartburg Theological Seminary’s policy to the facts;

e. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and whether remedies designed to restore or preserve equal access to Wartburg Theological Seminary’s education program or activity will be provided to the complainant; and

f. The procedures and permissible bases for the Complainant and Respondent to appeal, as set forth in this policy.

iii. Wartburg Theological Seminary shall provide the written determination to the parties simultaneously.

iv. The determination regarding responsibility becomes final either on the date that Wartburg Theological Seminary provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

IV. Appeals

1. Grounds

Within 10 days of receiving the written determination, either party may appeal from a determination regarding responsibility, and from Wartburg Theological Seminary’s dismissal of a Formal Complaint or any allegations therein, on the following grounds:

**Ground 1:** Procedural irregularity that affected the outcome of the matter;

**Ground 2:** New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
**Ground 3:** The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

Appeals must be sent to the Title IX Coordinator in writing.

### 2. Response to Appeals

As to all appeals, the Title IX Coordinator (or designee) shall:

1. Notify the other party in writing immediately when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in this policy;
4. Give the non-appealing party an opportunity to submit a written statement in response to the appeal within 10 days of receiving the appeal, which shall be transmitted within 2 business days to the Appeal decision-maker(s).

Within 20 days of receiving the appeal and the response, the Appeal decision-maker(s) shall issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties. The Appeal decision-maker(s) may deny the appeal or, if the appeal ground(s) has or have been met, may return the case to the initial decision-maker(s) for reconsideration, or convene a new hearing. If a case is returned to the initial decision-maker(s), the Appeal decision-maker(s) shall identify which aspects merit further review.

### V. Remedies and Sanctions

Remedies must be designed to restore or preserve equal access to Wartburg Theological Seminary’s education program or activity.

A student found responsible for a violation of this policy will be subject to sanction(s) regardless of whether legal proceedings involving the same incident are underway or anticipated. An employee found responsible for a violation of this policy will be subject to sanction(s) up to and including termination of employment.

The Title IX coordinator shall then take appropriate action as required to ensure justice is done on behalf of both the complainant or victim, and the accused, according to the policy of the seminary. Appropriate action may include, but is not limited to, written reprimand of the person against whom the complaint is made, suspension or dismissal of the student against whom the complaint or allegation is made, change of employment status and/or responsibilities, or any other appropriate action or sanction, at the discretion of the Title IX coordinator. Any appropriate action decided or implemented may be reported by the Title IX coordinator and will become a part of the personnel file of the individual against whom the complaint is made. *(excerpted from section 2.11.5.8 of the Student and Community Life Handbook)*

The Title IX Coordinator is responsible for effective implementation of any remedies.
VI. Retaliation Prohibited

No student, faculty or staff member may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right established by this policy or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of sexual harassment, for the purpose of interfering with any right under this Policy constitutes retaliation.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited under this section.

Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination available in section 2.11.5.12 - Retaliation of the Student and Community Life Handbook.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

VII. Confidentiality

Consistent with the requirements of this policy, Wartburg Theological Seminary shall keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. This means that Wartburg Theological Seminary will protect the party’s privacy consistent with this Policy but may disclose information to those who have a legitimate need to know and in order to process complaints under this policy.

Confidentiality is not absolute, however. Where criminal conduct has occurred, or where the health and/or safety of others in the community may be in danger, it may be necessary for Wartburg Theological Seminary to take appropriate steps to protect the safety of its students and employees, including the person who has reported the misconduct.

In most cases, Confidential Resources at Wartburg Theological Seminary will not share the substance of any such communications or that such communications occurred without consent. Individuals who wish to talk about issues related to sexual harassment or sexual misconduct confidentially, with the understanding that Wartburg Theological
Seminary will not take any action based on such confidential communications, are encouraged to contact one of these Confidential Resources. Confidential resources may, however, have an obligation to disclose otherwise-privileged information where they perceive an immediate and/or serious threat to a person and/or property. This is a limited exception to the privileged nature of communications with Confidential Resources. Reports or records maintained by Wartburg Theological Seminary (including Counseling Service records), and other confidential, non-privileged records may, however, be subject to a subpoena if civil or criminal charges are filed in court.

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Confidential Resources will not report Clery crimes they learn about through confidential communications for purposes of Wartburg Theological Seminary’s compilation of campus crime statistics. In addition, when appropriate and legally permissible, Wartburg Theological Seminary shall conduct record-keeping on reports of dating violence, domestic violence, stalking and sexual assault, such as that collected for legally required disclosures, that excludes personally-identifiable information of any complainants.

VIII. Required Trainings

The Title IX Coordinator, investigators, decision-makers, and any person who facilitates an informal resolution process (whether internal or external) shall receive training on the definition of sexual harassment under this policy, the scope of Wartburg Theological Seminary’s education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. These individuals shall receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Decision-makers shall receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the Complainant’s sexual predisposition or prior sexual behavior are not relevant.

Investigators shall receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, will not rely on sex stereotypes and will promote impartial investigations and adjudications of Formal Complaints of sexual harassment.

IX. Recordkeeping

Wartburg Theological Seminary shall maintain for a period of seven years records of:
1. Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under this policy, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to Wartburg Theological Seminary’s education programs or activities;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. Wartburg Theological Seminary outsources all investigations and hearing proceedings.
5. Records of any actions, including any Supportive Measures, taken in response to a report or Formal Complaint of sexual harassment. In each instance, Wartburg Theological Seminary will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to Wartburg Theological Seminary’s education program or activity. If Wartburg Theological Seminary does not provide a complainant with Supportive Measures, then Wartburg Theological Seminary must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit Wartburg Theological Seminary in the future from providing additional explanations or detailing additional measures taken.

X. Effective Date; Revisions

This policy is effective as of August 14, 2020 and was approved by the Wartburg Theological Seminary’s Board of Trustees on August 14, 2020].

[1] Crimes reported to a pastoral or professional counselor are not required to be reported by an institution under the Clery Act; however, institutions are strongly encouraged to establish voluntary, confidential reporting processes so that incidents of crime that are reported exclusively to professional and pastoral counselors will be included in the annual crime statistics. 34 C.F.R. §668.46(b)(2)(iii).

Wartburg Seminary conducts emergency response exercises each year, such as fire drills, tornado drills, and tests of the fire alarm system, we also conduct an annual emergency response drill. These tests are designed to assess and evaluate the emergency plans and capabilities of the seminary. General information about the emergency response and evacuation procedures for Wartburg Theological Seminary is publicized each year as part of the institution’s Clery Act compliance efforts and in our student, staff, and faculty handbooks.

Wartburg Theological Seminary uses RAVE Mobile Safety (RAVE). This is a sms (short message service), texting and email alert system for the Wartburg Seminary community and particularly the residential community. A message sent through this system is received by intended recipients within seconds. The RAVE software uploads the Wartburg database daily to ensure that emails and cell phone numbers remain
current in their system. RAVE maintains this system and is monitored by Wartburg’s Director for Technology. RAVE is used in conjunction with our main campus Simplex system.

When a significant emergency or dangerous situation occurs that causes an immediate threat to the campus, Wartburg Theological Seminary’s President will assess the situation and work together with the vice presidents and academic dean, superintendent for maintenance, the director for financial aid and student services, the assistant to the president, and the director for communication depending on the nature of the incident, to respond, communicate, and manage the situation. Depending on the nature of the incident, other Wartburg departments and other local or federal agencies could also be involved in responding to the incident. If the situation warrants, the president or another will call 911 immediately.

All members of the Wartburg community are notified on an annual basis that they are required to notify the Dubuque Fire and Emergency Medical Services, Dubuque Police Department, and one of the following on the seminary campus - the president, vice presidents and academic dean, the director for human resources, the superintendent for maintenance, or the director for financial aid and student services of any situation or incident on campus that involves a significant emergency. Wartburg Theological Seminary works with Dubuque local authorities and first responders to the scene such as the Dubuque Fire and Emergency Medical Services and the Dubuque Police Department.

2.11.6.1 Notification to the Warburg Community about an Immediate Threat

If there is a significant emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the Wartburg Community, the president on their own or together with some or all the vice presidents and academic dean, assistant to the president, superintendent for maintenance, the director for financial aid and student services, and the director for communication will collaborate to determine the content of the message. They will use some or all the systems described below to communicate the threat to the Wartburg community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population. The president will, take into account the safety of the community, determine the content of the notification. The president or appointee will initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to: Dubuque Police Department, Dubuque Fire and Emergency Medical Services), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The president will determine how to communicate the emergency information to the larger community with the assistance of the local authorities, administrative colleagues, and the director for communications.

In the event of a significant emergency or dangerous situation that poses an immediate threat to members of the Wartburg Seminary community, the seminary has various systems in place for communicating information quickly. Some or all these methods of communication may be activated in the event of an immediate threat to the Wartburg community. These methods of communication include, RAVE system, network emails, campus phone system, a PA/Fire alarm system that is strategically placed throughout
the Fritschel building, Tower building, residence hall and Mendota Guesthouse. The public address feature could be used to further communicate with the Wartburg Seminary community of any current significant emergency. Individuals could call recorded information on the telephone line at (563) 589-0300 (administrative assistant to the president) for updates or check the Wartburg Theological Seminary website. The notification’s content will be determined on a case by case basis per the given situation. The notification may include information or instructions to evacuate all or specific segments of campus or to shelter in place in all or specific segments of campus.

If notification indicates that community members should evacuate, the notification would include instructions to proceed to the nearest exit and follow the evacuation maps posted to the safest area outside the confines of the building. Evacuation and exit directions are posted on building entrances and exits. Evacuees gathering locations will be dependent on each situation. If notification indicates that community members should shelter in place, the notification would include instructions for sheltering in place, similar to the following:

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to “shelter in place” means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

A shelter in place notification will be sent through the seminary’s communication tools. If the building you are in is not damaged, stay inside – seeking an interior room – until you are told it is safe to come out. If your building is damaged, follow the evacuation guidelines and seek shelter at the closest building as quickly as possible. If police or fire department officials are present, follow their directions.

If you are notified to shelter in place, follow these basic instructions, unless instructed otherwise:

• Stay in an interior room with the least number of windows.
• Collect emergency supplies and a telephone to be used in an emergency.
• Shut and lock all windows and close exterior doors.
• Turn off air conditioners, heaters, and fans.
• Close vents to ventilation systems as you are able.
• Make a list of people with you and ask someone to call 563.589.0300 to provide a list of those who are sheltering with you.
• Turn on a radio or TV or computer and listen for further instructions.
• Make yourself comfortable.

2.11.6.2 Documentation of the Annual Emergency Response Test

Description: Bomb Threat Drill
Date: April 12, 2019
Time started and ended: 9:10–9:30 a.m.

Superintendent for Maintenance Bill Link and Director for Financial Aid and Student Services Barb Simon met on March 26th to plan for the April 2019 Emergency Drill. It was decided this
The following year’s drill will be a bomb threat simulation. The discussion included which buildings to include, to where will people evacuate, and wording of the RAVE (emergency response software) drill and ‘all clear’ messages. The initial discussion considered including all housing as well as the Fritschel and Tower Buildings to be evacuated. Evacuating to a location off campus was also discussed. The Plaza 20 parking lot and St. Peter’s church were possible locations. The logistics of transportation and potential traffic issues created by a large exiting of vehicles, along with time constraints, were reasons to opt to stay on campus. It was then decided to instruct all to evacuate to the south end of campus, near the Blair Court storage building.

A second meeting on April 9th finalized plans for the April 12th bomb threat drill. We determined the only buildings to be evacuated will be Fritschel Hall and the Tower Building as housing units are a safe distance from main campus. Occupants will be instructed to meet in the resident hall parking lot, south of both structures. Bill shared the following response he received from Assistant Fire Chief Derek Paulson when inquiring about best practices for bomb threats:

“I can tell you from the fire department’s standpoint all we ask is that if you do have a bomb threat is that everyone evacuate the area immediately and call 911. And just make sure everyone is in a safe location and accounted for as much as possible. The police from that point on really then take the lead and do the building sweep. We assist them but at that point they are in charge."

Fifty-two students, faculty, and staff participated in the April 12th fire drill. Barb Simon sent the RAVE message at 9:10 and building occupants exited and met at the resident hall parking lot. While gathered, we indicated that had this been an actual threat, police would have been called and then taken lead in the building search. At that time students, faculty, and staff would follow instructions from the police department.

An ‘All Clear’ Rave message was sent at 9:30.

As a result of this drill we discovered several employees hired in the past year did not receive the RAVE notice on their cell phones or via email. Research revealed that a field on their Jenzabar EX record had not been entered; this has been corrected and noted for future employee records. We also discovered that one person’s message went to their clutter file. We can only correct this after it occurs. Finally, we learned we were missing cell numbers for some faculty/staff/students. An email was sent communicating to all the importance of providing the seminary with a valid cell phone number.

### 2.11.7 Timely Warning Policy

The president or the president’s appointee will receive information related to reported crimes and determine if a timely warning for the safety and security of the campus community is warranted for the safety of the community or to aid in the prevention of similar crimes. The timely warning should be communicated to the campus in a timely manner through the best form of communication available at the time. Determination of timely warnings will be assessed on a case by case basis based on the crime report as well as consideration of if there is a continuing or serious threat to students, families, and employees. In some cases, law enforcement advice will be sought as to if a timely warning is warranted. The timely warning must include information about the crime that triggered the warning as well as advice for caution, response, etc.
2.11.8  Missing Student and Emergency Contact Registration

Wartburg will request of all students that they provide, on a voluntary basis at the time of registration, emergency contact information. This confidential information will be used only by authorized Wartburg personnel in the event a student is reported missing while at the institution. If a Wartburg student living in Wartburg-operated housing is suspected to be missing from campus, students, faculty and staff are instructed to immediately report this information to the vice president for admissions and student services or the president’s office. In the event that a student is reported missing after 24 hours, this must be reported to the vice president for admissions and student services or the president’s office. If the reported missing student resides off-campus, individuals may contact the local law enforcement agencies which has the jurisdiction to investigate. All reports of missing students made to the vice president for admissions and student services and/or president’s office will be investigated and given priority to other tasks. If the investigation determines that the student has been missing over 24 hours then within the next 24 hours the seminary staff will:

Notify the individual identified as the student’s emergency contact person; if the student is over 18 years of age and has been missing over 24 hours, Wartburg Seminary will notify the appropriate jurisdictional law enforcement agency and others as deemed necessary.

2.11.9  Policy Regarding Firearms, Weapons, and Explosives On-Campus

As a safety precaution, shotguns, rifles, handguns, air guns, bows and arrows, paint ball equipment, knives exceeding the state legal limits, ammunition and other types of potentially dangerous weapons or equipment are not permitted on campus, including seminary-owned facilities or residences. Additionally, all types of explosive materials and devices, including – but not limited to – fireworks, are prohibited on campus. Furthermore, any student (or family members) found in violation of this policy may be subject to disciplinary action, including dismissal of the student. (See section 2.22.3.3: Procedure for Appeal of Dismissal for Disciplinary Reasons.)

2.11.10 Crime Information and Statistics

As mandated by the Crime Awareness and Campus Security Act of 1990, the Wartburg Seminary will provide to its students and employees yearly statistics of on-campus occurrence of the following criminal offenses within the last three years. The Seminary will provide yearly statistics to students, faculty and employees as well as prospective students and employees. Following is a composite summary of statistics of criminal and hate offenses and arrests related to on-campus, residence hall, and public property adjoining the seminary.

2.12 Campus Fire Safety Policies

2.12.1 Fire Safety System

Wartburg Seminary Fire Safety System consists of a Simplex monitoring system providing smoke and heat detection that will automatically call a 24 hour monitoring service for emergency dispatch. The residential portion of our main campus building has a fire sprinkler system provided long with approximately half of our administrative buildings. See residential fire safety policies for each type of on-campus housing. No further improvements are planned at this time.

2.12.2 Fire Reporting

Fires should be reported to the superintendent for maintenance and director for financial aid and student services.

2.12.3 Fire Drill
Two fire drills are performed annually. Latest fire drills were 10/08/19 and 03/31/20. We had a tornado drill on 03/18/20. We also had an ‘outside threat’ table-top drill via ZOOM on 04/30/20.

2.12.4 Fire Safety Education and Training Programs Provided to Students and Employees

- fire safety month annual email was sent 10/01/19
- holiday fire safety email sent 12/12/19
- fire drills: 10/08/19 and 03/31/20
- student managers educate in on-campus housing regarding fire evacuation

2.13 Wartburg Seminary Housing Fire Safety Policy and Fire Evacuation Procedures

2.13.1 Smoke Detectors

If the early warning fire protection system (smoke detector) is battery operated, every occupant is responsible to maintain the device in proper working condition, provide and install a new battery when needed, and to notify the maintenance superintendent whenever the device is inoperable even though a new battery has been installed. No occupant shall cause a smoke detector to be removed or disconnected from its power source.

2.13.2 Residence Hall Fire Safety Policy

The Residence Hall is equipped with smoke and heat detection system, sprinkler system, fire extinguishers, and fire rated doors. All of which are inspected periodically throughout each year. Bi-annual fire drills are performed to help students recognize what the alarm sounds like and to evaluate where they should go in case of an emergency. Evacuation map floor plans are on each occupant’s door with an arrow showing the shortest route to an exit. Below are the instructions given to each resident on the evacuation procedures.

Small appliances are allowed, but please check all power cords for safety. Fire department regulations specify that extension cords are not allowed and that only power strips plugged directly into the wall are acceptable. Microwaves, refrigerators (up to five cubic feet), coffee makers, and electric kettles are the only appliances allowed. No other type of hot plate or heating device is to be used in residence hall.

All stairways and hallways are to remain clear at all times. Please do not store any items in these areas at any time.

Resident hall rooms with kitchenette’s:
Rooms with this feature are set up with appliances (microwave, induction cooktop and fridge). The rooms were altered in ways to meet city code from fire to electrical and plumbing requirements in order to allow the appliances.

2.13.3 Residence Hall Fire Evacuation Procedure

When the alarm sounds please proceed to the nearest exit and exit the building ASAP. If you go out the back door to the parking lot, please come around to the front of the building and meet at the Martin Luther Statue on the sidewalk next to the street. Please note that your neighbor and floor mates are all outside. Let the Residence hall representative/police/fire person know if someone is missing and not outside. (Please be in communication with one another if you are going to be gone for the weekend etc.)

If your room is the one that the situation occurred in, please stand near the edge of the group so that the residence hall representative can find you readily and be made aware of the situation. If the Residence hall representative is not there for some reason you need to tell the fire department/police department the situation.

If the fire situation is unknown and the residence hall representative is not there, please let the Fire/Police people know if there are any residents that have any type of disability that could still be in their room if they are not outside, please send the fire/police for them.

If it is after 10 pm the doors will be locked, if the residence hall representative or their fill in person is not there, the fire department has a key to the lock box that can let you back into the dorm, once the alarm has been cleared.

2.13.4 Other Buildings

Blair Court Houses and Denver Court Housing Fire Safety Policy and Plans for Fire Evacuation Since these units are single or duplex units. It is up to the occupant or neighboring occupants to notify the fire/police department if a fire occurs. All units are equipped with smoke detectors and fire extinguishers. Residents are responsible for checking the battery of the smoke detectors at least twice per year. Each tenant is responsible for coming up with and practicing their own plans for fire evacuation.

2.13.4.3 Electrical Cords and Lights

Temporary electrical wiring or extension cords are prohibited. Only power strips plugged directly into wall outlets are acceptable. Halogen lamps are prohibited because of fire hazard. Residents are responsible for supplying and replacing light bulbs during their stay.

2.13.4.4 Candles
The Dubuque Fire Marshall has strongly cautioned Wartburg regarding the use of candles, halogen bulbs, and incense. Since the majority of our housing units are connected to another unit, it is our policy to strictly prohibit the use of candles, oil lamps, halogen bulbs, and incense in any on-campus unit. Another reason is because the soot that gets on the walls and ceilings is virtually impossible to remove, and always requires extra cleaning and painting. Consequently, besides losing the deposit originally made for housing, the resident receives additional charges to cover the cost of the extra cleaning required.

2.13.4.5 Kerosene Space Heaters

Kerosene space heaters are illegal to use in the City of Dubuque; therefore, are not allowed in Wartburg housing. All heating issues need to be brought to maintenance’s attention.

2.14 Community Organizational Structures

2.14.1 Wartburg Associated Students

Wartburg Associated Students (WAS) is the student government. With the adoption of the constitution in February of 1980, the Wartburg Associated Students (WAS) was established to help students and student families have an organization to discuss matters of concern of students and their families and to actively shape community life for students and their families together with faculty, staff and the Board of Directors to support the mission of Wartburg Theological Seminary.

The purpose of WAS is: 1) to function as the official voice for students; 2) to provide a forum for expression of students' concerns; 3) to facilitate communication between students, faculty, administration, staff, and other groups at Wartburg; and 4) to encourage the academic involvement and social interaction of students and other groups. These purposes are accomplished by various groups and committees and are coordinated by the WAS Council which consists of the WAS president or copresidents, vice-president, secretary, treasurer, and class presidents and vice presidents.

Class presidents are elected early in the fall term and are responsible for representing the concerns of their respective classes before the WAS Council, on which they, along
with class vice-presidents, have voting privileges. Class presidents are also responsible for coordinating activities that directly affect their classes.

The WAS president (or co-presidents), aided by the other council members, is (are) responsible for overseeing and coordinating the work and activity of the various student committees and classes. Elected by WAS during the spring term of their second year, the WAS president takes office after internship at the beginning of the final year. The WAS president functions as a liaison in the area of student life, student-faculty, and administration relations and attends all faculty meetings, seminary board s meetings, and represents WAS at official WTS functions. The WAS president ensures that appropriate information arising from these meetings is communicated to WAS. In addition, they are responsible for calling and conducting all WAS and WAS Council meetings. The WAS president may meet regularly with the Vice president for admissions and student services (liaison to WAS) to discuss matters of common concern.

WAS occasionally sponsors community activities that are organized by WAS Committees. Such events are funded through WAS including decorations, food, media and equipment requirements, etc. A WAS student fee is charged to all full-time degree seeking students and these funds create the annual WAS budget to provide leadership stipends and for sponsoring WAS activities and other committee work that seeks to enhance the life of the whole seminary community. The Constitution and Bylaws for WAS can be found in Appendix D.

2.14.2 Faculty Committees and Task Force

Early in the fall term, elections are held for student representatives to serve on faculty committees and task forces. The committees and those who serve on them are important threads in the fabric that help shape academic and student life at the seminary. Below is a description of the committees and task forces. Committees normally meet on Wednesday afternoons once a month during the academic year.

Faculty Committees

*Educational and Curricular Policies* – Addresses issues regarding academic and curricular policies, degree programs and planning, program assessment, course offerings, and teaching loads.

*Faculty Policies* – addresses faculty matters; chaired by the president; and by academic dean in president’s absence.

*Globalization* – Addresses issues pertaining to the Center for Global Theologies, international faculty and student concerns, overseas immersion programs, globalization of curriculum, and the International Student Program.

*Community Life* – Addresses issues regarding how we live and worship as a community, spiritual formation, and convocations.
**Task Forces**

Task forces are generally made up of faculty members that meet to perform occasional tasks and responsibilities. They meet only as needed.

**Internship Task Force**

- To prayerfully discern appropriate placements for interns in congregations and other ministry sites.
- To review, converse, and recommend placement of intern with internship site
- To give honest and unbiased perspective regarding intern’s strengths, weaknesses, and needs from an internship site and supervisor
- To give honest and unbiased perspective regarding a student’s understanding of internship as a teaching and learning experience, for the sake of formation
- To give honest and unbiased perspective regarding a congregation’s understanding of what it means to serve as a teaching and learning context
- To give honest and unbiased perspective regarding a congregational site/supervisor’s strengths, weaknesses, and needs as they would impact a student’s formation

**2.15 Wartburg Residential Housing**

**2.15.1 General Rules and Guidelines**

Wartburg Seminary offers a wide range of student housing on our campus. We expect that students will live responsibly as good stewards of campus property, and that they will strive to make healthy lifestyle choices. Students should be aware that their daily lifestyle choices will reflect on their own integrity and future in ministry.

On-campus housing is a form of financial assistance since WTS housing is available at a somewhat reduced price from market rental values in Dubuque. General operating funds of the seminary provide the difference between income derived from rent and actual operating and maintenance costs. Monthly rent charged for on-campus housing units includes all utilities (water, basic cable, high speed internet, gas, garbage and recycling) with exception to the following maximum amounts for electricity: $95 for Blair Court houses and $120 for Denver Court units.

**Eligibility for Housing** – All full-time enrolled students are eligible for on-campus housing. Part-time students, Discovery students, students on leave, and graduates awaiting call will be considered for on-campus housing after the needs of full-time enrolled students are met.

**Application and Assignment** – Housing applications are available on ‘MyWTS’ under ‘Current Students’. Students returning from internship, current on-campus students who wish to change their housing assignment, and incoming students should submit this document during
the spring semester. Priority for housing assignments is based upon family requirements, move-in date, and the date the housing application is received.

**Campus Housing**—Wartburg Seminary provides several options for campus housing based upon your needs. The residence hall is intended for students who wish to have a single room and for commuter students. Some rooms are suite style with kitchenettes. It is a pet-free, child-free building. For students who are married, in publicly accountable, lifelong, monogamous, same-gender relationships, students with children, students with pets, students with special needs, or students who wish to share a housing unit, Blair Court Houses, and Denver Court houses accommodate the spectrum of needs on campus. Additional information on each housing type, size specifics, and layout can be found on the housing chart available on the Wartburg Theological Seminary website.

**Deposits/Fees** — A housing deposit of $450.00 is payable when a student moves into the unit. For pet units, an additional non-refundable maintenance fee of $30 per month, per pet is assessed. If damage from having a pet in the housing is extensive, a student will be asked to pay for repair costs exceeding the amount of the fee. Students who abuse the privilege of on-campus housing, or fail to comply with terms of their leases, may be denied housing on the Wartburg campus in the future. In circumstances when a person with a documented disability uses a service animal or emotional support animal, the pet fee will be waived.

**Housing During Summer Months** — Students remaining on campus during the summer months, including those in the residence hall, pay rent at regular monthly rates. Students who leave campus during the summer, but leave their belongings in their housing units, also pay rent at full rates during the summer.

Students who leave campus during the summer and vacate their housing units, removing all of their belongings and turning in their keys, do not pay rent until they return to campus and reoccupy a housing unit. Students who live in the residence hall are highly encouraged to put their belongings in storage if they are away from campus during the summer months.

**Internship Deposits** — Normally residential students going on internship choose to leave their housing deposits with the seminary during their internship year; however, students may withdraw their housing deposits if they wish. The housing deposit plus the normal monthly rent must be paid prior to move-in for the final year.

**Local Internship Housing** — Students assigned to a local internship site (as defined by the Internship Committee) may be considered for on-campus housing if housing is available during the internship year.

**Vacating Housing Units** — Generally, graduates and students leaving campus should vacate their housing as soon as possible. Vacating students should remove all items not provided by the seminary and leave in place all furniture belonging to the seminary.

**Changing Housing Units** — Students occasionally wish to move from one housing unit to another, for a variety of reasons. Because such moves involve expense for maintenance and administrative personnel, a fee of $100 for such moves will be charged to the students’ account. Nevertheless, this amount does not reflect the total cost to the seminary. Where students have been obliged to accept temporary housing until their assigned unit becomes available, the charge will be waived.
**Move-in Procedure** – At the time of move-in, the student will receive a lease, move in condition checklist, a pet policy statement, and keys to the unit. These documents should be signed and returned to the Wartburg Seminary business office within 48 hours of move-in. Moving trucks or other vehicles are not to be driven over or parked on sidewalks or lawns.

New and returning students may move in as their assigned housing unit becomes available. Desired/Planned move-in date should be provided to the business office housing coordinator with a three-week notice or more. Housing assignments are made based upon move-in dates and a change in date may cause a change in housing assignment.

**Move-out Procedure** – Students vacating their housing unit should fill out and return the move-out checklist and move-out information form and return them in an envelope with all keys provided to the Wartburg Seminary business office. If move-out happens while the office is closed, forms and keys may be placed in an envelope and left in the mailbox outside of the entrance of Fritschel Hall.

**Move-out Dates** – The housing coordinator will work with students graduating, leaving seminary or going on internship regarding their move-out date. If a housing unit is needed for maintenance or an incoming or returning student, interns may be asked to move to another housing unit on campus.

**Recreation Areas** – The lounge and recreation rooms on the lower floor of the Residence Hall are for Residence Hall students only. Other students and families on campus should show respect and refrain from using those facilities. All on-campus students, however, may use exercise equipment in “The Reformation Room.” Non RH students may request a key from the Business Office.

**Afton Student Lounge** – This lounge is available for community use, particularly the student body and their guests. It may on occasion be reserved using the Master Calendar. If there is a reserved event occurring, in the lounge, please respect that gathering.

**WTS Staff and Faculty Use of Student Housing** – Wartburg students have priority relative to all campus housing. WTS staff and faculty members may rent seminary housing solely on availability, always with the understanding that it is a temporary arrangement. A minimum of one month’s notice of the need to vacate will be given to staff and faculty members who rent campus housing. If housing is available and is not needed for a semester or year, a lease may be issued for a set period of time during which the staff or faculty member would not be asked to vacate.

### 2.15.2 Specific Housing Guidelines

Every occupant of a campus dwelling unit shall keep the unit in a clean, safe, and sanitary condition at all times, so that in case of an inspection by fire or health authorities the unit will pass inspection without question.

**Campus-Wide Smoking Policy** - Iowa Governor Chet Culver signed the “Iowa Smoke-Free Air Act” which became effective on Tuesday, July 1, 2008. This law bans the smoking of
tobacco in all indoor and outdoor spaces on our campus including: all seminary property, parking lots (including if you are lighting up while sitting in your personal vehicle), seminary vehicles (no matter if it’s on- or off- campus), apartments, houses, residence halls and Seminary sidewalks. In essence, it is against the law to smoke tobacco on or in any Seminary property. The law does not prohibit smoking on public sidewalks around the Seminary. Public sidewalks surrounding the Seminary are those on Wartburg Place and Fremont Avenue.

Please be attentive to this law and help by informing anyone smoking on Seminary property that Iowa law prohibits this activity. The law takes a firm position concerning the failure to maintain a smoke-free campus community that will result in civil penalties, as well as other consequences, for both the individual and the Seminary.

For smokers, as well as friends and family who smoke, this law is not easy. Iowa is following national environmental and health pathways and is neither the first state, nor the last state, to regulate smoking in a comprehensive way. Please assist and cooperate with the Seminary so we can make this transition as smooth as possible.

Thank you for your cooperation – if you have any questions, please contact the director for financial aid and student services in the admissions and student services department. All buildings on the Wartburg Seminary campus are to be smoke free (this includes all housing units and guest rooms). Therefore, smoking is NOT permitted inside any Wartburg-owned facilities.

**Maintenance** – While the seminary maintains all on-campus housing, the maintenance staff needs and appreciates the support and assistance of students living in the units. We ask for and encourage your partnership in maintaining and improving housing facilities. Maintenance will provide materials and guidance for some maintenance projects that students can do themselves, but students must consult with the Superintendent for maintenance before beginning any project. Students should not make any structural changes to housing units, such as walls, wall-mounted bookshelves, or anything of a permanent nature. Do not mount additional shelves to the walls. Freestanding shelves are allowed. Wall hangings should be suspended with small, narrow nails. If you wish to hang posters, use a material such as "Hold It, the Reusable Plastic." Please do not use scotch tape, masking tape, or glued stickers on the walls or doors. Pull all nails from the walls before vacating a housing unit and, using your finger only, use spackling compound to fill holes. If repair or maintenance that residents cannot do is needed, you may send an email to maintenance-DL@wartburgseminary.edu.

**Pest Control** – Wartburg contracts with an exterminating company for pest control in most of the housing. If you notice ants or other insects in your house or room, please inform maintenance.

**Childrens’ Play Equipment** – Any toys, playhouses, or pet fixtures need to be movable for mowing season. It is the responsibility of the tenant to move such items for the mowers. Damages to mowing equipment from such items will be assessed to the tenant. It is highly recommended to not set anything out on your lawns.

**Storage** – Storage on campus is limited to current students. Faculty, and staff may rent storage, if available. Residence Hall tenants may store items in the storage room located in the basement of their building. Additionally, residents of any unit and interns living off campus may choose to rent a unit in the Blair House Apartment building for longer term storage. It should be noted that Wartburg Seminary is not responsible for any damage that occurs to items
while in storage. Water damage and humidity are problems that students should be aware of when choosing to store items in campus storage.

Storage of personal belongings in common hallways is prohibited by fire code. Hallways, foyers, attic, and basement stairways must be kept clear for maintenance and for fire safety. Unobstructed emergency exit must be possible at all times. Any items stored in common hallways will be tagged and removed by maintenance personnel. Owners, if known, will be given two weeks in which to claim those items. After that period of time, maintenance will dispose of the items and a $25 fee will be assessed to dispose of items left behind.

**Garbage** – Residents in Blair Court and Denver Court units may place their trash at the curb on Thursday evening for early Friday pick-up. Recyclables should be placed in the yellow bins provided. Dumpsters are provided for the Residence Hall. All recyclables except glass can be placed in the recycling dumpster; Glass is not recycled in Dubuque, so it should be discarded in the garbage dumpster). Garbage must be placed in the dumpster, not beside it.

**Lawn Mowing** – Lawns will be cut by the maintenance crew. We ask that students and their families keep lawns clear at all times and pick up all debris. Dog chains and stakes need to be clearly marked. Place stakes close to the building, not in the middle of the yard. Any damage to seminary lawn equipment from items not clearly marked will be charged to the tenant of that unit. Damage to lawns from animals or anything else will be charged to the tenant. **PLEASE ALERT YOUR CHILDREN TO STAY CLEAR OF LAWN MOWING EQUIPMENT!** It is easy for articles to be thrown from beneath the mower.

**Snow Removal** – Snow removal in driveways and sidewalks directly in front of unit is the responsibility of individual tenants.

Failure to follow the housing and pet policy outlined in the Student Handbook may result in loss of the privilege of on-campus housing.

Unit Specific Policies (See Section 2.13 For Fire Safety Information for each Unit Type):

**Residence Hall**

Each resident is issued one (1) room key and one (1) key to an outside door. Each room is equipped with window blinds, bed/mattress, chest of drawers, desk, chair, and bookcase. The occupant must supply additional furnishings. Wartburg will not supply any additional beds. If you choose to bring any of your own personal furniture you are welcome to do so, but please keep in mind that furniture provided by Wartburg Seminary may not be removed from your assigned room. Small appliances are allowed, but please check all power cords for safety. Fire department regulations specify that extension cords are not allowed and that only power strips plugged directly into the wall are acceptable. Microwaves, refrigerators (up to five cubic feet) coffee makers, and electric kettles are the only appliances allowed. No other type of hot plate or heating device is to be used in residence hall. Laundry facilities, a vacuum, and a kitchen are located on the lower level and available for all residence hall residents and those occupying guest rooms.
We encourage you to make your room your own, however we ask that you follow these specific guidelines:

- Use only small nails in the walls
- Do not use tape or adhesives on doors or woodwork
- Do not do any structural change to your room
- Do not mount additional shelves on the walls – use free standing shelving only
- Pull nails before vacating your room and fill holes with spackling compound using your finger only

**Resident hall rooms with kitchenettes:**

Rooms with this feature are set up with appliances (microwave, induction cooktop and fridge). The rooms were altered in ways to meet city code from fire to electrical and plumbing requirements in order to allow the appliances.

Storage space is available on the lowest floor. Residents will be required to make a $25 refundable deposit prior to receiving a key to the storage area. Please use only one cubicle per room. Luggage and other large items must be stored in the cubicles provided and not on the floor. These cubicles are available during the summer only when a student will be returning for the following fall term. If additional space is needed, students should rent a Blair House Apartment storage unit. Storage of personal items is not allowed while on internship in order to provide space for students presently using the rooms. Students leaving for internship and graduating students must remove all personal belongings from the storage area or these items will be disposed of and the key deposit will not be refunded. Spare tires and hazardous chemicals are not allowed in the storage area. Please label all items placed in the storage area and keep the aisles clear. If space is available, the accounts receivable coordinator may be able to provide temporary storage in transition times.

All stairways and hallways are to remain clear at all times.

### 2.15.3 Accommodation of Guests in Seminary Housing and Residence Halls

In principle, once a person has leased a room or a residential unit, he or she may use that space as indicated in the lease agreement and according to the rules of the seminary as stated in the student and community life handbook. Thus, if a student wishes to accommodate a guest or guests, that is possible. Most units, especially the residence hall rooms, are not large enough nor furnished for accommodation of guests. Respect for other residents is also important. In the spirit of healthy community, every individual at Wartburg Seminary has a responsibility towards the immediate and wider community, especially consideration for other residents, the greater WTS community, and the outside community of seminary friends. Discretion and responsibility are required regarding accommodation of guests. If you would like to consider renting a guest room on campus, please contact the assistant to the president to check availability.

### 2.15.5 Appliance Repair Procedures

Wartburg has a 24-hour service contract with Black Hills Energy for repair of Wartburg owned stoves, central air units, water heaters, or furnaces in all on campus housing. Residents should
call 1-800-504-2000 for service except residence hall. If it is an emergency, call 1-800-694-8989.

### 2.15.6 Lost Key Policy

Contact the housing coordinator in the business office if you lose your house or mailbox keys. The cost of replacing lost house and/or mailbox keys will be $20.00 each, payable when the replacement key is issued.

### 2.15.7 Pet Policy

#### Animal Policy

Some residents desire to bring cats, dogs, and other animals when leasing residential housing. Pets are indeed important in the lives of many people but residents often do not realize the extent of extra wear and tear on housing that often results from pets, sometimes even severe damage. Some residents are allergic to pets and cannot live in a house where pets have been kept, even if extensive cleaning has been done.

Wartburg Seminary has designated certain housing units where pets are allowed, while other units must remain pet-free units. Failure to follow the pet policy may result in loss of the privilege of on-campus housing. To find out current pet housing units contact the Housing Coordinator. Pets allowed in Wartburg housing are restricted to ONE of the following group. Whatever group that you fall into upon arrival, it can only be altered upon marriage or during a period of off campus living (i.e. internship):

- one cat or two cats or one dog or a 5 gallon aquarium maximum.

Prohibited animals:
- larger animals are not permitted on the campus
- caged animals, e.g. birds, rabbits, ferrets, iguanas, hamsters, gerbils, guinea pigs, etc.
- dog breeds not eligible for licensure in Dubuque County

Students who wish to bring more animals than allowed should seek off-campus housing.

Units where animals are not allowed will be marked "Non-Pet Unit" on the outside of the main door of the unit. Penalties for violating this regulation include forfeiture of the full housing deposit, paying for replacement of the carpet and any other damage assessed, and possible loss of the privilege of on-campus housing.

#### Service Animals:

In circumstances when a person with a documented disability uses a service animal or documented use of an emotional support animal, the pet fee will be waived. Owners will, however, be charged for damages caused to the unit by the animal. In order to have the pet fee waived, certification of training and applicable documents should be submitted to the business office housing coordinator and will be kept on file for the entirety of your residency. Wartburg Seminary recommends that students with service or emotional support animals live in units designated as pet friendly in order to maintain non-pet housing for students who have allergies.
In Dubuque, all dogs and cats over four months are required by law to be licensed and vaccinated against rabies. For more information, please visit www.cityofdubuque.org/health. Dubuque law also requires that pets, while outside, should be restrained at all times; this includes while they are outside in your presence.

Pet owners are responsible for cleaning up after their animals. Please be considerate of others in the selection of areas where you walk and tie your animals. Pets should not be tied up in areas where children walk or play. Students who begin seminary without pets are only permitted to acquire a pet by marriage or during internship year while living off campus.

Examples of Pet-Policy application:

**Situation:** Carpet smells of urine or dander left by pets. Normal cleaning procedures do not get rid of it. Often smells are not detected until several weeks after the unit is vacated and carpet is shampooed.
**Procedure:** *Inspect the unit and carpet when the resident vacates the unit. *If unit remains vacant for several weeks, inspect again after one or two weeks.
**Rule:** If smell, dirt, or stains are detected, additional cleaning or depreciated cost of carpet replacement will be charged to the previous resident. (Depreciation is calculated over a 10-year period.)

**Situation:** Evidence of pets being kept is found in a non-pet unit.
**Rule:** The resident, or if vacated, the previous resident, must pay for the cost of carpet replacement.

**Situation:** Fleas are found in a pet unit.
**Procedure:** Inspection reveals this problem during a tenant’s residence, or after a tenant leave the unit.
**Rule:** Pest control will be hired to disinfect the unit. Cost will be covered by the pet deposit for the first occurrence. In cases of further occurrences, the tenant will pay for disinfecting the unit.

**Situation:** Minor scratches or major gouges found on the woodwork or walls.
**Procedure:** Inspection reveals this damage during tenure of resident or after resident’s departure.
**Rule:** The responsible tenant must pay the cost of repair (time and material)

**Situation:** A student is allergic to cats or dogs and needs to live in a pet unit because he or she has a cat or a dog; then complains of bad odors in the unit.
**Rule:** Students who need to live in a pet unit must expect smells associated with pets. The alternatives for them are not to have a pet and live in a non-pet unit or find off-campus housing.

**Situation:** Student keeps more pets than allowed in unit (e.g. 3 cats or 2 dogs, hamsters, ferrets, rabbits, etc.) or changes group (i.e. 1 cat to 2 cats or dog to cat, etc.)
**Rule:** Student will be notified regarding pet policy. Failure to take corrective action is abuse of seminary housing, and will result in forfeiture of the full deposit, and possible loss of the privilege of living in seminary housing. In addition, the tenant will be charged for any repair costs about the value of the deposit possibly including the replacement of carpets.

**Situation:** Student planning to be away from campus asks other students to care for their pets while they are away (e.g. while on internship, during the summer, or even for a weekend)
**Rule:** Students may not keep more than their personally contracted number of pets in their unit.
**Situation:** Pets defecating on lawns and public areas where people walk or where children play.

**Procedure:** When maintenance receives reports from tenants, or maintenance personnel observe this happening, pet owners will be notified.

**Rule:** If pet owners continue to allow their pets to pollute public areas and do not clean up the droppings, the housing privileges may be forfeited.

**Situation:** A dog or cat is seen running loose on WTS property, without restraint by leash or chain.

**Rule:** Any student, tenant, or maintenance person who sees an unleased pet running loose on Wartburg property has the right to call animal control and request that the animal be picked up.

### 2.15.8 Food Service

Wartburg Seminary offers a limited food service, intending to make healthful weekday breakfasts and lunches available at a reasonable cost. Because of the small size and limited facilities of the WTS food service operation, it is not able to meet all special dietary needs and cannot commit to meeting medically mandated restrictions. A vegetarian option is normally offered as part of the regular menu and at special events. All food purchases are a la carte. Mealtimes are posted by the kitchen. Typically, breakfast and lunch are served Monday-Friday when on-campus courses are in session.

### 2.16 Financial Aid

Wartburg Seminary subscribes to the philosophy that paying for seminary education is primarily the responsibility of the student. Because the ELCA, certain synods, and individuals who recognize the importance of excellent pastoral leadership in the church also contribute financial support for the seminary, students only pay a portion of the total cost of seminary education. Wartburg approaches financial aid in a spirit of mutual cooperation between seminary and student, since both are interested in an equitable distribution of available resources.

Wartburg solicits gifts from congregations and synods on behalf of the seminary. Students and other campus organizations are not permitted to directly solicit any church or business for gifts or business discounts, including prizes or awards. For additional information or assistance, contact the development office.

Financial aid is available to students in several forms as eligibility allows:

**Gift Aid:**
- Grants from WTS
- Scholarships from home congregation or synod
- Scholarships from non-seminary organizations

**Loans:**
- Federal Stafford Student Loans
- Federal Grad Plus Loans (seldom)
- Other private student loans (Wartburg does not maintain a preferred lender list for private student loans.)
2.16.1 Eligibility to Receive Financial Aid

Eligibility for financial aid is established through a consistent, just and fair evaluation of the student's financial circumstances that is flexible and non-discriminatory. Financial need is determined with the required WTS Financial Aid Annual Eligibility Form, and the use of the Free Application for Federal Student Aid, FAFSA, both of which may be submitted any time on or after October 1 for the subsequent academic year. The FAFSA application is required only if the student plans to take Federal Direct Student Loans. Financial aid from Wartburg Seminary may be given for any person who (1) enrolls full-time in a degree program, (2) completes the Financial Aid Annual Eligibility Form, (3) demonstrates financial need, and (4) continues to make satisfactory academic progress towards degree requirements.

Students who receive financial aid, whether from seminary funds, federal funds, or funds from outside sources, are responsible for using these resources for educational purposes, and in compliance with the laws and regulations that govern financial aid, especially federal funds. Financial aid is normally determined during the summer months and applied at the beginning of the fall and spring semesters.

Federal Applications for Free Student Aid (FAFSA) are available online at www.fafsa.edu.gov and may be submitted beginning October 1 for the subsequent academic year. If awarded a seminary grant, these grants are applied each semester directly to a student's account.

Students may be employed by the seminary as such positions are available. The business office pays wages to employed students per payroll procedures. Campus employment is not financial aid.

2.16.2 Satisfactory Academic Progress

To be eligible to receive financial aid a student must maintain satisfactory academic progress. Satisfactory academic progress is defined for financial aid purposes both by the seminary and by federal requirement. Two components are included in this definition, a qualitative one and a quantitative one.

Qualitative component: Because the seminary is a graduate school, a higher level of academic work is required than might be required at the college level. Students are expected to maintain at least a minimum grade level for a degree program, (Credit or C- or 2.0 for all master level programs; B or 3.0 for S.T.M) or higher in each semester. However, some courses are only offered on a Credit/No-Credit basis, (which varies by degree program;), and such results do not readily translate into a grade-point system. Seminary students’ academic work is expected to be at the “Credit” level. A student not taking letter grades may receive only one “No-Credit” grade while at seminary and still meet requirements for satisfactory academic progress. The student then will receive a warning letter stating that the course for which a “No-Credit” was received must be repeated and taken for a letter grade.

Quantitative component (Varies according to degree and program type):
M.Div. – The normal time for completion of all tracks of the M.Div. degree as prescribed is four years as a full-time student. The residential learning (RL) program is full-time for four years – two years at seminary (28 credits per year, which includes two January interims), a summer CPE unit (6 credits), a one-year off-campus internship (27 credits), and a final year at seminary (28 credits, which includes a third January interim). The distributed learning (DL) program is the same as the residential program, except the coursework in years one, two, and four are off-campus. The collaborative learning (CL) program spreads the coursework over all four years, incorporating internship as taken concurrently with coursework, and has the following pace: 21 credits of coursework in year one (including January), 21 credits of coursework in year two (including January), plus usually one-third (9 credits) of the internship in the spring, 18 credits in year three (with no January), plus two-thirds (18 credits) of the internship, and finally 21 credits (including January) in year four.

M.A. – The normal time for completion of both the residential and distributed learning programs is one year – years – first year (21 to 27 credits, depending on course choices), and second year (a minimum of 21 credits), with both years including a January interim. Please ask Kevin for this information.

M.A. in Diaconal Ministry - The normal time for completion of the residential and distributed learning programs is full-time for two years of coursework plus time for fieldwork – two years at seminary (26 and 23 minimum credits respectively), plus additional summer or overlapping internship registration (18 credits total for clinical pastoral education and internship). A collaborative learning version extends the coursework over three years (21 credits each year, including a course in two of the three January terms), plus the same clinical pastoral education and internship requirements in summer or some of the semester.

The minimal rate of normal progress for degree students in all degree programs s, at rates that qualify a student for institutional financial aid (i.e., full-time status), is 9 credits or more per fall and spring semester, plus a January interim (3 credits) in each year applicable (up to the maximum needed for that degree program) and 6 credits or more per fall and spring semester to qualify a student for federal loans. F

If a student needs to deviate substantially from the normal number of credits per year, the student may request an additional semester or year in order to complete requirements for graduation. Upon approval of such a request by the academic dean, the extended plan will qualify as meeting the requirement for satisfactory academic progress.

Repeated Courses

Grades for required courses that are repeated because of previous failure will only have the most recent grade and credits applied toward a GPA calculation (for determining academic standing) and toward the minimum credits needed for a degree. Courses for which a student passed the course or requirement (i.e., received a Credit or C- or better grade) cannot normally be repeated. All instances of the course will still be recorded on the transcript.

If a student fails to complete a degree requirement (i.e., grade of No- Credit or D+ or less), the student will normally be expected to repeat the specific course that meets the requirement. In some cases, the faculty or academic dean may designate a substitution. For distributional requirements (i.e., requirements for which several different courses may meet the requirement, e.g., pastoral care, final-year theology and Bible capstones), the student is normally asked to complete a different eligible course offering for the same requirement.
**Academic Probation**

When a student fails to maintain academic progress either qualitatively or quantitatively, the student is placed on academic probation for the next semester. If the student does not regain satisfactory academic progress during the next semester, the student may be subject to dismissal from seminary for academic reasons. A student who falls below the expected level of academic performance should contact his or her academic advisor to determine what steps he/she can take to regain satisfactory progress.

Students on an extended plan (additional semester or five-year plan) who fail to maintain satisfactory academic progress will be considered by the faculty on a case-by-case basis.

**2.16.3 Financial Aid during Academic Probation**

As stipulated by federal regulations, a student not maintaining satisfactory academic progress is not eligible to receive federal financial aid. According to Wartburg Seminary policy, a student on academic probation is also not eligible to receive institutional grants from the seminary. However, scholarships and grants from outside sources such as congregations, synods, and other organizations are not usually affected by these regulations; therefore, students on academic probation normally may continue to receive financial help from outside sources.

**2.16.4 Wartburg Seminary Refund Policy**

The Wartburg refund policy, printed in the Wartburg Catalog and in this handbook, is essentially the same as the federal student aid refund policy. In the case where a student enrolls but fails to complete a semester, the student may be entitled to a refund of monies paid but may be required to return financial aid funds according to the federal policy. The refund policy applies to institutional charges—tuition, fees, room, and board (if applicable). It does not apply to rent for non-dormitory housing nor to other items on the student budget.

**The Federal Refund Policy for Title IV and Military Tuition Assistance (TA)**

A portion of Title IV funds, with the exception of Federal Work-Study funds, and military tuition assistance (TA) may need to be returned to the Title IV or TA source upon a recipient’s withdrawal from school.

**Withdrawal date** - The day the student withdraws is the date (determined by the school) that:

- the student began the withdrawal process prescribed by the school, or, the student otherwise provided the school with official (written) notification of the intent to withdraw; or,

- for the student who does not begin the school’s withdrawal process or notify the school of the intent to withdraw, the mid-point of the payment period or period of enrollment for which Title IV assistance/TA was disbursed (unless the institution can document a different date)

If attendance has been documented, the withdrawal date is determined by the school from such attendance records.
If the school determines the student did not begin the withdrawal process or notify the school of intent to withdraw due to illness, accident, grievous personal loss or other such circumstances beyond the student’s control, then the school may determine the appropriate withdrawal date.

**Percentage of the payment period or period of enrollment completed** - The percentage of the payment period or period of enrollment for which assistance was awarded that was completed is determined:

In the case of a program that is measured in credit hours, by dividing the total number of calendar days comprising the payment period or period of enrollment for which assistance is awarded into the number of calendar days completed by the student in that period as of the day the student withdrew or scheduled to be completed as of the day the student withdrew.

**Calculation of Title IV or TA assistance earned** - To calculate the amount of Title IV assistance/TA earned by a student, the school must first determine the percentage of Title IV assistance or TA the student earned. Up through the 60% point in time, the percentage of assistance earned is equal to the percentage of the payment period or period of enrollment for which it was awarded that was completed as of the day the student withdrew. If the student withdrawal occurs after the 60% point, then the earned percentage is 100%. That earned percentage is applied to the total amount of Title IV assistance/TA that was disbursed (and that could have been disbursed) to the student, or on the student’s behalf, for the payment period or period of enrollment for which it was awarded as of the day the student withdrew.

**Calculation of Title IV assistance or TA not earned** - The amount of Title IV loan assistance/TA not earned by the student is calculated by determining the complement of the percentage of assistance the student earned, and applying it to the total amount of Title IV assistance/TA that was disbursed (and that could have been disbursed) to the student, or on student’s behalf, for the payment period or period of enrollment as of the day the student withdrew.

**Differences between amounts earned and amounts received** - The school will follow the regulations for late disbursement if the student received less Title IV assistance/TA than the amount earned. If the student has received more grant or loan assistance than the amount earned, then the unearned funds shall be returned by the school or the student, or both.

**Responsibility of the school** - The school shall return the lesser of the unearned amount of Title IV assistance/TA or an amount equal to the total institutional charges the student incurs for the payment period or period of enrollment for which the assistance was awarded, multiplied by the unearned percentage of awarded Title IV/TA grant and loan assistance.

**Responsibility of the student** - Students return unearned Title IV assistance/TA minus the amount the school returns.

**Order of return of Title IV or TA funds** - Excess funds returned by the school or student are credited to outstanding Title IV/TA loan balances for the student or made on the student’s behalf for which a return of funds is required.

**Remaining excesses** - If excess unearned funds remain after repaying all outstanding Title IV/TA amounts, then the remaining amount is credited to seminary grant funds from which grants were awarded. If further excess funds remain after paying all of the funds listed above, the remaining excess will be refunded to the student.
Repayment of funds. - If Title IV/TA funds have been disbursed to the student and remain unearned at the time of withdrawal, the student is required to repay the unearned portion of the Title IV/TA funds he/she has received.

Leave of absence - A leave of absence is not normally treated as a withdrawal, and no return of Title IV/TA funds is calculated. A student may take a leave of absence from a school for not more than a total of 180 days in any 12-month period. If the student does not return at the expiration of an approved leave of absence, then the seminary calculates the amount of Title IV/TA loan assistance that is to be returned according to this provision based on the day the student withdrew. The seminary then also records the official withdrawal date as the date the student’s leave of absence began, likely exhausting a student’s federal loan grace period.

(The seminary has a formal leave of absence policy and procedure. A student must have followed the official policy and procedure in requesting a leave of absence [see below], and the seminary must have ratified the student’s request in accordance with its policy.)

Non-Title IV or TA Funds -. If a student withdraws prior to the 60% point in an enrollment period, refunds for payments made to the seminary from non-federal (non-Title IV/TA) funds will be calculated in the same way as if the payments were from federal funds. If the student has paid institutional charges in full for the enrollment period, funds will be refunded for that portion of the enrollment period (semester) that the student was not enrolled. If a student withdraws after the 60% point in an enrollment period, no refund will be given.

Non-Refundable Charges- The following charges are not refundable: rent for family housing paid monthly in advance, fees for Wartburg Associated Students organization, and all student fees.

2.16.5 Procedure for Requesting Leave of Absence or Withdrawal

A student may take a leave of absence from seminary for normally no more than one academic year. Students are not eligible for financial aid during a leave of absence. The student must complete the leave of absence form. The academic dean may grant the request, and then normally notifies the faculty. (As noted above regarding Federal policies, a leave of absence longer than 180 days will be regarded as a withdrawal for Federal financial aid purposes. Recipients of Federal Student Loans must be aware that loan repayment will begin, including the expiration of your student loan grace period.) An approved leave of absence may be renewed for an additional academic year upon written request. A student who wishes to withdraw from seminary must complete a withdrawal form, giving notice of the withdrawal date and last day of attending classes.

Wartburg Theological Seminary is appreciative of our service men and women and recognizes the flexibility needed to accommodate active duty deployments. Should such deployments occur, the following options are available:

• Withdraw the entire registration and 100% of the tuition and mandatory fees would be refunded. If arrangements are made with the instructor for grades or incompletes (to be made up later) in the courses, the registration would remain intact and tuition and mandatory fees would be assessed in full.
• If arrangements are made with only some of the instructors for grades or incompletes, the registration for those courses would remain intact and tuition and mandatory fees would be
assessed for those courses. Any courses for which arrangements cannot be made for grades or incompletes could be dropped and the tuition and mandatory fees for those courses would be refunded.

- The option the student chooses obviously depends on the point in the session when the student is called to active duty. Financial aid is refunded in accordance with existing seminary and federal policies for each of the above situations. Inquiries should be directed to the financial aid director. These procedures do not apply to reservists who are fulfilling their annual two-week active duty.

This policy also applies to a spouse if that active duty member shares a dependent child with his or her spouse.

A student who is called to active duty and is a recipient of a direct loan should contact his or her loan servicer.

(This policy was adapted from policies found at the University of Iowa and Iowa State University)

Pursuant to the Veterans Benefits and Transition Act of 2018, Wartburg Seminary adopted the following policy in August 2019:

“To refrain from imposing penalties upon eligible G.I. Bill students due to the delayed disbursement of allowable payments by the U.S. Department of Veterans Affairs, including: 1) the assessment of late fees; 2) the denial of access to classes; 3) the denial of access to libraries or other institutional facilities; or 4) the requirement that a G.I. Bill Chapter 31 or Chapter 33 recipient borrow additional funds to cover the individual’s VA-covered financial obligations to the seminary while waiting for Federal funds to be paid.”

2.16.6 Financial Aid for Interim (J-Term)

Financial Aid in the form of institutional grants are provided in fall, jterm, and spring terms based if a student is enrolled full-time and receives grants.

A Cross-cultural travel subsidy is provided for the course that meets the student’s cross cultural requirement. Students may elect to enroll in additional cross-cultural courses at their own expense. Because funds for Interim Term are limited, a portion of only travel related costs are covered and cross-cultural interims are not fully funded. The cross-cultural travel subsidy is considered financial aid. Some costs for interim projects can be included in the student budget for regular financial aid with appropriate documentation.

2.16.7 Financial Aid for Study Abroad

Students who choose to study abroad with approval of the Wartburg Seminary Faculty at an approved location enrolling in courses that will receive credit toward their degree program may be eligible for Federal Student Aid. Students will need to apply for financial aid as per normal procedure and complete a contractual agreement between the student, Wartburg Seminary, and the approved international institution.
2.16.8  Payment of Semester Charges

Payment for tuition, fees, room, and board is due at registration each semester. Arrangements may be made with the Business Office for delay of payment up to November 15th in the fall term, and April 15th in the spring term, particularly if financial aid is pending. Rent for family housing may be paid at the time of registration or at the beginning of each month thereafter. It is expected student account balances are paid in full prior to registering for the next term or receiving their diploma, A hold will be placed on account until the account balance is addressed with the Business Office.

Each year students are asked to sign a Business Office policy form on MyWTS outlining student payment guidelines. Students who are unable to pay the entire amount due for the semester at time of registration may request a payment plan. Arrangements must be approved by the Vice President for Finance & Operations and include regularly scheduled ACH payments. The ACH authorization form can be obtained from the Business Office.

2.16.9  Policy Regarding Student Accounts

**Students must pay for all costs in full by the end of each semester.** If a student's account shows a debit balance, he/she will not be allowed to register for the next semester until the account is paid, or an arrangement for payment has been made. Payment arrangement may involve signing a promissory note for a student loan. Class grades and academic transcripts will not be released until student accounts are cleared.

Final year students must clear their accounts by May 1st, prior to graduation. A student who has not complied will not receive his/her academic degree, and a notice to that effect will be sent to his/her synod bishop.

The business office will hold student accounts receivable, including seminary student loans, for one month after graduation, and then will turn those accounts over to an agency for collection. The agency will then follow normal procedures for notification that payment is due. If the person does not pay in a timely manner, the agency will report the outstanding debt to credit bureaus, according to standard practice.

2.16.10  Complaints Regarding Federal Student Aid

Complaints regarding federal student aid or the processing thereof, are to be directed to the director of financial aid and student services. If the complaint is not satisfactorily resolved, the student may then address the concern with the vice president of admissions and student services. Should a satisfactory conclusion still not be reached, students may contact: https://studentaid.gov/help-center/answers/article/how-can-i-submit-complaint-about-how-my-college-is-administering-my-financial-aid to file a complaint Feedback and complaints may also be filed here: https://feedback.studentaid.ed.gov
2.17 Information Technology

Wartburg Theological Seminary Student Technology Policy

Use of WTS Computer Network Equipment, Email, and Internet Access

1. All use of this equipment and facilities will be in full compliance with all applicable local, state, and federal laws (www.copyright.gov). Unauthorized distribution of copyrighted materials, including but not limited to unauthorized peer-to-peer file sharing, may subject you to civil and criminal liabilities.

2. All use of this equipment and facilities will be consistent with the ethos of Wartburg Theological Seminary as articulated in the Seminary's Mission Statement; the Seminary's Student, Staff, and Faculty Handbooks; and the Constitution of the Evangelical Lutheran Church in America.

3. Access to technology (including laptops, cell phones, and other devices) in the classrooms of Wartburg Theological Seminary should serve to enhance the teaching and learning objectives of our courses. Inappropriate use of technology (such as social networking, shopping, reading news articles or sports reports, chatting, email, or playing games) during class time detracts from one’s own learning, may be distracting for other students, and is disrespectful to the instructor and the learning community. Students who use technology inappropriately may be required to stop bringing a particular device to class. Egregious misuse may negatively affect the student’s grade for the course.

4. This equipment and facilities may not be used for personal commercial enterprise, personal political activities, partisan political campaigning, or partisan political lobbying activities. Charitable solicitations using this equipment and facilities is not permitted except as authorized by the President of Wartburg Theological Seminary.

5. Based on the discernment of probable cause, the Seminary has the right to examine any messages or file(s) created or maintained on Seminary equipment or systems to determine compliance with these policies.

6. Wartburg Seminary provided virus protection will be required for all computers on the WTS network. If students do not have seminary provided virus protection and/or are the source of a virus, their computer will be shut off from the network until virus protection is obtained and demonstrated. This will be implemented upon administrative decision.

7. Wireless routers of any kind are not permitted in the residence hall. Rogue wireless routers cause a security risk and may compromise the integrity of the network. Identified rogue access points will be blocked when discovered. The entire building already has wireless capabilities in that each room is equipped with an Ethernet internet connection. Identified wireless routers discovered in the building will be blocked. If you have questions about this, please direct them to the Helpdesk.

Violations of these policies will be subject to Wartburg disciplinary action, possibly including dismissal.
Students on official leave of absence may elect to keep their email/network account active by paying the technology fee of $50/semester if living off campus and $100/semester if living on campus. If the technology fee is not paid during the student's leave of absence, their email/network account will be disabled and re-enabled upon their return to student status. If a student withdraws from seminary or is dismissed, their email/network account and internet access will be terminated immediately or upon approval, permission may be granted to sign the new Non-Student Technology Policy form and pay the applicable technology fee.

2.18 Health Insurance

Seminarian health insurance coverage is mandatory for all full-time students at all of the ELCA seminaries. If you do not have health coverage, you must enroll in a plan. To find a plan that is best for you, visit Healthcare.com and select “individual plans” or you can also check out pickhealthinsurance.com and enter your zip code. Please visit both sites to find the best plan and price for you and your family. If you reside in the state of Iowa and are in need of health insurance for your child/children only, please visit https://dhs.iowa.gov/hawki.

2.19 Study Abroad Opportunities

Opportunities for North American students to work/study in an international setting are of three basic types:

- International internships in various countries may be possible in cooperation with ELCA Global Mission an application process is required.
- Year-long study experiences in Norway and Germany funded by full scholarships from the host seminaries and/or primarily by the student.
- There may be other possibilities for study abroad that should be discussed with the student’s academic advisor in order to seek approval from the faculty.

All opportunities are announced to the entire seminary community. All require faculty approval.

2.20 Supply Preaching

Students are occasionally invited to preach and conduct services in congregations. Preaching invitations are sent via email and students may choose to respond to these opportunities.

2.21 Seminary Offices and Services

2.21.1 Booklist

Wartburg Seminary offers a listing of all required and recommended books for each seminary course and directs users to where the books can be purchased online. Here is a link to the book list: https://mywts.wartburgseminary.edu/ICS/Student/Book_Lists.jnz.
2.21.2 Center for Global Theologies

The Center for Global Theologies serves to focus the commitments of Wartburg Theological Seminary to the global mission of the church, and to infuse those commitments into the programs and policies of the institution. This happens through scholarly research, church linkages, and programmatic initiatives such as cross-cultural immersions for students and faculty/staff, and developing financial resources toward those ends.

2.21.3 Center for Theology and Land

The center’s small town and rural ministry emphasis helps to equip seminarians with the skills needed to serve in a rural setting. The center takes seriously a theological understanding of land, agriculture, and rural community, an important endeavor to the ELCA considering the number of its congregations in such settings. The center sponsors immersion courses in rural communities and congregations, classroom courses in rural ministry, leadership, and stewardship, and an annual Rural Ministry Conference.

2.21.4 Center for Youth Ministries

The Center for Youth Ministries supports the WTS Masters concentration in Youth, Culture, and Mission in equipping seminary students in relating and developing Christ’s ministry to and with young people. In addition to courses related to youth ministry for Wartburg students, courses, resources, and training opportunities are offered to congregations, synods, and interested individuals.

2.21.5 Learning for Life

Learning for Life at Wartburg Theological Seminary seeks to equip the baptized people of God for mission. Whether you serve God through your work as a teacher, social worker, homemaker, computer programmer, factory worker, youth minister, pastor, or other, you are called to carry out the mission of Jesus Christ in daily life.

By providing high-quality Learning for Life online courses and events, Wartburg Seminary seeks to equip people from every walk of life to serve the Church’s mission “to proclaim and interpret the Gospel of Jesus Christ to a world created for communion with God and in need of personal and social healing” (excerpt from the Wartburg Theological Mission Statement).

2.21.6 Lutheran Seminary in the Southwest (LSPS)

The Lutheran Seminary Program in the Southwest is located at Austin, Texas and provides theological education as an extension site of Wartburg Theological Seminary and in partnership with the Lutheran School of Theology at Chicago, especially in support of Hispanic ministry. LSPS offers a curriculum for the TEEM Program of the ELCA, a summer language and culture
school, January term immersions in Mexico and the Texas borderlands, and other cross-cultural course offerings.

### 2.21.7 Re-formation Room

The board of directors allocated funds to WAS to purchase fitness equipment that is now located in a fitness area known as the "Re-formation Room." They make the following statement: Wartburg Seminary is equipping its students for the ministry within the global context of life and mission and is dedicated to continually serving the total concerns of its community. The seminary context of theological education serves as a paradigm for holistic care of the developing caregivers. In addition to its pursuit of academic excellence, it recognizes the need for guidance in the physical, emotional, psychological and spiritual dimensions of life. Wartburg Seminary is committed to assisting students and staff in developing holistic care goals, including spiritual formation, physical conditioning (stewardship of the body), self-care, and healing of life's hurts (emotional).

The following rules have been adopted by Wartburg Theological Seminary regarding the use of the fitness room and equipment:

1. Participants utilize the “Re-formation Room” and equipment at their own risk. Wartburg Theological Seminary is not responsible for any injury that may occur to individuals participating in any exercise activity. Participation in exercise activity is on a voluntary basis.
2. Consult a physician before beginning an exercise routine.
3. The “Re-formation Room” and equipment are for use by all members of the Wartburg Seminary Community. All fitness room participants must be at least 15 years old. An adult must supervise participants between the ages of 15 and 17.
4. Participant must use the equipment only in the manner intended by the manufacturer. Please follow all instructions and posted signs carefully. Participants shall not modify the equipment in any manner whatsoever.
5. All equipment should be handled in a responsible manner. Abuse of the equipment will not be tolerated.
6. Proper athletic attire must be worn at all times. Athletic shoes must be worn at all times. Absolutely no sandals or open-toed or open-backed shoes are permitted.
7. Participants are responsible for wiping the machines after use of the equipment.
8. If you have questions about the machines and their operation, see the WAS President(s) who will point you to the designated person who will answer questions and to lead orientation sessions from time to time.
9. Between the hours of 10:00 p.m. and 8:00 a.m., as well as during meetings held in Afton Lounge, no music should be played and noise should be kept to a minimum.
10. Participants should report all equipment malfunctions to the superintendent for maintenance.
11. Personally owned equipment brought with students to the Wartburg Theological Seminary campus may not be placed and/or stored in the “Re-formation Room.”
12. It is the responsibility of all individuals using the “Re-formation Room” to familiarize themselves with these rules and regulations. Inappropriate use of the equipment and violations of these rules may result in the loss of privileges.
2.21.8 Guest Housing

A limited number of guest rooms are available on the seminary campus for overnight guests. All rooms have a private bath and linens and towels are provided. To make a room reservation, or for more information, students may contact the assistant to the president.

2.21.9 Lost and Found

Found items such as jewelry or wallets should be turned in to the president’s office. A “lost & found” bin is also located on the lower level of Fritschel near the mailboxes.

2.21.10 Mailroom

The mailroom is not a full post office and is not authorized to provide a full range of services. Incoming mail is placed in mailboxes daily as it is received. Outgoing mail is placed in the mailbox for collection by noon.

2.21.11 Student Lounges

Afton Lounge: Located between Mendota House and the Residence Hall, is reserved primarily for student use – class meetings, forums, recitals, social gatherings, or informal class sessions. It is a lovely, spacious room seating up to 40 people.

2.21.12 Use of Seminary Facilities for Weddings

Requests for reservations to use the Loehe Chapel for a wedding should be made to the Office of the President. Your request will be considered based on information provided and availability of the chapel, chapel staff, and general WTS calendar of events. If the request is approved, the applicant will be provided with information on applicable policies and fees. The Von Schwartz Refectory is available for receptions, but outside catering is required.

2.21.13 Wartburg Food Pantry

The Wartburg Food Pantry is a ministry of Wartburg Seminary assisting families in need in the seminary and surrounding community.
The food pantry sometimes receives donations of money or food from businesses, civic groups, or individuals, but virtually all the food that the food pantry distributes is purchased from the local food bank. Money to buy this food is provided by donations.

If you would care to donate money to the Wartburg Food Pantry, there is a wooden box marked FOOD PANTRY DONATIONS in the Refectory. Money may also be donated by addressing an envelope to the food pantry.

CASH DONATIONS MAY NOT BE ACCEPTED AT THE FOOD PANTRY ITSELF! Contact Food Pantry staff directly through the business office to make donations of food.

Rather than pre-packing food boxes, Wartburg Food Pantry allows clients to "shop" for their food, taking what they need and not taking food items that they know they will not use. This allows far more flexibility for the clients and helps cut down on waste. If the food pantry staff believes that clients are abusing this privilege (by taking large quantities for hoarding, for example), this practice may be discontinued. Food would then have to be distributed already boxed to families, quantities based upon the number of people in the family. This method is labor intensive, however, and is not preferred.

Rules for Users of the Wartburg Food Pantry
1. Take only what you need and leave some for others. Remember that there are other families who also depend upon the food pantry.
2. Note that the food pantry has no control over what items are available at any given time. Items that are limited in quantity are offered to families first, with the larger families being offered first choice.
3. Only the items that are displayed on the shelves or in the freezer and refrigerators in the main food pantry are available for distribution. All other items, including those items in boxes above the display shelves, are stored as back stock for future dates.
4. To help those who have special needs, items such as vegetarian, low sodium or low-fat foods, or diabetic (sugar free) foods, etc. will not normally be placed for open distribution, but will be held for those who have made their needs known by requesting the special items.
5. Please bring a box, bag, or basket to carry your food selection home with you.
6. Normal operation hours will be announced at the beginning of the semester by the food pantry coordinator. In the event of an emergency need, it is possible to gain access to the pantry during non-operation hours, by contacting food pantry staff. However, a scheduling conflict is not an emergency.

### 2.21.15 Maintenance Trucks

Due to insurance requirements and the liability that Wartburg holds, the Wartburg maintenance trucks cannot be loaned out for personal use. They are only for Wartburg work related use.
2.21.16 Seminary Parking

Parking lots, located behind the seminary, are provided for members of the WTS community and visitors. Annually, the seminary will request license and make information so that we can contact the owner if needed. These parking lots are for short-term parking only. Any vehicles stored (not in use) for more than 4 weeks at a time must be parked elsewhere. Any vehicle left unattended for more than four weeks in any of the parking lots, or in the student housing areas, will be tagged by the police, towed, and impounded at the owner’s expense. Storage of vehicles on campus while owners are on internship is not permitted.

Residence Hall occupants are encouraged to park in the parking lots west of the seminary rather than on Wartburg Place. Please do not use the spaces marked for visitors. Students who use their vehicles infrequently are encouraged to use the lower lot, leaving the upper one free for staff, commuters and guests. Extra parking places located between Blair Court houses and Blair House apartments are for Blair House residents. Blair Court and Denver Court residents have parking for two cars, front to back, in each driveway. Additional vehicles should be stored off-campus.

Please observe all NO PARKING, LOADING ZONE, RESERVED, VISITOR PARKING, and HANDICAPPED PARKING signs. The yellow parking lines should also be followed. NEVER PARK AND/OR DRIVE OVER SIDEWALKS OR LAWNS.

2.22 Grievances and Discipline

2.22.1 Procedure for hearing and Addressing Student Grievances

Students with grievances have several channels for expressing their concerns and having them heard and addressed. Students may bring complaints and grievances to any of the following persons as appropriate:

- their academic advisor,
- the Wartburg Associated Students (WAS) council representative,
- the student Community Life Committee representatives,
- the Vice president for Admissions and Student Services

If grievances are not satisfactorily heard and addressed at those first-level contacts, grievances may be taken to the next levels, as follows:

a. the academic advisor will contact the academic dean who, if necessary, will bring the grievances to a Faculty meeting
b. the WAS or Community Life Committee representative will bring grievances to the WAS Council, or Community Life Committee

Final decisions are made by the president’s cabinet on administrative matters, and by the faculty on academic matters and vice president for admissions and student services, in consultation with the president, on personal matters affecting students.

If you are unable to resolve your complaint with the school a student may contact:

Iowa College Student Aid Commission
877-272-4456
When allegation of student misconduct is brought to the attention of the Vice President for Admissions and Student Services, an immediate investigation and evaluation of the allegation will be initiated. The vice-president’s appointee may also be involved in the investigation and as well as an evaluation by the student’s academic advisor, the academic dean, and one other faculty member and, if necessary, the president. Also involved with any other persons who might have information pertaining to the alleged misconduct. Either the vice-president alone, or the committee, may decree immediate suspension or other provisional action. After a full investigation and evaluation, the vice-president may bring the case to the faculty for final decision and action, or the vice-president may bring the case to the president for final decision and action or the vice-president may make a final decision. If the case necessitates, the Seminary President may issue and executive decision. Possible action may include reinstatement, or conversion of suspension to permanent expulsion from the seminary.

The appeal process remains available to the student. In any case wherein the President of the seminary has issued an executive decision, a student may appeal to the Board of Directors. All other criteria for appeals, as detailed in this handbook, will otherwise guide the process.

2.22.3 Procedure for Appeal

2.22.3.1 Procedure for Appeal of Administrative Decisions

Dissatisfaction and grievance may arise out of decisions and actions taken by faculty or administration. Procedures for appealing such actions vary according to the nature of the issue.

Before a formal appeal is made, grievances should first be discussed with the academic advisor or faculty or administration members in order to better understand the issues involved and, if possible, resolve the question informally. In cases which cannot be thus resolved, a written appeal may be filed with the appropriate academic or administrative official, as detailed on the next page.

Students should consult their advisors in formulating formal written appeals. In all cases where a formal written appeal is filed, a record of all the proceedings shall be made and a permanent record maintained in documentation clearly marked with the name of the student. An issue may be appealed once. See also "Procedure for Appeal of Faculty Decisions" and "Procedure for Appeal of Dismissal for Disciplinary Reasons."

2.22.3.2 Procedure for Appeal of Faculty Decisions on Academic Matters

A student's progress from one step to another in seminary education depends on the faculty's evaluation and decision. A student has the right to appeal a faculty decision that he or she thinks may be based on incomplete evidence or unfair evaluation.

The student may address a written request for a hearing to the faculty, including reasons for the request, and direct it to the academic dean. The student and the academic dean will discuss the request and agree on the personnel of a committee of four (two faculty, one of whom shall be designated as chair, and two students) appointed to hear the appeal and to re-evaluate details of the case.

The student has the privilege of bringing to this appeals committee a student spokesperson of his/her own choice who may speak, but not vote. The committee subjects all the data involved to a thorough reevaluation, giving particular consideration to any new or extenuating circumstances that may have come to light in the meantime. The committee shall normally reach its decision within 24 hours of the hearing, and shall prepare a formal recommendation to the faculty, which the chair reports to the student.

The committee's recommendation is brought to the faculty at its next regular meeting. (Only in very urgent cases will a special faculty meeting be called.) The faculty reaches its decision with regard to the recommendation by majority vote. That faculty decision is communicated to the student by the president and is final.

2.22.3.3 Procedure for Appeal of Dismissal for Disciplinary Reasons

A student has the right to appeal concerning dismissal for disciplinary reasons.

A student must submit the appeal in writing, elucidating reasons for the appeal to the vice president for admissions and student services. The student and the vice president for admissions and student services will discuss the request and will agree on the personnel of a committee of four (two faculty, one of whom shall be designated as chair, and two students) to hear the appeal and to reevaluate details of the case.

The student has the privilege of bringing to this appeals committee a student spokesperson of their own choice who may speak, but not vote. The committee may also call as witness any other person known to be involved in the case (e.g. any person who may have been a victim of the alleged misconduct). The committee shall subject all the data concerning the case to a thorough reevaluation, giving particular consideration to any new or extenuating information that may have come to light since the dismissal. The committee shall normally reach its decision within 24 hours after conclusion of the hearing, and shall prepare a formal recommendation to faculty and/or President, which the chair shall immediately report to the student. The vice president for admissions and student services shall then communicate the decision, which is final, to the student in writing.
2.23 Initiatives toward Health and Wellness

2.23.1 The Wholeness Wheel

The Wholeness Wheel is an initiative within the ELCA promoting the concept of “Healthy Leaders Enhance Lives.” We encourage the use of these materials as a way to help promote health and wellness on campus.
The Wholeness Wheel is the picture of a process – dynamic, centered, in balance, contained, inter-related, vital, and colorful. One snapshot along the journey is of a healthy infant with so much promise and potential, screaming with life as he or she is washed with the water of Baptism. Many of us may feel that we realize that potential at different times of our lives – peak athletic performance as a young adult, peak intellectual performance in college or graduate school, peak emotional health in a happy marriage, peak vocational health in mid-life in the attainment of a vocational goal.

“This life, therefore, is not godliness but the process of becoming godly, not health but getting well, not being but becoming, not rest but exercise. We are not now what we shall be, but we are on the way. The process is not yet finished, but it is actively going on. This is not the goal but it is the right road. At present, everything does not gleam and sparkle, but everything is being cleansed.”  Martin Luther

The wheel reminds us that, although peak experiences are wonderful and healthy, being truly healthy and whole is about being in balance and intentionally nurturing all aspects of health surrounded and supported by spiritual health. Snapshots are the record of our lives over time and are often painfully truthful. We all want to be able to look back at the snapshots of our lives and see the radiance of a life lived to the fullest – reflecting the joy of living in healthy relationships with God and with others and actively engaged in the world.

**Physical well-being**

We are marvelously created by God. While we are not all born perfectly healthy and no one makes it through life without injury or illness, with tending and nurturing we can live well even with disabilities, injuries, or illness. Those with good health can lose it as a result of unhealthy lifestyles and behaviors. Keeping the wholeness wheel in perspective means optimizing our physical health through good nutrition, physical activity, and avoiding risks to our health. It does not mean worshiping physical health at the expense of other aspects of health.

**Emotional well-being**

Being emotionally well means feeling the full range of emotions and expressing those emotions appropriately. Not feeling emotion is a sign of stress or depression, just as having emotions that you cannot control may be the sign of emotional distress. Physical health problems can affect our emotions and emotional problems affect our physical health. One example is anger and hostility, an emotion that puts one at significantly greater risk for heart disease. Keeping our emotional health means taking time in the day to be peaceful and centered, just as it means sharing emotions with others.

**Social well-being**

We were created to be social persons by God with instructions to help and love each other. We are nourished by the love and intimacy of our family and friends. Isolation is a significant risk for depression and premature death. Whether we are introverted or extroverted, regular social contact is essential for health. Being healthy means having healthy relationships with family, friends, co-workers and others. Studies have shown that volunteering in service to others actually lengthens life.
**Intellectual well-being**
Alzheimer’s disease or dementia is feared by all who have seen or heard about the personal frustration or social disruption it causes. While we cannot be certain that we will never experience dementia or something similar, using our minds keeps them alert and active. Use it or lose it! Satisfy curiosity by seeking answers. We can stretch our minds by experiencing new things – music, art, hobbies, or travel. Pushing ourselves at work by seeking out new responsibilities and pursuing lifelong learning keeps us healthy and growing.

**Vocational well-being**
Having a sense of purpose is important in living a healthy life. We all want to feel that we are using the gifts God has given us to make this world a better place. We need to be aware of what those gifts are and make good use of education and training to hone our skills. We need to always be seeking for opportunities to make a difference. If not through our occupation, then perhaps through volunteering in the community, nurturing our family, or actively participating in church.

**Financial well-being**
Being financially well involves making decisions based on our values, as reflected in the way we save, spend, acquire and manage debt, and share. Tending to one’s financial well-being in this way requires us to be resilient, generous, and focused on sustainability.

**Spiritual well-being**
Loving God with all our heart, soul, mind and strength impacts everything we do and everything we are. Starting first with your spiritual health makes balancing the wheel much easier because we know whose we are. Nurturing your relationship with God through daily prayer or devotion is the first step. Knowing that God is always present and has given us the gift of grace through the death of Jesus Christ allows us to stumble along the way and keeps us from getting lost.
3.0 Academic Life

3.1 Inclusive Language

It is expected that all Wartburg Theological Seminary graduates will enter ministry with an awareness of the personal, cultural, moral, and theological issues involved in the worldwide effort to move toward inclusiveness in church life and use of language for humankind and expansive language for God. It is, therefore, expected that all Wartburg Theological Seminary students will intentionally develop the linguistic and pastoral skills that will prepare them to lead their communities into a tradition of inclusivity that exhibits integrity and avoids awkwardness.

Accordingly, it is Wartburg Seminary policy for faculty, staff, and students, that during corporate worship, convocations, and class discussions, as well as in all written assignments (tests as well as papers), seminary publications, and scholarly works, a high standard of inclusiveness will be maintained. For example, some professors will, as standard procedure, return any essay that does not aim at the inclusive use of language and will ask the student to consider how it might be revised. It is appropriate for all members of the Wartburg community--students, staff, and faculty alike--to remind each other of our commitment to the use of inclusive language.

It is understood that inclusive language involves the "isms" as they are listed in the ELCA Statement, Guidelines for Inclusive English Language for Speakers, Writers, and Editors: sexism; racism; physical, mental, emotional disability-isms; economic and cultural classism, imperialism, or triumphalism; nationalism; militarism; anti-Jewish-ism; age-ism; family and relationship pattern-ism. A copy of the ELCA statement in its entirety can be found in the library. You can also find an excellent link from the Evangelical Lutheran Church in Canada which can be found at: http://www.elcic.ca/Resources/Inclusive-Language.cfm

3.2 Degree and Certificate Programs

For further details and academic requirements for the various programs, see the current Wartburg Seminary catalog.

3.3 Credits
3.3.1 Credits and Course Load

Wartburg Seminary implements the Federal Department of Education guidelines on credit-hour compliance in the following manner: Each 3-credit course is expected to utilize a minimum of 135 total hours of contact time and outside study time. For Wartburg Seminary, this typically consists of 36 classroom or primary contact hours (based on a 50-minute class period and three classroom hours each week for twelve weeks of direct instruction) and 2.5 hours of outside homework time for each contact hour, plus an additional 7.5 hours per week of homework time during the non-instruction weeks designated as “reading & research weeks.” This same workload expectation is applied to 3-credit independent studies, online courses, and January interim courses, as well as proportionally adjusted for courses or independent studies of other credit values.

3.3.2 Transfer of Credits

The academic dean and registrar will evaluate the student's previous seminary work and determine which requirements are met and the number of credits to be transferred. (For students with a previously completed seminary master’s degree, either from Wartburg Seminary or another seminary, accreditation policy limits us to transferring no more than the equivalent of one year of credits, approximately 27-30 semester hours, from that completed degree.) On the basis of this evaluation, the student will work out a plan for his/her academic program at Wartburg in consultation with his/her advisor indicating when and how the student will meet the requirements and the number of hours of electives that will be needed. The Registrar will verify that the program meets the requirements for graduation.

3.3.3 Credit for Conferences

One hour of credit per year may be granted for attending a conference; however, the conference needs to be approved ahead of time by a faculty member and incorporated into an independent study. A faculty member needs to be responsible for the final evaluation. Students should use the Independent Study Contract form to designate advanced reading in preparation for the conference, as well as a written report or reflection after the conference.

3.4 Interim Term (J-Term)

Interim is required, but with approval by the academic dean a summer experience may be substituted for the January experience.

During the month of January all students conduct independent studies or projects, or participate in seminary courses on or off campus. First-year students may enroll in the pastoral practicum, a program in which they observe and assist a pastor in his/her congregation. Students may apply for an alternative practicum setting (e.g. hospital or nursing home chaplaincy, an urban experience) or do a special project on campus.

Students may participate in one of many off-campus offerings such as the Israel-Palestine trip, Milwaukee, or the domestic violence course, etc. Some of the projects meet the cross-cultural requirement. Information on possible Interim-term projects is distributed early in fall semester. All
interim work must be completed by the last day of interim unless extended by the student's faculty advisor or course supervisor. Students are expected to complete 3 hours of credit during the Interim term.

3.5 Academic Policies

3.5.1 Grading System

Students in the M.Div. and M.A. degree programs may choose to be graded either by credit/no credit (Cr/NCr) or by letter grade in each course. Exceptions are for work done in January interim, clinical pastoral education (CPE), and some courses at the instructor's discretion. In such instances students receive Cr/NCr. For first-year students, the faculty reserves the right to require letter grades in cases where it appears advisable. Students who anticipate doing additional graduate work should take letter grades and other students may request letter grades from instructors for all coursework including Interim-term work. The following symbols are used:

- **A**: Excellent – 4 Grade Points
- **B**: Good – 3 Grade Points
- **C**: Satisfactory – 2 Grade Points
- **D**: Poor (passing for an elective, but not passing for a required course or a distribution requirement) – 1 Grade Point
- **F**: Failure – 0 Grade Points
- **I**: Incomplete
- **W**: Withdrawal
- **Cr**: Work of C- or above, but not used in compute GPA
- **NCr**: Work below C- computed at 0 Grade Points (Any NCr grade requires the student to take courses for grades the next semester, even though they might not be on probation.)

Plus and minus grades are recorded on transcripts, but are not used to compute a grade point average.

An "I" (Incomplete) course extension is given if, by no later than the last day of classes, the student completes a formal request using the appropriate form for an extension of time, which is agreed to by the instructor and the registrar. Extensions should normally not extend beyond the end of January (for fall semester courses), the end of June (for spring semester courses), or more than two (2) months after an intensive concludes. If the work is not completed and turned in to the instructor by the agreed-upon date, the instructor, with prior notification to the student, will then normally report an "F" or “NCr” grade to the registrar. Internship, field experiences, MA projects, and MDiv theses are exceptions to the above, in so far as these are by arrangement.

Registration instructions distributed from the Registrar's office contain the deadline for changing one's grading system.

3.5.2 Registration and Cross Registration

Registration dates are indicated on the academic calendar. The deadline for changing registration is at the end of the second full week of the fall and spring semesters and at the end of the fourth day of the January interim.
Students who are registered in any of the degree programs at Wartburg and are residential students have the option of also registering in courses offered at UDTS in the same manner in which they register for courses taught by Wartburg faculty. No more than six (6) credits per semester can be cross-registered at UDTS and this normally applies to residential elective courses only (i.e., no online or remotely-accessed courses). (Substitution of UDTS courses for Wartburg degree requirements needs the Academic dean’s permission, or by prearranged agreement between the two schools, such as for the M.Div. Missions requirement.) No additional tuition is normally charged beyond Wartburg seminary tuition costs for these credits.

Classes that start at the beginning of a semester may be added or dropped during the first two weeks of the semester (i.e., by the drop/add deadline). Module courses that begin later in a semester can be added or dropped up until the time they begin. Any student who chooses to withdraw from a course must inform the registrar. Withdrawals within the first two weeks of class will result in the course not being recorded on a student's transcript. After two weeks, students who withdraw will receive "W" if they have received the consent of the instructor and the Registrar. Without this consent, any withdrawal after two weeks will result in the grade of "F" or "NCr." Students who change their registration after the drop/add deadline need to be aware of how course withdrawals and additions may change their status between full-time and part-time status (i.e., above or below 9 credits), as this will have eligibility implications for financial aid. The financial aid office must be consulted prior to making any course changes if this would be the case.

### 3.5.3 Auditing Courses

To receive recognition for auditing a course, a student normally is expected to miss no more than one class period, read assigned required readings, and participate in class discussions. Students are not expected to turn in written assignments or take exams. Students will not be evaluated on their work. By mutual agreement between instructor and auditor, students may opt to do a classroom presentation.

### 3.5.4 Repeated Courses

Grades for required courses that are repeated because of previous failure will only have the most recent grade and credits applied toward a GPA calculation (for determining academic standing) and toward the minimum credits needed for a degree. Courses for which a student passed the course or requirement (i.e., received a Credit or C- or better grade) cannot normally be repeated. All instances of the course will still be recorded on the transcript.

If a student fails to complete a degree requirement (i.e., grade of No-Credit or D+ or less), the student will normally be expected to repeat the specific course that meets the requirement. In some cases, the faculty or academic dean may designate a substitution. For distributional requirements (i.e., requirements for which several different courses may meet the requirement, e.g., pastoral care, final-year theology and Bible capstones), the student is normally asked to complete a different eligible course offering for the same requirement.

### 3.5.5 Academic Probation and Dismissal

A student will be placed on probation after completion of one semester as a fulltime student or a minimum of 9 semester hours when:
• taking courses for letter grades (or a mixture of letter grades and credit/no credit grading), the cumulative grade-point average (GPA) falls below the minimum level for a degree program (C or 2.0 for M.Div. and both M.A. degrees), in a given semester; or

• taking courses for credit/no credit (Cr/NCr) only in degree programs that allow this, more than three hours of the grades are no credit in a semester.

However, a student will not be placed on probation the first time he/she receives a NCr grade (up to three credits). Probation will result from any subsequent NCr grade in any course. (In GPA calculations, NCr grades are calculated as a zero value and do count in the calculation, whereas Cr grades are not computed at all in one’s GPA.)

A student who receives a NCr grade is required to take courses for letter grades in the next semester, or until probation is removed.

A student on academic probation is not eligible for financial aid. That is by federal regulation with respect to federal funds, and by seminary policy with respect to seminary funds. A student is subject to academic dismissal after completion of a minimum of 18 semester hours when:

• failing to maintain the minimum GPA for a degree program in the probationary semester; and

• failing to achieve at least the minimum cumulative GPA for a degree program at the conclusion of the probationary semester.

Students under academic dismissal may apply for reinstatement by the faculty by addressing a request to the academic dean.

### 3.5.6 Leave of Absence and Withdrawal

A student may request an institutional leave of absence by a written statement submitted to the academic dean. Leaves are granted by the academic dean, usually upon a supporting motion by the faculty at their normal monthly meetings. Wartburg Theological Seminary defines a leave of absence, for academic and institutional purposes, as a temporary stoppage from progress toward completion of a degree program, where the student has the intention (at least at the time of request) to resume their study at the conclusion of the leave period. Leaves are typically needed, for example, due to extended/serious illness or other medical reasons (either of the student or immediate family members), to provide time to deal with family issues or other extenuating circumstances, to allow for time away from campus while the spouse of an M.A. student completes off-campus study such as an M.Div. internship, for study abroad in an academic exchange arrangement, or for time to reflect on one’s call to ministry, to name a few examples. In no case is a leave granted for more than one year, but a leave can be renewed for an additional year upon written request and approval. An approved leave of absence allows the student to pick up in their studies at the point where they left off when they return from a leave. Should a student not return to active study at the conclusion of the approved period of a leave, or fail to seek an approved renewal, they will be considered withdrawn academically from the seminary. (See the paragraph below for the implications of being declared withdrawn from the seminary.) IMPORTANT NOTE: Please note that the federal government, in its regulations on student financial aid, has a narrower definition of a leave of absence, which restricts a student to stopping their study for no more than 180 days, after which they are considered “withdrawn” for purposes of financial aid and any loan deferments and repayment of student loans. The ‘withdrawal’ date is retroactive to the date the student began their leave of absence which likely exhausts your
student loan grace period. Students need to keep this in mind as they apply for an institutional leave of absence that extends beyond 180 days. For further information on the financial aid implications of a leave of absence, see the section on financial aid: Procedure for Requesting Leave of Absence or Withdrawal (p. 73) in this handbook.

A student who wishes to withdraw from the seminary should secure a withdrawal form from the registrar and turn it in to the academic dean. Signatures from the student’s advisor, the vice president for admissions and student services, and the academic dean are required on the withdrawal form. Wartburg Theological Seminary defines a withdrawal as a formal separation of the student from the seminary in that there is no intent for further study (or if there is, it is well beyond the maximum of two years of time out of study allowed by an institutional leave of absence). The student should be aware, when they choose to withdraw from the seminary (or find themselves in the situation of having been declared withdrawn by not returning from a leave of absence), that they are forfeiting their rights to the requirements of the particular degree program that which they were admitted. Should they later wish to resume their studies, a withdrawn student will need to reapply, meeting all current requirements for admission, and that they will resume their studies under whatever new degree requirements are in force at the time of their readmission. Previous credits earned at the seminary prior to the withdrawal are potentially applicable to renewed study later, however they will be applied at the discretion of the academic dean, who will take in consideration the time lost in study (i.e., the age of the credits) and their applicability to current degree requirements. For further information on the financial aid implications of an academic withdrawal from the seminary, see the section on Financial Aid: Procedure for Requesting Leave of Absence or Withdrawal in this handbook (p. 73)

### 3.6 Plagiarism

Members of the Wartburg Theological Seminary community are expected to conduct themselves responsibly and honestly in academic matters. We are part of an academic tradition that honors the wisdom received from others by the careful recognition and citation of sources. The seminary defines plagiarism as the copying or use of another person’s work in any form without acknowledgement. [For a helpful discussion of how plagiarism is a form of theft and constructive examples of what to avoid, see Wayne C. Booth, Gregory C. Colomb and Joseph M. Williams. The Craft of Research (Chicago: University of Chicago press, 1995), pp. 166-170 and 257.] The act of Plagiarism refers not only to the citation of books and articles but also to personal interviews, the Internet, and all other sources of information. Students shall neither represent the work of another as their own nor in any way misrepresents either their own work or the work of another. The use of any source, whether of idea or paraphrase, shall be properly acknowledged. Any quotation, even of phrase, shall be marked by quotation marks or cited as a block quotation. Misrepresentation shall be avoided.

Plagiarism is a serious offense. Should an instructor ascertain that plagiarism has been committed, the instructor will first consult with the student and the academic dean before making a determination of the penalty. The first offense of plagiarism will be penalized either by the failure of the assignment (in case of a minor assignment) or by the failure of the course (in the case of a major assignment). In addition, in the case of plagiarism on a major assignment, the failure of the course will also lead to the student being placed on academic probation for the next semester of study (not including Jterm) regardless of resulting grade point average (GPA). A second offense, fully proven, will be penalized by dismissal from the seminary.

In relation to completing course work, a student found to have bought an academic course paper from or sold one to another source (e.g., person or reseller) normally will be penalized by dismissal from the seminary.
Plagiarism: An Example

“It is trickier to define plagiarism when you summarize and paraphrase. They are not the same, but they blend so seamlessly that you may not even be aware when you are drifting from summary into plagiarism, even when you cite the source.”

Now consider how the previous paragraph would be plagiarized if it were too closely paraphrased:

It is harder to describe plagiarism when summary and paraphrase are involved, because while they differ, their boundaries blur, and a writer may not know that she has crossed the boundary from summary to paraphrase and from paraphrase to plagiarism.

Regardless of intention, a close paraphrase is plagiarism, even when the source is cited. This paragraph, for instance, would count as plagiarism of that one (Booth, Colomb, and Williams, 169).

3.7 Classroom Technology Policy

Access to technology (including laptops, cell phones, and other devices) in the classrooms of Warburg Theological Seminary should serve to enhance the teaching and learning objectives of our courses. Inappropriate use of technology (such as social networking, shopping, reading news articles or sports reports, chatting, email, or playing games) during class time detracts from one’s own learning, may be distracting for other students, and is disrespectful to the instructor and the learning community. Students who use technology inappropriately may be required to stop bringing a particular device to class. Egregious misuse may negatively affect the student’s grade for the course.

3.8 Advisor/Advisee System

The advisor/advisee relationship is an extremely important part of the student's total relationship to WTS and is a key factor in determining whether the student's experience here is as meaningful and productive as it ought to be. Each entering student is assigned an academic advisor.

The advisor/advisee relationship is expected to encompass personal as well as academic matters. The fact that most members of the faculty are ordained pastors makes it all the more natural for students to turn to them for counsel on personal, spiritual, familial, or vocational questions. All faculty advisors, lay or clergy, are willing to be of assistance.

Faculty members are expected to maintain regular office hours when they can be consulted. If no hours are posted on the faculty member's door, please ask him or her for an appointment time.

Student and advisor are expected to arrive at a mutual decision at the end of the school year as to whether this relationship should continue, or whether the student feels a greater affinity to some other faculty member. For the benefit of students and faculty members alike, a more or less equal distribution of advisees among the various faculty members is maintained. This may limit the ability of a particular faculty member to accept new advisees at a particular time. Once having made this choice, the student is also at liberty to make a change later. Faculty sabbaticals may also require such a change. Forms for requesting a change of advisor are available from the registrar's office.
3.10 Free Courses for Students’ Spouses

Spouses of Wartburg Seminary students are encouraged to audit up to 3 credit hours per semester free of charge with permission of the course instructors. Courses may consist of one 3-hr. course, or a combination of modules and courses not to exceed the equivalent of 3 credit hours. A student’s spouse not enrolled in a WTS degree program, who has the requisite background, may take up to 3 credits per semester for credit without charge by applying for Discovery student status. If the student spouse subsequently enrolls in a degree program, appropriate charges for the credits earned will be assessed.

3.11 Reu Memorial Library

Reu Memorial Library serves the mission of Wartburg Theological Seminary by supporting the educational activities of the institution; providing a place for independent and collaborative learning; collecting, preserving, organizing, and offering resources in a variety of formats; and teaching and equipping the Wartburg community for lifelong spiritual, intellectual, and personal learning.

- Educational activities of the institution: The evolution of the programs of the institution determines the shape of the resources. New courses, programs, centers, or even new emphases may require additional resources, both current and retrospective, and expanded or reorganized services.
- Place for independent and collaborative learning: The library provides a welcoming, inviting environment which facilitates and nurtures study and spiritual and theological dialog.
- Resources: The library provides resources through a physical collection of books, journals, audio material, and visual material, as well as an electronic collection of resources and the equipment to access these resources. Resources are added according to the collection development policy.
- Lifelong spiritual, intellectual, and personal learning: The library teaches students to find, evaluate, and responsibly use information resources for lifelong learning. Research needs of the faculty are supported.

The library primarily serves the students, faculty, and staff at Wartburg. The library has a relationship with the University of Dubuque and provides resources such as books, journals, audio and visual material and services to University of Dubuque students, faculty, and staff as feasible within the constraints of licensing, network, and other policies. To a lesser extent, the library provides services to Wartburg alumni/alumnae, local pastors and lay leaders, and other area students. As an open-access library, the library is open to Iowa residents with proper identification.

The library cooperates with the Charles C. Myers Library of the University of Dubuque. The two institutions are located about a mile from each other. A week-day daily courier service between Wartburg and the University of Dubuque facilitates use of both collections.

The Rausch Student Technology Center in the library provides ten student workstations and instructor’s workstation. The arrangement of the computers allows students to work individually as well as collaboratively in groups. The Rausch Center is used as an open lab and as a classroom for sessions needing special equipment or software. More student workstations are available elsewhere in the library.

Library hours during the academic year are as follows:

- Monday – Thursday: 7:30 a.m. – 10:00 p.m.
- Friday: 8:00 a.m. - 4:00 p.m.
- Saturday: 10:30 a.m. – 4:30 p.m.
Sunday 4:00 p.m. - 10:00 p.m.
Closed during chapel Monday through Friday (10:30 a.m. – 11:15 a.m.)
During the summer, hours vary as needed. Please see the library webpage for the most current information.

3.11.1 Services and Policies

Borrowing Library Material - To borrow material from Reu Memorial Library, Wartburg students, faculty and staff must present a current Wartburg ID card. UD students must present their UD ID card. Other patrons must present valid identification, complete a new borrower form and be added to our system the first time they check out material. Identification must be presented each time a patron checks out material.

Check-Out Periods and Limits - Students, staff and non-students have a checkout period of four weeks. Thesis students and faculty members have extended borrowing privileges on books. However, if another patron requests a book that is out on an extended loan, the extension is cancelled and the book is recalled. Non-Wartburg affiliated patrons are allowed a maximum of 10 items total. Video checkout is for 72 hours and patrons are limited to two videos. Library reserve material may be checked out for a two-hour period unless otherwise noted. Reserve videos are checked out for 24 hours. Patrons are limited to two reserve items at any time. Reserve material may be checked out for over-night use but must be returned when the library opens the next morning.

Reference books, curriculum center material, vertical file material, current periodicals and retrospective periodicals cannot be checked out.

Renewals - Books from the regular collection may be renewed three times if another patron is not waiting for the item. You may renew books by phone (563-589-0267), mail, e-mail, through the online catalog, or in person.

Library Fines-Reu Memorial Library does not charge overdue fines. We do however expect library patrons to be conscientious of the need to return materials on time. You can avoid overdue notices and save us time by keeping track of the due dates. Due dates are stamped on a slip inside the back cover of each item.

Items that are 3 weeks or more overdue are handled on an individual basis. Library privileges may be suspended until the material is returned, replaced or paid for. Patrons are charged replacement cost of the material plus a processing fee.

Recalls - If you should receive a recall notice for a book you have checked out, please be sure to bring it back by the date indicated on the notice. When you return the item please indicate to the circulation attendant that it is a recalled item.

Study Carrels - Students are asked to remove all personal belongings from carrels when they leave the library. Library books and periodicals that are not checked out should be turned in at the circulation desk or placed on the marked carrels.

Carrels may be reserved for individual use by frequent library users. For more details and to reserve a carrel contact a library staff member. Library material must be checked out before being stored in a reserved carrel. Carrel assignments will be made with the understanding that a staff member will
periodically search all carrels and remove library material that is not checked out. The library is not responsible for any item left in a carrel.

Fax - Students, faculty and staff can send and receive faxes in the library. You will be notified by phone or email if you have received a fax. Unclaimed faxes will be sent to the mailroom for distribution. For help using the fax machine, ask the circulation assistant. A per page amount is charged for long distance faxes and international faxes.

Interlibrary Loan - Interlibrary Loan (ILL) services are available to Wartburg students, faculty and staff for materials we do not own and which are not available at any other Dubuque area library. The purpose of Interlibrary Loan is to provide access to materials for class research only which are not available locally. Requests for both books and articles may be requested through our online library catalog or may be emailed to library@wartburgseminary.edu. Requests for books from the Charles C. Myers Library of the University of Dubuque may also be requested in the same way. Requests usually take one to two weeks to fill. Interlibrary Loan for other material may be obtained by contacting the local public library.

Workshops and individual tutorials - Workshops are offered to the Wartburg community on research techniques, the use of the online catalog, the computer resources available, and the use of the Internet for research. Individual help is also available.

Network instruction - Library staff will help with initial network logins and instruction about the network and wireless.

3.11.2 Copyright Issues – Video and Other Multimedia Resources
Students of Wartburg Theological Seminary will adhere to all copyright rules and regulations in and outside of the classroom and seminary facilities.

Students are to be aware that “pre-recorded videos, whether purchased or rented, are [generally labeled] for home/private use only. Private showings are considered to be for a ‘normal circle of family and its social acquaintances.’” This would cover viewing of videos in your living quarters.

“All other showings of home videos – such as at church [or in a common area of the seminary] – are deemed ‘public’ and ‘subject to copyright control.’ Students cannot show “home/private use only” videos at group meetings, youth group gatherings, exercise meetings, or at fellowship sessions.

“The only exception [to ‘home/private use only’] is under certain, narrowly defined instances, referred to as ‘face-to-face teaching activities,’ which applies to full-time, non-profit, academic institutions only. Because of this full-time, non-profit status requirement Sunday schools and daycare centers do not qualify,” but classroom use at Wartburg Theological Seminary would apply.

For more information visit the Motion Picture Licensing Corp. web site at http://www.mplc.org.

Reu Library provides a photocopy machine for patron use, especially for copying or scanning articles from periodicals, newspapers, and other materials that do not circulate outside the library. Most materials are covered under U.S. copyright laws. As a general rule, it is legal to make one copy for individual use. Making multiple copies or distributing scanned materials via email or the common drive, such as for congregational or class use, is generally not legal. More extensive guidelines are available in the library if you have questions.

3.12 Disabilities

3.12.1 Disability Accommodation Requests

Any student who feels s/he may need an accommodation based on the effect of a disability should contact Dr. Ann Fritschel (afritschel@wartburgseminary.edu or (563)589-0308) to coordinate reasonable accommodations for documented disabilities. Wartburg encourages you to self-identify after admission to Wartburg Theological Seminary, and prior to the start of the term. Please give us the necessary lead time to meet with you, discuss your accommodation needs, and complete Wartburg’s Seminary Accommodations Request Form.

3.12.2 Accommodation Policy for Individuals with Disabilities

Wartburg Theological Seminary approved by The Wartburg Faculty & President’s Cabinet Fall 2005

Acknowledgement
Wartburg Theological thanks Loras College (Dubuque, Iowa), and, in particular, Dianne Gibson, Learning Disabilities Program Director at Loras College. The Wartburg Seminary policy was derived almost entirely from the May 2004 version of Loras College’s document, Policies for Access for Individuals with Disabilities. Dianne Gibson served as a resource person to Wartburg Seminary during the development of our policy.

In the Loras College Document, the following acknowledgements were provided, repeated here for completeness:

In March, 2001, Dr. L. Scott Lissner, the ADA Officer/Coordinator at Ohio State University presented a workshop to assist colleges in developing policies affecting students with disabilities. At this workshop sponsored by the Illinois/Iowa Chapter of AHEAD, the Association on Higher Education and Disability (ILLOWA/AHEAD), Dr. Lissner provided the attendees with a framework for policy development and sample policy statements. I want to thank Dr. Lissner for his thoughtful, comprehensive approach to developing policies and procedures and acknowledge that his words and structure are the basis of this document.

Dianne Gibson, L.D. Program Director, Loras College, Spring, 2003

Wartburg Theological Seminary is committed to the inclusion of all individuals and to the principle of individual rights and responsibilities. To this end, policies and procedures aim to ensure all reasonable accommodations so that persons with documented disabilities will not, on the basis of that disability, be denied equal access to programs (academic, co-curricular, or employment), activities, benefits, or services, or otherwise be subjected to discrimination under programs or activities offered by Wartburg Theological Seminary.

This policy was developed to ensure access at Wartburg Theological Seminary for individuals with disabilities and to ensure full compliance with all pertinent Federal, State, and local legislation.

3.12.3 Rights and Responsibilities

In order to ensure the full translation of the Accommodation Policy for Individuals with Disabilities into policies and procedures, two important areas of rights and responsibilities have to be considered: (a) The right of the individual to be included on the basis of criteria that does not unfairly discriminate because of the disability and (b) the right of the seminary to set and maintain standards for admitting and evaluating the progress of students.

To assure full consideration of both areas, this document outlines the rights and responsibilities of Wartburg Theological Seminary and the rights and responsibilities of students who have disabilities.

Note: The following policy addresses the rights and responsibilities of students with learning disabilities and AD/HD (hereafter AD/HD refers to all attention deficit disorders). However, any student with a documented disability can request accommodations and the ADA Compliance Officer for the Seminary, can request that the seminary assist in the provision of these services. Therefore, many of the policies in this document are applicable to all qualified students with disabilities who apply to or are admitted to the seminary.

3.12.4 Philosophy of the Program
We believe that qualified students with learning disabilities at Wartburg Theological Seminary have the right to a quality graduate education. The federal laws that pertain to post-secondary education are Subpart E, 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (See Appendix). Facing the same demands as other students at the seminary, students with documented disabilities are provided accommodations and support services appropriate to their needs.

Wartburg Theological Seminary recognizes the dignity of students with disabilities and challenges them to grow in the supportive environment offered by the seminary, developing the skills associated with active learners, reflective thinkers, ethical decision makers and responsible contributors to the seminary community.

3.12.5 Staffing

The staff consists of the ADA Compliance Officer, Dr. Ann Fritschel, working in conjunction with the Wartburg Seminary faculty and administration, to carry out support services for students with disabilities. Within this document, the above-named staff members are referred to as “designated seminary staff.”

3.12.6 Services

Mandated Services are those accommodations required by law and available at no additional charge to students who submit the appropriate documentation. Examples of these accommodations include note-takers, textbooks on tape, CD, and/or readers, a distraction-free test environment, and extended time for taking tests.

Beyond Mandated Services, other enhanced supports may be available at cost (e.g., peer tutors).

3.12.7 Scanning Guidelines for students with Documented Learning Disabilities

Wartburg Theological Seminary (WTS) is ready and willing to help students with documented learning disabilities to succeed in their studies by helping to provide the necessary reading materials in a form they are able to access and use. Many resources are readily available to supply resources in an accessible format for students with learning disabilities (for example, Bookshare or Readings for the Blind and Dyslexic). Insofar as students need to have reading materials scanned, Wartburg will assist in the following ways.

1. Students are expected to purchase copies of textbooks to be scanned. This is a matter of compliance with copyright regulations.
2. WTS will scan required material from the books provided by the student. WTS will scan from books in the library collection only as necessary.
3. Students should limit the amount of reading material from recommended sources to the actual amount they intend to read in the semester.
4. Students should submit requests for scanned material at least two weeks in advance and should prioritize the scanning according to what is needed most immediately.
5. WTS encourages students who need larger print or oral reading of a text to procure an Electronic Reader (for example, Kindle Reader) to address their learning needs. Electronic readers can provide both for larger print and oral reading. Students with an Electronic Reader are encouraged to purchase books and other required materials for the Electronic Reader, wherever available.

### 3.13 Documentation of Other Disabilities

Students with disabilities other than ad/hd or learning disabilities need to submit the appropriate documentation to receive services. Qualified professionals will need to state the disability, present evidence of the impact the disability has on current functioning, and list and explain past accommodations and auxiliary aids that are needed.

### 3.13.1 Grievance and Appeals Procedure

An appeals process is available to students whose request for accommodations has been denied by a staff or faculty member.

**Informal Resolution**

The student, the person who denied the request, a designated seminary representative, and, if appropriate, the student’s advisor, meet to discuss the denial of the accommodation. (Note: The designated staff representative is responsible for arranging the meeting.) The meeting must take place within ten working days of the initial notification. The issue may be resolved at this level. However, if the issue is not resolved, the process moves to the formal appeal.

**Formal Appeal**

Students should consult their advisors in formulating formal written appeals. In all cases where a formal written appeal is filed, a record of all the proceedings shall be made and a permanent record maintained in the student's file. An issue may be appealed only once. (For more details, see “Procedure for Appeal of “Administrative Decisions” included in the Student Handbook.)

**Office of Civil Rights**

If the denial is upheld and the student is dissatisfied with the result, he or she may take the complaint to the Region VII Office of Civil Rights, U.S. Department of Health and Human Services, 601 East 12th Street - Room 353, Kansas City, MO 64106, Voice Phone (800) 368-1019, FAX (816)426-3686, TDD (800)5377697; or website: [http://www.hhs.gov/ocr/office/about/rgn-hqaddresses.html](http://www.hhs.gov/ocr/office/about/rgn-hqaddresses.html)
3.13.2 Rights and Responsibilities of Students, Instructors, Staff, and Faculty

3.13.2.1 Student Rights

Students with documented disabilities are first and foremost students of Wartburg Theological Seminary, experiencing the same rights and responsibilities as other students, including the responsibility to meet and maintain the academic standards of the seminary.

Additionally, students with disabilities have the right to:
• Have their disability documentation held confidentially by designated seminary staff.
• Choose to whom information about their disabilities will be disclosed.
• Be treated with respect and honesty.
• An equal opportunity to learn.
• An equal opportunity to participate in and benefit from the academic community, which includes access to services, benefits, honors, co-curricular activities, housing and transportation that are comparable to those provided to any other student.
• Reasonable modifications or accommodations in aspects of their educational experiences such as location, delivery system, or instructional methodologies.
• Information regarding the availability of auxiliary aids and possible modifications or accommodations, as well as procedures for making requests for either.
• Have accommodation requests honored in a timely manner by faculty and staff.
• Be informed of procedures for initiating an appeal of a decision regarding auxiliary aids, modifications or accommodations, through both internal and external channels.
• Information about how to access and use accommodations appropriately.

3.13.2.2 Student Responsibilities

Students with disabilities have the responsibility to:
• Meet the requirements of their chosen program or course of study.
• Advocate for their own individual needs and to seek counsel, information and assistance as necessary to be effective self-advocates.
• Self-identify their disability and provide professional and appropriate documentation of the disability.
• Demonstrate or document how their disabilities limit their ability to benefit from a particular delivery system, instructional method or evaluation criteria when they make a request for a modification or accommodation.
• Consult with designated seminary staff to discuss appropriate accommodations.
• Consult with faculty, preferably at the beginning of each semester, to discuss accommodation needs.
• Arrange exam accommodations with faculty well in advance of exam dates.
• Notify designated seminary staff if requested accommodations are not being provided or are not effective.
• Treat designated seminary staff with respect.
• Attend class regularly and report their progress honestly.
• Contact peer tutors and set up times and places to meet once designated seminary staff has made the student aware of the name and phone number of the tutor contracted to serve him or her (recognizing a cost to the student may be incurred).
• Pay for lost or damaged equipment loaned from the Seminary.
• Follow published procedures for filing an appeal.
3.13.2.3 Wartburg Theological Seminary Rights

Wartburg Theological Seminary recognizes the need to ensure the rights of individuals with disabilities to full participation in its programs while at the same time maintaining the academic standards that are fundamental to providing quality academic programs.

To meet this obligation, the seminary has the right to:
- Identify and establish the abilities, skills and knowledge necessary for success in its programs and to evaluate applicants and students on this basis.
- Identify and establish the abilities, skills and knowledge that are fundamental to academic programs/courses and evaluate each student’s performance against these standards. Fundamental program and course standards are not subject to modifications.
- Select among equally effective modifications for individuals with a disability.
- Refuse an unreasonable modification or one that imposes an undue hardship on the seminary.
- Request and review documentation that supports requests for modifications. Wartburg Theological Seminary has a right to deny a request if the documentation demonstrates that no modification is necessary, or if the individual fails to provide such documentation.

3.13.2.4 Wartburg Theological Seminary Responsibilities

The seminary is also responsible for making reasonable accommodations for a student with a disability. In particular, the seminary has the responsibility to:
- Ensure that its recruitment information, recruitment activities, and communications are available in accessible formats and facilities.
- Evaluate applicants solely on their abilities. If an evaluation method or criterion unfairly discriminates against an applicant with a disability, Wartburg Theological Seminary will seek reasonable alternatives.
- Ensure that all of its programs, including but not limited to academic offerings, housing, and student organizations are accessible and usable when viewed in their entirety.
- Adjust, substitute, or waive any academic requirements that unfairly discriminate against a student with a disability and that are not essential to the integrity of the student’s academic program.
- Make reasonable modifications for a student with a disability in the delivery, instructional method, and evaluation system of a course.
- Inform its applicants and students about the availability of auxiliary aids and the range of possible modifications as well as the procedures for requesting them. If a request for a modification is denied, Wartburg Theological Seminary has the responsibility to inform the individual of his or her right to appeal the decision and the procedures for initiating an appeal.

3.13.2.5 Staff Rights

In working with students with disabilities, the designated seminary staff has the right to:
- Require and review professional and appropriate documentation of a student’s disability, and to obtain clarification of the diagnosis, limitations, and accommodation needs if necessary.
- Deny a request for accommodations if the documentation provided by a student does not demonstrate the need for accommodation or if an individual fails to provide appropriate documentation.
- Discuss questions regarding the appropriateness or feasibility of an accommodation with faculty and the student when necessary.
- Refer a student who is experiencing a physical or mental problem requiring professional attention.
3.13.2.6 Staff Responsibilities

To ensure that students with disabilities are served appropriately, designated seminary staff has the responsibility to:
• Consider the effect of a student’s disability on his/her ability to access programs, services, and activities.
• Identify, through examination of documentation and discussion with the student, reasonable modifications or accommodations.
• Answer faculty and student questions regarding accommodation needs and requests.
• Facilitate equal access to Wartburg Theological Seminary programs and services for students with disabilities.
• Maintain all professional disability documentation in confidential files and release this documentation to designated individuals only with the student’s written request or permission.

3.13.2.7 Wartburg Theological Seminary Faculty Rights

Faculty at Wartburg Theological Seminary has the right to:
• Ask for evidence that documentation for a student’s disability is on file with the designated seminary staff.
• Require that students with disabilities meet all program/course requirements and standards.
• Consult with the student and/or designated seminary staff members about requested accommodations.

3.13.2.8 Wartburg Theological Seminary Faculty Responsibilities

Along with their rights with regard to teaching students with disabilities, Wartburg Theological Seminary Faculty has the responsibility to:
• Provide identified students full and equal access to participate in Wartburg Theological Seminary programs and activities.
• Cooperate with students and the designated seminary staff in providing authorized accommodations in a fair and timely manner, as long as the accommodations do not alter the fundamental nature of the course or program. Faculty will also include the following statement about accommodations in all syllabi: It is seminary policy to provide, on a flexible and individualized basis, reasonable accommodations to students who have documented disability conditions that may affect their ability to participate in course activities or to meet course requirements. Students are responsible for informing their instructor of any documented disability by the end of the first week of class or upon subsequent diagnosis. Documentation on disability conditions is to be kept on file with the designated seminary staff person.
• Contact the student and/or designated seminary staff with any questions or problems regarding requested accommodations.
• Respect the confidential nature of a student’s disability.

The Americans with Disabilities Act (ADA) forbids faculty from questioning whether a documented disability exists or requesting to examine a student’s disability documentation if the student does not grant him/her the permission to do so.
3.13.3 Student Records

The records kept for students include the documentation of the disability, a copy of pertinent application materials, and notes kept by the designated seminary staff person. These records will be kept separate from official academic records. Students receiving Mandated Services have application materials and documentation of their disability on file. The appendices to this handbook include Wartburg Theological Seminary documents that are approved separately from the handbook and current statements of policies that are mandated by our participation in federal loan programs. These appendices are updated as necessary, without using the formal procedure for amending this handbook.
4.0 Appendix A - Accommodations for Learning Disabilities

4.1 Appendix to the Accommodation Policy

4.1.1 Requirements under Federal Law

Subpart E, Section 504 of The Rehabilitation Act of 1973

General Treatment of Students
- Notice of non-discrimination and availability of accommodations.
- Institution may not exclude qualified students with disabilities from any course, course of study, or other sponsored activity.
- Programs or activities not wholly operated by the institution but used in conjunction with institutionally sponsored programs must provide an equal opportunity for participation by qualified students with disabilities.
- All programs (curricular and co-curricular) must be accessible when viewed as a whole.
- Programs and services must be operated to allow participation by students with disabilities in the most integrated setting possible.
- Appointment of a compliance officer.
- Establish grievance procedures.

Admissions and Recruitment
- The institution may not use any test or criterion for admission that has a disproportionate, adverse effect on individuals with disabilities.
- Admission and recruitment information must be available in accessible formats.
- Admission and recruitment activities must be held in accessible locations.
- Quotas for admissions of students with disabilities are prohibited.
- Preadmission inquiries concerning disabilities are prohibited.

Academic Adjustments
- Institutions must make modifications to academic requirements as necessary to ensure that such requirements do not discriminate or exclude students on the basis of disability.
- Evaluations of student performance, including course examinations, must be provided with appropriate accommodations to ensure that the evaluation represents a student’s achievement rather than reflecting the impact of a student’s disability.
- Institutions are responsible for ensuring that students with disabilities are not denied access to the benefits of any sponsored program or activity because of the absence of auxiliary aids or services.

Physical Education and Athletics
- Institutions must offer equal opportunity for participation in physical education courses, intercollegiate athletics or intramural athletics to students with disabilities.

Housing
- An institution that provides housing to its students must provide comparable, convenient and accessible housing to students with disabilities at the same cost as to others.

Financial/Employment Assistance to Students
- Institutions may not limit eligibility for or provide less financial assistance to students on the basis of disability.
Institutions are prohibited from assisting any outside agency, organization or person in providing employment opportunities to its students if such opportunities are not made available to all students, regardless of disability.

**Counseling Services**
- Counseling services, including personal, academic, and career counseling, must be provided without discrimination on the basis of disability.

**Social Organizations**
- An institution that provides significant assistance to fraternities, sororities, or similar organizations shall assure themselves that the membership practices and activities of such organizations do not deny participation on the basis of disability. Title V of the Rehabilitation Act of 1973 is generally regarded as the first national “civil rights” legislation for persons with disabilities. Section 504 of the Act is a program access statute. It requires that no otherwise qualified person with a disability be denied access to, the benefits of, or be subjected to discrimination by any program or activity provided by any institution or entity receiving federal financial assistance. Subpart E of Section 504 deals specifically with institutions of higher education. It requires that an institution, whether public or private, be prepared to make appropriate academic adjustments and reasonable modifications to policies and practices in order to allow the full participation of students with disabilities in the same programs and activities available to non-disabled students.

### 4.2 General Requirements under the Americans with Disabilities Act of 1990

- No exclusion on the basis of disability.
- Notice of non-discrimination and availability of accommodations.
- No discrimination through eligibility criteria.
- Modification in policies, practices, and procedures to ensure non-discrimination and accessibility.
- Examinations and courses must be accessible.
- General services and programs must be accessible.
- Participation in the most integrated setting.
- Surcharges to cover the costs of accessibility may not be imposed solely on persons with disabilities.
- No discrimination through contract.
- Appointment of a compliance officer.
- Establish grievance procedures.

The Americans with Disabilities Act (ADA) of 1990 reinforced the provisions of the Rehabilitation Act by requiring that all public facilities, services, and communications be accessible to persons with disabilities and that auxiliary aids and services be provided unless an undue burden would result. The ADA does not require universities to lower academic standards or fundamentally alter the nature of the programs provided.

The Relationship of The Ada to Section 504: - The ADA does not replace Section 504 of the Rehabilitation Act. Where jurisdiction and standard of access of the two Acts overlap the Department of Justice and the Department of Education’s Office of Civil Rights have agreed that complaints will be evaluated and pursued under Section 504 regulations and case law. Where the ADA calls for a higher standard of Access, complaints will be pursued by the Department of Justice under the ADA.
The Relationship Of Federal To State Legislation - The ADA and Section 504 establish minimum accessibility and non-discrimination guidelines. Both Acts defer to any State or local legislation that requires a higher standard.

4.3 Documentation of Learning Disability

Documentation of a student’s learning disability, submitted by the student to Wartburg Theological Seminary, must be comprehensive and establish that a substantial limitation in a major life activity currently exists for the individual.

4.4 Documentation of Attention Deficit Hyperactivity Disorder (AD/HD) or Attention Deficit Disorder (ADD)

• To be sure that documentation of AD/HD or ADD demonstrates an impact on a major life activity, supports the request for accommodations, academic adjustments, and/or auxiliary aids, and is appropriate to verify eligibility, the following guidelines are offered: A qualified person should conduct the evaluation. Such persons include psychologists, neuropsychologists, psychiatrists, and medical doctors who have comprehensive training in the differential diagnosis of AD/HD.
  • The name, title, and professional credentials of the evaluator should be included and all reports should be on letterhead, typed, dated, and signed by the evaluator.
  • The documentation should be current, usually within the past three years.
  • The documentation should be comprehensive, complete with information about onset of early impairment and evidence of current impairment with alternative diagnoses or explanations ruled out, relevant testing information provided, DSM-IV criteria, a specific stated diagnosis identified, and a well written interpretive summary.

Each accommodation recommended by the evaluator should include a rationale for that determination.
5.0 Appendix B - Information Regarding Alcohol and Drugs

5.1 Wartburg Associated Students’ Statement on Responsible Alcohol Use at WAS Sponsored Events

Alcohol Use at WAS Sponsored Events

Introduction

Wartburg Associated Students (WAS) is committed to maintaining an environment conducive to healthy lifestyles, including the academic and personal development of all members of the Wartburg community. Members of this community are accountable for their own actions and are expected to make responsible, lawful decisions regarding the use of alcohol. Understanding that Wartburg Theological Seminary has the ultimate authority to determine the specific institutional events in which alcoholic beverages are consumed on seminary property, this statement addresses how WAS will operate regarding the use of alcohol at WAS sponsored events.

Statement

Alcohol should be used only in ways which are lawful and do not harm or degrade individuals or the community. WAS encourages responsible behavior for those individuals who consume alcohol and respects the rights of individuals who choose to consume alcohol. Consistent with these rights, WAS will encourage responsible decision-making regarding the consumption of alcoholic beverages. WAS recognizes that some individuals have difficulty with alcohol because they are chemically dependent. Although this body has an interest in helping those individuals, it neither ensures the safety of nor protects those individuals from the consequences of their actions.

Safety

Drinking activities that are potentially dangerous, such as “chugging” of alcoholic beverages, competitive drinking activities, and activities that employ peer pressure to force participants to consume alcohol are discouraged. Alcohol should not be used as an award or prize.

Supervision and Compliance

When alcoholic beverages are served at a social function, WAS should ensure compliance with all the applicable laws, ordinances, and rules governing the distribution, possession, and consumption of alcoholic beverages. Self-service bars are discouraged. This includes those events in which alcohol will be provided for guests and events that are BYOB. It is strongly encouraged that a person(s) be assigned to distribute and control the amount of alcohol served to guests and should themselves refrain from drinking before and during this service. Non-alcoholic beverages and food should be provided whenever alcohol is being served. They should be displayed as prominently as the alcohol and should be made available in appropriate quantities depending on the number of people in attendance.

The quantity of alcohol provided at an event should be proportionate to the number of people of legal drinking age expected in attendance and the duration of the activity.

WAS should ensure that a reminder to drink responsibly is posted at all events in which alcohol is being served.
WAS must not violate the Iowa State Liquor laws. For the purchase of alcohol, WAS budget funds may be used for the alcohol purchased for use during WAS sponsored events. However, no additional fee may be collected, in ANY form, to cover the cost of the alcohol purchase. This includes, but is not limited to, ANY designation (e.g. wrist bands, stamps, etc.) indicating admittance into an event where alcohol is served. Such designation may indicate a charge for the alcohol available even if such alcohol is not consumed by the wearer of such designating mark.

No alcohol will be served to a guest under age 21. A designation of those 21 years and older who are consuming alcohol, is encouraged. Again, this designation should not be linked with any financial transaction for the privilege of such consumption.

All individuals must comply with the laws of the State of Iowa, the ordinances of the City of Dubuque, and the policies of Wartburg Theological Seminary. It is the duty and responsibility of WAS to comply with all applicable laws and seminary regulations.

All coordinators of WAS events should heed these recommendations understanding that failure to do so risks legal and institutional punishment.

See also The EIIA Guidelines and Best Practices for Hosting Social Events with Alcohol Beverages as found in Appendix VII of the WAS Co-President Handbook for additional information.

123.30.3.a This law regards the sale of alcohol at non-profit institutions. The selling of alcohol by non-profit organizations requires a class "A" liquor license, which WAS does not currently hold. As a result, WAS should not use proceeds from the event to pay for the alcohol as this would be constructive sales and be in violation of the law. No additional fees for alcohol should be collected; and solicited or suggested donations should not exceed the cost of food, non-alcoholic beverages, and hospitality services of the event.

5.2 Drug Prevention Information

The Drug-Free Schools and Campuses Act, enacted August 16, 1990, mandates that all institutions of higher education which receive Federal Student Aid Funds must certify that they have adopted and implemented a drug prevention program. The following information is provided for the student body with this Act in mind. Much of the following information was sourced from www.dea.gov/factsheets. Visit this site for specific information about drugs within broad categories.

Alcohol Effects

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are a greater risk than other youngsters of becoming alcoholics.

Narcotics

Among the hazards of illicit drug use is the ever-increasing risk of infection, disease, and overdose. Medical complications common among narcotic abusers arise primarily from adulterants found in street drugs and in the non-sterile practices of injecting. Skin, lung, and brain abscesses, endocarditis (inflammation of the lining of the heart), hepatitis, and AIDS are commonly found among narcotic abusers. While pharmaceutical products have a known concentration and purity, clandestinely produced street drugs have unknown compositions. Since there is no simple way to determine the purity of a drug that is sold on the street, the effects of illicit narcotic use are unpredictable and can be fatal. Physical signs of narcotic overdose include constricted (pinpoint) pupils, cold clammy skin, confusion, convulsions, severe drowsiness, and respiratory depression (slow or troubled breathing). Most narcotic deaths are a result of respiratory depression.

Stimulants

Stimulants are diverted from legitimate channels and clandestinely manufactured exclusively for the illicit market. They are taken orally, sniffed, smoked, and injected. Smoking, snorting, or injecting stimulants produce a sudden sensation known as a "rush" or a "flash." Abuse is often associated with a pattern of binge use--sporadically consuming large doses of stimulants over a
short period of time. Heavy users may inject themselves every few hours, continuing until they have depleted their drug supply or reached a point of delirium, psychosis, and physical exhaustion. During this period of heavy use, all other interests become secondary to recreating the initial euphoric rush. Tolerance can develop rapidly, and both physical and psychological dependence occur. Abrupt cessation, even after a brief two- or three-day binge, is commonly followed by depression, anxiety, drug craving, and extreme fatigue known as a "crash."

**Depressants**

Depressants will put you to sleep, relieve anxiety and muscle spasms, and prevent seizures.

Barbiturates are older drugs and include butalbital (Fiorina), phenobarbital, Pentothal, Seconal, and Nembutal. A person can rapidly develop dependence on and tolerance to barbiturates, meaning a person needs more and more of them to feel and function normally. This makes them unsafe, increasing the likelihood of coma or death.

Benzodiazepines were developed to replace barbiturates, though they still share many of the undesirable side effects including tolerance and dependence. Some examples are Valium, Xanax, Halcion, Ativan, Klonopin, and Restoril. Rohypnol is a benzodiazepine that is not manufactured or legally marketed in the United States, but it is used illegally.

Lunesta, Ambien, and Sonata are sedative-hypnotic medications approved for the short-term treatment of insomnia that share many of the properties of benzodiazepines. Other CNS depressants include meprobamate, methaqua-lone (Quaalude), and the illicit drug GHB.

**Cannabis**

Marijuana is a mind-altering (psychoactive) drug, produced by the Cannabis sativa plant. Marijuana contains over 480 constituents. THC (delta-9-tetrahydrocannabinol) is believed to be the main ingredient that produces the psychoactive effect. Cannabis products are usually smoked. Their effects are felt within minutes, reach their peak in 10 to 30 minutes, and may linger for two or three hours. The effects experienced often depend upon the experience and expectations of the individual user, as well as the activity of the drug itself. Low doses tend to induce a sense of well-being and a dreamy state of relaxation, which may be accompanied by a more vivid sense of sight, smell, taste, and hearing, as well as by subtle alterations in thought formation and expression. This state of intoxication may not be noticeable to an observer. However, driving, occupational, or household accidents may result from a distortion of time and space relationships and impaired motor coordination. Stronger doses intensify reactions. The individual may experience shifting sensory imagery, rapidly fluctuating emotions, fragmentary thoughts with disturbing associations, an altered sense of self-identity, impaired memory, and a dulling of attention despite an illusion of heightened insight. High doses may result in image distortion, a loss of personal identity, fantasies, and hallucinations.

**Hallucinogens**

Hallucinogens are found in plants and fungi or are synthetically produced and are among the oldest known group of drugs used for their ability to alter human perception and mood.

Taken in non-toxic dosages, these substances produce changes in perception, thought, and mood. Physiological effects include elevated heart rate, increased blood pressure, and dilated pupils. Sensory effects include perceptual distortions that vary with dose, setting, and mood. Psychic
effects include disorders of thought associated with time and space. Time may appear to stand still and forms and colors seem to change and take on new significance. This experience may be either pleasurable or extremely frightening. It needs to be stressed that the effects of hallucinogens are unpredictable each time they are used. There is a considerable body of literature that links the use of some of the hallucinogenic substances to neuronal damage in animals, and recent data support that some hallucinogens are neurotoxic to humans. However, the most common danger of hallucinogen use is impaired judgment that often leads to rash decisions and accidents.

Inhalants

Invisible, volatile substances found in common household products, e.g., felt tip markers, spray paint, air freshener, typewriter correction fluid, butane, computer cleaners, glue. that produce chemical vapors that are inhaled to induce psychoactive or mind altering effects.

Inhalants depress the central nervous system, producing decreased respiration and blood pressure. Users report distortion in perceptions of time and space. Many users experience headaches, nausea, slurred speech, and loss of motor coordination. Mental effects may include fear, anxiety, or depression. A rash around the nose and mouth may be seen, and the abuser may start wheezing. An odor of paint or organic solvents on clothes, skin, and breath is sometimes a sign of inhalant abuse. Other indicators of inhalant abuse include slurred speech or staggering gait, red, glassy, watery eyes, and excitability or unpredictable behavior. The chronic use of inhalants has been associated with a number of serious health problems. Sniffing glue and paint thinner causes kidney abnormalities, while sniffing the solvents toluene and trichloroethylene cause liver damage. Memory impairment, attention deficits, and diminished non-verbal intelligence have been related to the abuse of inhalants. Deaths resulting from heart failure, asphyxiation, or aspiration have occurred.

Steroids

Anabolic steroids are synthetically produced variants of the naturally occurring male hormone testosterone that are abused in an attempt to promote muscle growth, enhance athletic or other physical performance, and improve physical appearance.

Testosterone, nandrolone, stanozolol, methandienone, and boldenone are some of the most frequently abused anabolic steroids.

The long-term adverse health effects of anabolic steroid use are not definitely known. There is, however, increasing concern of possible serious health problems associated with the abuse of these agents, including cardiovascular damage, cerebrovascular toxicity, and liver damage.

Physical side effects include elevated blood pressure and cholesterol levels, severe acne, premature balding, reduced sexual function, and testicular atrophy. In males, abnormal breast development (gynecomastia) can occur. In females, anabolic steroids have a masculinizing effect, resulting in more body hair, a deeper voice, smaller breasts, and fewer menstrual cycles. Several of these effects are irreversible. In adolescents, abuse of these agents may prematurely stop the lengthening of bones, resulting in stunted growth. For some individuals, the use of anabolic steroids may be associated with psychotic reactions, manic episodes, feelings of anger or hostility, aggression, and violent behavior.
**Designer Drugs**

Recently, the abuse of clandestinely synthesized drugs has re-emerged as a major worldwide problem. These drugs are illicitly produced with the intent of developing substances that differ slightly from controlled substances in their chemical structure while retaining their pharmacological effects. These substances are commonly known as designer drugs and fall under several drug categories. The following section describes these drugs of concern and their associated risks.

Synthetic stimulants often referred to as “bath salts” are from the synthetic cathinone class of drugs. Synthetic cathinones are central nervous stimulants and are designed to mimic effects similar to those produced by cocaine, methamphetamine, and MDMA (ecstasy). These substances are often marketed as “bath salts,” “research chemicals,” “plant food,” “glass cleaner,” and labeled “not for human consumption,” in order to circumvent application of the Controlled Substance Analogue Enforcement Act. Marketing in this manner attempts to hide the true reason for the products’ existence—the distribution of a psychoactive/stimulant substance for abuse.

**Drugs of Concern**

Even though some substances are not currently controlled by the Controlled Substances Act, they pose risks to individuals who abuse them. The following section describes these drugs of concern and their associated risks.

**WHAT IS DXM?**

DXM is a cough suppressor found in more than 120 over-the-counter (OTC) cold medications, either alone or in combination with other drugs such as analgesics (e.g., acetaminophen), antihistamines (e.g., chlorpheniramine), decongestants (e.g., pseudoephedrine), and/or expectorants (e.g., guaifenesin). The typical adult dose for cough is 15 or 30 mg taken three to four times daily. The cough-suppressing effects of DXM persist for 5 to 6 hours after ingestion. When taken as directed, side effects are rarely observed.

Federal Student Aid Penalties for Drug Convictions

A federal or state drug conviction can disqualify a student for FSA funds. Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid. Students who became ineligible due to offenses that did NOT occur during such a period are eligible. Also, a conviction that was reversed, set aside, or removed from the student’s record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs.)

</table>

If the student was convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different, the student will be ineligible for the longer period. Schools must provide each student who becomes ineligible for FSA funds due to a drug conviction a clear and conspicuous written notice of his loss of eligibility and the methods whereby he can become eligible again.

A student regains eligibility the day after the period of ineligibility ends (i.e., for a 1st or 2nd offense); or when he or she successfully completes a qualified drug rehabilitation program that includes passing two unannounced drug tests given by such a program. Further drug convictions will make him ineligible again.

Students denied eligibility for an indefinite period can regain eligibility after completing any of the following options:

- 1) Successfully completing a rehabilitation program, as described below, which includes passing two unannounced drug tests from such a program;
- 2) Having the conviction reversed, set aside, or removed from the student’s record so that fewer than two convictions for sale or three convictions for possession remain on the record; or
- 3) Successfully completing two unannounced drug tests which are part of a rehab program (the student does not need to complete the rest of the program).

Qualified Drug Program Standards

A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:

- Be qualified to receive funds directly or indirectly from a federal, state, or local government program.
- Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company.
- Be administered or recognized by a federal, state, or local government agency or court.
- Be administered or recognized by a federally or state-licensed hospital, health clinic, or medical doctor.
Should a student become ineligible for Title IV aid due to a drug conviction, Wartburg Theological Seminary will provide a clear and conspicuous written notice of their loss of eligibility and the methods whereby eligibility can be regained.

5.3 Iowa Smoke Free Air Act

The “Iowa Smoke Free Air Act” became effective on Tuesday, July 1, 2008.

This law bans the smoking of tobacco in all indoor and outdoor spaces on our campus including: all Seminary property, parking lots (including if you are lighting up while sitting in your personal vehicle), Seminary vehicles (no matter if it’s on- or off-campus), apartments, houses, residence halls and seminary sidewalks. In essence, it is against the law to smoke tobacco on or in any Seminary property. The law does not prohibit smoking on public sidewalks around the Seminary. Public sidewalks surrounding the Seminary are those on Wartburg Place and Fremont Avenue.

Please be attentive to this law and help by informing anyone smoking on Seminary property that Iowa law prohibits this activity. The law takes a firm position concerning the failure to maintain a smoke-free campus community that will result in civil penalties, as well as other consequences, for both the individual and the Seminary.

For smokers, as well as friends and family who smoke, this law is not easy. Iowa is following national environmental and health pathways and is neither the first state, nor the last state, to regulate smoking in a comprehensive way. Please assist and cooperate with the Seminary to abide by this law.
