Wartburg Theological Seminary Annual Security Report – September 30, 2021

The Wartburg Theological Seminary Annual Campus Safety and Security Report & Fire Safety Report is published in September annually (by December 31, 2020 for the 2020-2021 academic year per change of date by Clery). This is the compliance document to the Federal Student Right to Know and Campus Security Act of 1990 also known as the Clery Act, with Higher Education Amendments.

What is the Clery Act?

Signed into law in 1990, the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All post-secondary public and private institutions participating in federal student aid programs must adhere to these regulations. The Clery Act was championed by Howard & Connie Clery after their daughter, Jeanne, was murdered at Lehigh University in 1986.

What is the Wartburg Theological Seminary (WTS) obligated to do?

To ensure compliance with the Clery Act, WTS must meet obligations in the following three broad categories: (1) policy disclosure; (2) records collection and retention; and (3) information dissemination.

- Policy Disclosure — WTS must provide the campus community and prospective students and prospective employees with accurate statements of current policies and practices regarding procedures for students and others to report criminal actions or other emergencies on campus, security of and access to campus facilities, and policies related to campus safety and crime statistics outlined by the Clery Act. WTS must provide the campus community and prospective students and prospective employees with accurate statements of current policies and practices regarding procedures for students and others related to fire safety and fire statistics outlined by the Clery Act.
- Records Collection and Retention — WTS is required to keep campus records of crimes reported on campus to campus security authorities, make a reasonable good faith effort to obtain certain crime statistics from appropriate law enforcement agencies to include in the annual security report and provide these statistics if requested to the public. WTS is required to keep campus records of fire statistics and include these statistics in the annual fire safety report and provide these statistics if requested to the public. WTS must report all of these statistics annually to the U.S. Department of Education.
- Information Dissemination — WTS must provide members of the campus community with information needed to make informed personal safety decisions, WTS must provide: 1) A “timely warning” of any Clery Act crime that represents an ongoing threat to the safety of students and employees including procedures and drills related to emergency and evacuation procedures; 3) Publish an annual security report and annual fire safety report, make the report available to all current students and employees, and ensure the annual security report is made available to prospective students and employees. The ASR and AFSR must contain the policy disclosures as

outlined by the Clery Act, crime and fire statistics as required by the Clery Act, an explanation of the Clery Act, by whom and how the ASR and AFSR are prepared and these reports must be published and distributed by October 1 annually (by December 31, 2020 for the 2020-2021 academic year per change of date by Clery).

By Whom and How is the WTS ASR and AFSR prepared?

The Director for Financial Aid and Student Services, prepares the ASR annually. This process begins in the summer with review of the requirements of the ASR per the Clery Act, collection and review of crime statistics, review and if needed, revision of policies related to campus safety and security, and then preparation, publishing and distribution of the report by Oct 1 annually (by December 31, 2020 for the 2020-2021 academic year per change of date by Clery). The Director for Financial Aid and Student Services submits campus statistics for both crime and fire to the US DOE security website by Oct 1 annually (by December 31, 2020 for the 2020-2021 academic year per change of date by Clery).

The Director for Financial Aid and Student Services, with the assistance of the Superintendent for Maintenance prepares the AFSR annually. This process begins in the summer with review of the requirements of the AFSR per the Clery Act, collection and review of fire statistics, review and if needed, revision of policies related to fire safety, and then preparation, publishing and distribution of the report by Oct 1 annually (by December 31, 2020 for the 2020-2021 academic year per change of date by Clery).

Where are the WTS ASR and AFSR posted on the WTS website?

SEMINARY CAMPUS SECURITY

Crime Awareness

Wartburg Theological Seminary is committed to providing a safe, secure, working and living environment for students and their families, members of faculty, and staff. The seminary is dedicated to the practice of fair and impartial enforcement of law, apprehension of violators, maintenance of order, protection of property, and provision of services to the seminary community.

Wartburg Seminary assumes the obligation to reduce the likelihood and opportunities for criminal activity in its community and attempts to be proactive in preventing crime. The seminary promotes the attitude that prevention of crime is the responsibility of everyone. (7) Special security personnel are not employed but the campus security authorities (CSAs) on campus are the Vice president for Admissions and Student Services, Superintendent of Maintenance, President, and Director of Financial Aid and Student Services. CSAs are responsible per their position for reporting crime information to the Vice president for Admissions and Student Services in a timely manner with confidentiality. (5) The seminary works harmoniously and confidentially with local law enforcement agencies in all matters of security relevant to the seminary community. (6)

Access to Wartburg Seminary buildings is available during scheduled school and working hours. At other times access is available only to authorized personnel. Security and access to Wartburg Seminary's on-campus housing follows: (3)

Residence Hall: All residents are given a key to their individual room, as well as the outside doors. Outside doors are locked 24/7 except during normal school hours throughout the academic year. It is up to the residents to lock their individual rooms and to not prop doors open or allow unknown individuals to enter the residence hall. Guests who are renting rooms in the residence hall are given a key to the outside doors, as well as to their individual guest rooms. Wartburg Theological Seminary only rents to guests who have some connection to the seminary or business on campus.

Other On-Campus Housing:

Blair Court Houses: All residents are given 1-2 sets of keys to their home. It is the responsibility of the residents to lock their homes.

Denver Court Houses: All residents are given 1-2 sets of keys to their home. It is the responsibility of the residents to lock their homes.

A Mendota outside key is available to all non-resident hall on-campus students by request through the business office. This allows access to Afton Lounge, Reformation Room, refectory, chapel, and meditation room.

Routine patrols by local police as well as vigilance by on-campus residents are utilized to maintain safety and security. All exterior locations including student housing areas are lighted during hours of darkness. Students should lock their cars. (4)

Be advised there are no off-campus student organizations connected with Wartburg Theological Seminary. (10) All seminary-owned student housing is located on the campus. Although Wartburg Seminary students are involved in many off-campus learning situations (internship, for example) the seminary cannot assume responsibility for their safety in all situations. However, the seminary does instruct students to report all off-campus occurrences of crime to the agency in whose jurisdiction the crime occurred and as soon as possible to report incidents to the President's Office. (7)

Crime Awareness Education

All students and employees are reminded of campus safety procedures and crime prevention and their individual responsibility for preventing and reporting incidents of crime through the annual security report, publication of policies and procedures in the respective handbooks, and at periodic meetings of students, faculty, and employees. (9)

Reporting Crime or Crime Related Incidents Policy Statement

Students, staff, and faculty members should report any law, safety, or security concerns at any time to campus security authorities (Vice president for Admissions and Student Services, Superintendent of Maintenance, President, Director for Financial Aid and Student Services, or to faculty or staff.) (1) Many staff and faculty work in roles with students as pastoral counselors for students and other faculty and staff. These pastors are encouraged to inform their counselee to report crimes on a voluntary, confidential basis. (8) Victims of any crime or witnesses to any criminal or crime-related activity should report the incident immediately. All reports will be handled in a confidential and professional manner. (2) When an incident or offense is reported, assistance will be given as needed to resolve the matter and identify the offender or hazard. The President in consultation if deemed appropriate with legal authorities/law enforcement, will disclose in a timely manner the results of a disciplinary proceeding for any violent crime or non-forcible sex offense. (14)

Procedure

For reporting any Clery crime (see crime statistics table at the end of the ASR) the following procedures are to be followed:

1. IF THE SITUATION IS AN EMERGENCY, TELEPHONE 911. (7)

2. The above offices or persons will take the following immediate action: Contact Dubuque Police, if necessary and not already done. Notify the Seminary President and initiate a local investigation by the seminary.
3. Appropriate action will be taken by police and/or the seminary.

Wartburg Seminary Drug and Alcohol Policy

The welfare and success of Wartburg Seminary depends on the physical and psychological health of all of its students, faculty, and staff. The abuse of drugs and alcohol poses a threat to all studying and working in this place. It is the responsibility of Wartburg Seminary to maintain a safe, healthful, and efficient working environment.

Policy Statement

The Drug-Free Schools and Campuses Act, enacted August 16, 1990, mandates that all institutions of higher education which receive Federal Student Aid Funds must certify that they have adopted and implemented a drug prevention program. Wartburg Seminary has therefore adopted the following policies:

1. Wartburg Theological Seminary permits students, faculty and staff and seminary guest of legal drinking age per state laws to possess and use alcoholic beverages on our campus. Alcohol possession, use, distribution or sale of alcoholic beverages to those who are underage is prohibited and will be subject to discipline, including possible dismissal. State underage drinking laws will be enforced. (11)

The unlawful possession, use, or distribution of illicit drugs by students or employees on our property, or as a part of our activities, is prohibited and will constitute grounds for possible dismissal. Federal and state drug laws will be enforced. (12)

2. Any student, staff, or faculty member under the influence of drugs or alcohol which impairs judgment, performance, or behavior while on Wartburg's premises will be subject to discipline, including possible dismissal.
3. Each student, staff, and faculty member, as a condition of employment, will agree to abide by the terms of this statement. Further, as required by the Drug-Free Schools and Campuses Act, Wartburg Seminary agrees to impose disciplinary sanctions upon students and employees, which may include expulsion or termination of employment, and referral for prosecution for violation of the standards of conduct.
4. As required by this law, WTS will annually distribute to students and employees a description of the applicable legal sanctions for the unlawful possession or distribution of drugs and alcohol and a list of the health risks associated with the use of illicit drugs and abuse of alcohol. (13 including the following)

Drug Free Schools and Campus Act of 1990

These policies, as well as the following two sections and Appendix C, are to comply with The Drug Free Schools and Campuses Act, enacted August 16, 1990, which mandates that all institutions of higher education which receive Federal Student Aid Funds must certify that they have adopted and implemented a drug prevention program.

Referral for Help

Wartburg Seminary seeks to retain valuable students and employees and maintain productivity by identifying personal drug or alcohol problems at early stages and motivating individuals to seek help with these problems. The seminary suggests confidential, off-campus, Dubuque counseling services: Turning Point Treatment Center (563) 589-8291 or SASC: Substance Abuse Services

Center (563) 582-3784. These organizations provide access to substance abuse evaluations and outpatient treatment programs.

If you are experiencing drug or alcohol related problems, or if your studying is affected by such problems, you may seek counseling and information at Turning Point or SASC. Your advisor or supervisor may refer you to a drug/alcohol abuse program when it is believed that some personal problem may affect your performance or behavior. Any disciplinary action or termination resulting from your problem could be suspended pending the outcome of the referral to a drug/alcohol abuse agency. Attendance in a program is not a substitute for actual correction of any unacceptable performance or behavior. You remain responsible for making a required improvement, whether or not you participate in the program.

The advisor or supervisor will request a report from the drug abuse agency about your participation only in the case of referral. This report will be limited to a confirmation that you have participated. With your consent, it may also indicate whether you have made satisfactory progress.

Except for the reports just mentioned, all contacts with the drug abuse agency will be treated in strict confidence. All records kept by the agency shall be kept for the exclusive use of that agency.

INFORMATION REGARDING ALCOHOL AND DRUGS

Wartburg Associated Students Statement on Responsible Alcohol Use at WAS Sponsored Events

Introduction

Wartburg Associated Students (WAS) is committed to maintaining an environment conducive to healthy lifestyles, including the academic and personal development of all members of the Wartburg community. Members of this community are accountable for their own actions and are expected to make responsible, lawful decisions regarding the use of alcohol.

Understanding that Wartburg Theological Seminary has the ultimate authority to determine the specific institutional events in which alcoholic beverages are consumed on seminary property, this statement addresses how WAS will operate regarding the use of alcohol at WAS sponsored events.

Statement

Alcohol should be used only in ways which are lawful and do not harm or degrade individuals or the community. WAS encourages responsible behavior for those individuals who consume alcohol and respects the rights of individuals who choose to consume alcohol. Consistent with these rights, WAS will encourage responsible decision-making regarding the consumption of alcoholic beverages.

WAS recognizes that some individuals have difficulty with alcohol because they are chemically dependent. Although this body has an interest in helping those individuals, it neither ensures the safety of nor protects those individuals from the consequences of their actions.

Drinking activities that are potentially dangerous, such as "chugging" of alcoholic beverages, competitive drinking activities, and activities that employ peer pressure to force participants to consume alcohol are discouraged. Alcohol is not to be given as an award or prize.

Supervision and Compliance

When alcoholic beverages are served at a social function, WAS should ensure compliance with all the applicable laws, ordinances, and rules governing the distribution, possession, and consumption of alcoholic beverages.

- Self-service bars are discouraged. This includes those events in which alcohol will be provided for guests and events that are BYOB. Person(s) assigned to distribute and control the amount of alcohol served to guests should refrain from drinking.
- Non-alcoholic beverages and food should be provided whenever alcohol is being served. They should be displayed as prominently as the alcohol and should be made available in appropriate quantities depending on the number of people in attendance. • The quantity of alcohol provided at an event should be proportionate to the number of people of legal drinking age expected in attendance and the duration of the activity.
- WAS should ensure that a reminder to drink responsibly is posted at all events in which alcohol is being served.
- WAS must not violate the Iowa State Liquor laws.
- No alcohol will be served to a guest under age 21.
- All individuals must comply with the laws of the State of Iowa, the ordinances of the City of Dubuque, and the policies of Wartburg Theological Seminary. It is the duty and responsibility of WAS to comply with all applicable laws and seminary regulations.

All coordinators of WAS events should heed these recommendations understanding that failure to do so risks legal and institutional punishment. See also The EIIA Guidelines and Best Practices for Hosting Social Events with Alcohol Beverages as found in Appendix VII of the WAS Co-President Handbook for additional information.

Alcohol policies provided by WTS' Representative at EIIA. These resources included policies from Iowa State University, and a statement from an unnamed theological seminary (which sites policies from Rice University, Vanderbilt University, University of Denver, University of North Carolina at Chapel Hill, and Tulane University).

¹ See also the statement "The Drug-Free Schools and Campus Act, 1990" found in the Wartburg Theological Seminary Student and Community Life Handbook.

The Drug-Free Schools and Campuses Act, enacted August 16, 1990, mandates that all institutions of higher education which receive Federal Student Aid Funds must certify that they have adopted and implemented a drug prevention program. The following information is provided for the student body with this Act in mind:

Alcohol Effects

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and

convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and the liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates that children of alcoholic parents are a greater risk than other youngsters of becoming alcoholics.

Narcotics

Among the hazards of illicit drug use is the ever-increasing risk of infection, disease, and overdose. Medical complications common among narcotic abusers arise primarily from adulterants found in street drugs and in the non-sterile practices of injecting. Skin, lung, and brain abscesses, endocarditis (inflammation of the lining of the heart), hepatitis, and AIDS are commonly found among narcotic abusers. While pharmaceutical products have a known concentration and purity, clandestinely produced street drugs have unknown compositions. Since there is no simple way to determine the purity of a drug that is sold on the street, the effects of illicit narcotic use are unpredictable and can be fatal. Physical signs of narcotic overdose include constricted (pinpoint) pupils, cold clammy skin, confusion, convulsions, severe drowsiness, and respiratory depression (slow or troubled breathing). Most narcotic deaths are a result of respiratory depression.

Stimulants

Stimulants are diverted from legitimate channels and clandestinely manufactured exclusively for the illicit market. They are taken orally, sniffed, smoked, and injected. Smoking, snorting, or injecting stimulants produce a sudden sensation known as a "rush" or a "flash." Abuse is often associated with a pattern of binge use--sporadically consuming large doses of stimulants over a short period of time. Heavy users may inject themselves every few hours, continuing until they have depleted their drug supply or reached a point of delirium, psychosis, and physical exhaustion. During this period of heavy use, all other interests become secondary to recreating the initial euphoric rush. Tolerance can develop rapidly, and both physical and psychological dependence occur. Abrupt cessation, even after a brief two- or three-day binge, is commonly followed by depression, anxiety, drug craving, and extreme fatigue known as a "crash."

Depressants

There are marked similarities among the withdrawal symptoms seen with most drugs classified as depressants. In the mildest form, the withdrawal syndrome may produce insomnia and anxiety, usually the same symptoms that initiated the drug use. With a greater level of dependence, tremors and weakness are also present, and in its most severe form, the withdrawal syndrome can cause seizures and delirium. Unlike the withdrawal syndrome seen with most other drugs of abuse, withdrawal from depressants can be life threatening.

Depressants will put you to sleep, relieve anxiety and muscle spasms, and prevent seizures.

Barbiturates are older drugs and include butalbital (Fiorina), phenobarbital, Pentothal, Seconal, and Nembutal. A person can rapidly develop dependence on and tolerance to barbiturates, meaning a person needs more and more of them to feel and function normally. This makes them unsafe, increasing the likelihood of coma or death.

Benzodiazepines were developed to replace barbiturates, though they still share many of the undesirable side effects including tolerance and dependence. Some examples are Valium, Xanax, Halcion, Ativan, Klonopin, and Restoril. Rohypnol is a benzodiazepine that is not manufactured or legally marketed in the United States, but it is used illegally.

Lunesta, Ambien, and Sonata are sedative-hypnotic medications approved for the short-term treatment of insomnia that share many of the properties of benzodiazepines. Other CNS depressants include meprobamate, methaqua-lone (Quaalude), and the illicit drug GHB

Cannabis

Cannabis products are usually smoked. Their effects are felt within minutes, reach their peak in 10 to 30 minutes, and may linger for two or three hours. The effects experienced often depend upon the experience and expectations of the individual user, as well as the activity of the drug itself. Low doses tend to induce a sense of well-being and a dreamy state of relaxation, which may be accompanied by a more vivid sense of sight, smell, taste, and hearing, as well as by subtle alterations in thought formation and expression. This state of intoxication may not be noticeable to an observer. However, driving, occupational, or household accidents may result from a distortion of time and space relationships and impaired motor coordination. Stronger doses intensify reactions. The individual may experience shifting sensory imagery, rapidly fluctuating emotions, fragmentary thoughts with disturbing associations, an altered sense of self-identity, impaired memory, and a dulling of attention despite an illusion of heightened insight. High doses may result in image distortion, a loss of personal identity, fantasies, and hallucinations.

Hallucinogens

Taken in non-toxic dosages, these substances produce changes in perception, thought, and mood. Physiological effects include elevated heart rate, increased blood pressure, and dilated pupils. Sensory effects include perceptual distortions that vary with dose, setting, and mood. Psychic effects include disorders of thought associated with time and space. Time may appear to stand still and forms and colors seem to change and take on new significance. This experience may be either pleasurable or extremely frightening. It needs to be stressed that the effects of hallucinogens are unpredictable each time they are used. There is a considerable body of literature that links the use of some of the hallucinogenic substances to neuronal damage in animals, and recent data support that some hallucinogens are neurotoxic to humans. However, the most common danger of hallucinogen use is impaired judgment that often leads to rash decisions and accidents.

Inhalants

Inhalants depress the central nervous system, producing decreased respiration and blood pressure. Users report distortion in perceptions of time and space. Many users experience headaches, nausea, slurred speech, and loss of motor coordination. Mental effects may include fear, anxiety, or depression. A rash around the nose and mouth may be seen, and the abuser may start wheezing. An odor of paint or organic solvents on clothes, skin, and breath is sometimes a sign of inhalant abuse. Other indicators of inhalant abuse include slurred speech or staggering gait, red, glassy, watery eyes, and excitability or unpredictable behavior. The chronic use of inhalants has been associated with a number of serious health problems. Sniffing glue and paint thinner causes kidney abnormalities, while sniffing the solvents toluene and trichloroethylene cause liver damage. Memory impairment, attention deficits, and diminished nonverbal intelligence have been related to the abuse of inhalants. Deaths resulting from heart failure, asphyxiation, or aspiration have occurred.

Steroids

Anabolic steroids are synthetically produced variants of the naturally occurring male hormone testosterone that are abused in an attempt to promote muscle growth, enhance athletic or other physical performance, and improve physical appearance. Testosterone, nandrolone, stanozolol, methandienone, and boldenone are some of the most frequently abused anabolic steroids. The long-term adverse health effects of anabolic steroid use are not definitely known. There is, however, increasing concern of possible serious health problems associated with the abuse of these agents, including cardiovascular damage, cerebrovascular toxicity, and liver damage. Physical side effects include elevated blood pressure and cholesterol levels, severe acne, premature balding, reduced sexual function, and testicular atrophy. In males, abnormal breast development (gynecomastia) can occur. In females, anabolic steroids have a masculinizing effect, resulting in more body hair, a deeper voice, smaller breasts, and fewer menstrual cycles. Several of these effects are irreversible. In adolescents, abuse of these agents may prematurely stop the lengthening of bones, resulting in stunted growth. For some individuals, the use of anabolic steroids may be associated with psychotic reactions, manic episodes, feelings of anger or hostility, aggression, and violent behavior.

Designer Drugs

Recently, the abuse of clandestinely synthesized drugs has re-emerged as a major worldwide problem. These drugs are illicitly produced with the intent of developing substances that differ slightly from controlled substances in their chemical structure while retaining their pharmacological effects. These substances are commonly known as designer drugs and fall under several drug categories. The following section describes these drugs of concern and their associated risks.

Synthetic stimulants often referred to as “bath salts” are from the synthetic cathinone class of drugs. Synthetic cathinones are central nervous stimulants and are designed to mimic effects similar to those produced by cocaine, methamphetamine, and MDMA (ecstasy). These substances are often marketed as “bath salts,” “research chemicals,” “plant food,” “glass cleaner,” and labeled “not for human consumption,” in order to circumvent application of the Controlled Substance Analogue Enforcement Act. Marketing in this manner attempts to hide the true reason for the products’ existence—the distribution of a psychoactive/stimulant substance for abuse.

Federal Student Aid Penalties for Drug Convictions

A federal or state drug conviction can disqualify a student for FSA funds. Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid. Students who became ineligible due to offenses that did NOT occur during such a period are eligible. Also, a conviction that was reversed, set aside, or removed from the student’s record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

The chart below illustrates the period of ineligibility for FSA funds, depending on whether the conviction was for sale or possession and whether the student had previous offenses. (A conviction for sale of drugs includes convictions for conspiring to sell drugs.)

	Possession of Illegal Drugs	Sale of Illegal Drugs
First offense	One year from date of conviction	Two years from date of conviction
Second offense	Two years from date of conviction	Indefinite period
Third plus offenses	Indefinite period	

If the student was convicted of both possessing and selling illegal drugs, and the periods of ineligibility are different, the student will be ineligible for the longer period. Schools must provide each student who becomes ineligible for FSA funds due to a drug conviction a clear and conspicuous written notice of his loss of eligibility and the methods whereby he can become eligible again.

A student regains eligibility the day after the period of ineligibility ends (i.e., for a 1st or 2nd offense); or when he or she successfully completes a qualified drug rehabilitation program that includes passing two unannounced drug tests given by such a program. Further drug convictions will make him ineligible again.

Students denied eligibility for an indefinite period can regain eligibility after completing any of the following options:

- 1) Successfully completing a rehabilitation program, as described below, which includes passing two unannounced drug tests from such a program);
- 2) Having the conviction reversed, set aside, or removed from the student’s record so that fewer than two convictions for sale or three convictions for possession remain on the record; or
- 3) Successfully completing two unannounced drug tests which are part of a rehab program (the student does not need to complete the rest of the program).

Qualified Drug Program Standards

A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:

- Be qualified to receive funds directly or indirectly from a federal, state, or local government program.
- Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company.

- Be administered or recognized by a federal, state, or local government agency or court.
- Be administered or recognized by a federally or state-licensed hospital, health clinic, or medical doctor.

Iowa Smoke Free Air Act

The "Iowa Smoke Free Air Act" became effective on Tuesday, July 1, 2008.

This law bans the smoking of tobacco in all indoor and outdoor spaces on our campus including: all Seminary property, parking lots (including if you are lighting up while sitting in your personal vehicle), Seminary vehicles (no matter if it's on- or off- campus), apartments, houses, residence halls and Seminary sidewalks. In essence, it is against the law to smoke tobacco on or in any Seminary property. The law does not prohibit smoking on public sidewalks around the Seminary. Public sidewalks surrounding the Seminary are those on Wartburg Place and Fremont Avenue.

Please be attentive to this law and help by informing anyone smoking on Seminary property that Iowa law prohibits this activity. The law takes a firm position concerning the failure to maintain a smoke-free campus community that will result in civil penalties, as well as other consequences, for both the individual and the Seminary.

For smokers, as well as friends and family who smoke, this law is not easy. Iowa is following national environmental and health pathways and is neither the first state, nor the last state, to regulate smoking in a comprehensive way. Please assist and cooperate with the Seminary to abide by this law.

Drug and Alcohol Abuse Prevention Biennial Review – School year 2020-2021

A biennial review which included an assessment of Wartburg Theological Seminary's drug and alcohol abuse prevention program was completed by Barb Roling, Director of Financial Aid and Student Services. The review entailed reviewing the requirements of the Department of Education Regulations for the Drug and Alcohol Prevention Program and the Drug-free Workplace requirements and Wartburg's prevention program was deemed to be in compliance with these requirements. Wartburg's policy is outlined in the student and community life handbook, the staff handbook, and the faculty handbook. Having had zero (0) drug or alcohol related incidences since the last biennial review, Wartburg Theological Seminary's drug and alcohol abuse prevention program was deemed to be effective and only requiring updates to the posted drug and alcohol incident statistics and the Biennial Review report. These changes have been made.

Wartburg has had zero (0) drug and alcohol related violation and zero (0) fatalities that occurred on campus or as a part of any of the school's activities since the 2013-14 biennial review. Wartburg has not had to impose any kind of sanctions for drug and alcohol-related violations and fatalities that occurred on campus or as part of any of the school's activities.

V. Definitions

1. Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time.

- a Lack of protest or resistance does not mean consent.
- b Silence does not mean consent.
- c The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

It shall not be a valid excuse that the Respondent believed that the Complainant affirmatively consented to the sexual activity if the Respondent knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:

- d The Complainant was asleep or unconscious.
- e The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant could not understand the fact, nature, or extent of the sexual activity.
- f The Complainant was unable to communicate due to a mental or physical condition.

In addition, it shall not be a valid excuse to alleged lack of affirmative consent that the Respondent believed that the Complainant consented to the sexual activity under either of the following circumstances:

- g The Respondent's belief in affirmative consent arose from the intoxication or recklessness of the Respondent.
- h The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the Complainant affirmatively consented.

2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment under this policy.

3. **Formal complaint** means a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual harassment against a Respondent and requesting that Wartburg Theological Seminary investigate the allegation of sexual harassment. At the time of filing a Formal Complaint, a Complainant must be participating in or attempting to participate in the education program or activity of Wartburg Theological Seminary with which the Formal Complaint is filed.

4. **Grievance Process** means the fact-finding process from the time of the filing of the Formal Complaint through the final determination of an appeal (if any).

5. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment under this policy.

6. **Supportive Measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to Wartburg Theological Seminary's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or Wartburg Theological Seminary's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. Supportive measures

may also include written notification about available services both within the institution and the community and options for available assistance as required by the Clery Act. Supportive measures are not disciplinary measures.

VI. Reporting Prohibited Sexual Harassment

4. **Notice of Allegations.** Wartburg Theological Seminary has notice of sexual harassment or allegations of sexual harassment under this policy when such conduct is reported to the Title IX Coordinator or any official of Wartburg Theological Seminary who has authority to institute corrective measures on behalf of Wartburg Theological Seminary. However, all employees are *required* to report sexual harassment, as defined and prohibited by this policy, to the Title IX Coordinator, consistent with the requests of the Complainant.

5. **Response to a Report.** With or without a Formal Complaint, upon a report of sexual harassment, the Title IX Coordinator will promptly contact the Complainant to discuss the availability of Supportive Measures, consider the Complainant's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive

Measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint.

6. **Information Packet.** Upon a receipt of a report of sexual assault, dating violence, domestic violence or stalking, Wartburg Theological Seminary shall provide an information packet (*section 2.11.2.5.8 and section 2.11.5.14 in the Student and Community Life Handbook*) that contains procedures to follow if a sex offense, domestic violence, dating violence, sexual assault, or stalking has occurred, including information in writing about—

- h. Information about appropriate and available services both at the institution and in the community

- i. Options for, available reasonably available assistance and accommodations and how to request them; and

7. **Implementation of Supportive Measures.** Wartburg Theological Seminary shall treat parties equitably by offering Supportive Measures to the Complainant, and by following a grievance process that complies with this policy before the imposition of any disciplinary sanctions or other actions that are not Supportive Measures as against the Respondent. Wartburg Theological Seminary will maintain as confidential any Supportive Measures provided to the Complainant or

Respondent, to the extent that maintaining such confidentiality would not impair the ability of Wartburg Theological Seminary to provide the Supportive Measures. The Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures. The Title IX

Coordinator should record and retain records regarding requests and provision of Supportive Measure in accordance with the requirements set out at XIV. Record Keeping, below.

8. **Emergency removal.** Nothing in this part precludes Wartburg Theological Seminary from removing a Respondent from Wartburg Theological Seminary education program or activity on an emergency basis, provided that Wartburg Theological Seminary undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal.
9. **Administrative Leave.** Wartburg Theological Seminary reserves the right to place a non-student employee Respondent on administrative leave during the pendency of a grievance process.

VII. Procedures for Resolving Complaints of Prohibited Sexual Harassment

1. Informal Resolution

Consistent with the requirements of this section, at any time prior to reaching a determination regarding responsibility Wartburg Theological Seminary may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that Wartburg Theological Seminary

- I. Provides to the parties a written notice disclosing:
 - i. The allegations,
 - ii. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint, and
 - iii. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.
- II. Obtains the parties' voluntary, written consent to the informal resolution process; and
- III. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- IV. Completes the informal resolution process within 60 days of receiving the Formal Complaint, unless unusual or complex circumstances exist.

Wartburg Theological Seminary does not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of Formal Complaints of sexual harassment under this policy. Wartburg Theological Seminary shall not require the parties to participate in an informal resolution process and will not offer an informal resolution process unless a Formal Complaint is filed.

2. Formal Complaint and the Grievance Process

- I. **Filing a Formal Complaint.** A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator above. A “document filed by a Complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by Wartburg Theological Seminary that contains the Complainant’s physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or otherwise a party. A Formal Complaint shall trigger an investigation except as specified below. The Formal Complaint should include the date(s) of the alleged incident(s), the name of the Respondent, and should describe the circumstances of the incident(s), where known.

- II. **Dismissal of a Formal Complaint.** Wartburg Theological Seminary shall investigate the allegations in a Formal Complaint, except as follows:
 1. **Mandatory Dismissal.** Wartburg Theological Seminary shall dismiss the Formal Complaint if the conduct alleged in the Formal Complaint:
 - i. would not constitute sexual harassment as defined by this policy, even if proved,
 - ii. did not occur in Wartburg Theological Seminary’s education program or activity,
 - iii. or did not occur against a person in the United States.
 - iv. This dismissal does not preclude action under another policy or procedure of Wartburg Theological Seminary.

 - a. **Discretionary Dismissal.** Wartburg Theological Seminary may dismiss the Formal Complaint or any allegations therein, if at any time during the investigation or hearing:
 - i. A Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
 - ii. The Respondent is no longer enrolled in or employed by Wartburg iii.
 - iii. Theological Seminary or Specific circumstances prevent Wartburg Theological Seminary from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

Upon a dismissal required or permitted under this section, Wartburg Theological Seminary will promptly send written notice of the dismissal and reason(s) therefore simultaneously to the parties.

Wartburg Theological Seminary may also refer the matter to the appropriate department for resolution under section 2.21.14 of the Student and Community Life Handbook.

III. Consolidation of Formal Complaints.

Wartburg Theological Seminary may consolidate Formal Complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one Complainant or more than one Respondent, references in this section to the singular “party,” “Complainant,” or “Respondent” include the plural, as applicable.

v. **Notice of Charges**

a. **Initial Notice of Charges.** Upon receipt of a Formal Complaint, prior to commencing the investigation, Wartburg Theological Seminary shall provide the following written notice to the parties who are known. This notice shall include:

1. This policy (as a link or attachment).
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment under this policy, and the date and location of the alleged incident, if known.
3. A statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process.
4. Notification to the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney.
5. Notification to the parties that they may inspect and review evidence, as set forth in this policy.
6. Any provision in Wartburg Theological Seminary's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.
7. Describes the standard of evidence that will be used. Throughout the investigation and subsequent determination of appropriate actions, all findings and conclusions shall be arrived at through preponderance of the evidence and shall be the standard of evidence adhered to by the investigator(s). Preponderance of the evidence is defined to be: the greater weight of evidence, not necessarily established by the greater number of witnesses testifying to a fact but by evidence that has the most convincing force; superior evidentiary weight that, though not sufficient to free the mind wholly from all reasonable doubt, is still sufficient to incline a fair and impartial mind to one side of the issue rather than the other. (Black's Law Dictionary, 9th edition) This may be referred to as 50% plus a feather.
(excerpt from 2.11.5.8 of the Student and Community Life Handbook.)
8. Lists all possible sanctions the institution may impose.
The Title IX coordinator shall then take appropriate action as required to ensure justice is done on behalf of both the complainant or victim, and the accused, according to the policy of the seminary. Appropriate action may include, but is not limited to, written reprimand of the

person against whom the complaint is made, suspension or dismissal of the student against whom the complaint or allegation is made, change of employment status and/or responsibilities, or any other appropriate action or sanction, at the discretion of the Title IX coordinator. Any appropriate action decided or implemented may be reported by the Title IX coordinator and will become a part of the personnel file of the individual against whom the complaint is made. *(excerpt from 2.11.5.8 of the Student and Community Life Handbook.)*

- vi. **Amended Notice of Charges.** If, in the course of an investigation, Wartburg Theological Seminary to investigate allegations about the Complainant or Respondent that are not included in the initial notice of charge, Wartburg Theological Seminary must provide notice of the additional allegations to the parties whose identities are known.

- vii. **Principles for the Grievance Process**

Under this grievance process, Wartburg Theological Seminary shall:

Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on Wartburg Theological Seminary and not on the parties, provided that Wartburg Theological Seminary cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless Wartburg Theological Seminary obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then Wartburg Theological Seminary must obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3).

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
 2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.
 3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the Complainant or Respondent in any meeting or grievance proceeding; however, Wartburg Theological Seminary may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.
1. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.

2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence— and provide that credibility determinations may not be based on a person’s status as a Complainant, Respondent, or witness.
3. Require that any individual designated as a Title IX Coordinator, investigator, decisionmaker, or any person to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual Complainant or Respondent. Wartburg Theological Seminary may use internal personnel or external parties in the informal resolution process or the grievance process, provided that they meet this requirement.
4. Include a presumption that the Respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
5. Use the following standard of evidence to determine responsibility for allegations in a Formal Complaint of sexual harassment: preponderance of the evidence standard.] The standard of evidence shall be the same for Formal Complaints against students as for Formal Complaints against faculty and staff.
6. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

viii. Extensions of the Grievance Process

The Title IX Coordinator may grant or deny requests from either party to temporarily delay the grievance process or may issue the limited extension of time frames for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action.

Good cause may include considerations such as the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

ix. Investigation of Formal Complaints

When investigating a Formal Complaint Wartburg Theological Seminary shall, within 30 days of receiving the Formal Complaint, unless unusual or complex circumstances exist:

- a. Engage in fact-gathering of all relevant facts. Credibility resolutions and fact-finding shall be conducted in the live hearing phase of the grievance process.
- b. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a Formal Complaint, including the evidence upon which Wartburg Theological Seminary does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.
- c. Prior to completion of the investigative report, send to each party and the party’s advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must

have at least 10 days to submit a written response, which the investigator will consider prior to completion of the investigative report.

- d. Make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
- e. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to a hearing or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

x. Live Hearings Under the Grievance Process

- 1. Requirement of a Live Hearing for Fact-Finding and Determining Responsibility.
 - i. Following the investigation, within 30 days of sending the final investigative report to the parties, unless unusual or complex circumstances exist Wartburg Theological Seminary shall conduct a live hearing for the purposes of determining responsibility for allegations of sexual harassment in the Formal Complaint.
 - ii. The decision-maker(s) cannot be the same person(s) as the Title IX Coordinator or the investigator(s).
 - iii. If a party does not have an advisor present at the live hearing, Wartburg Theological Seminary shall provide without fee or charge to that party, an advisor of Wartburg Theological Seminary's choice, who may be, but is not required to be, an attorney, to conduct cross examination on behalf of that party. Wartburg Theological Seminary is obligated to ensure each Party has an advisor, either of the Party's or Wartburg Theological Seminary's choice regardless of whether or not the Party is present at the hearing.
 - iv. Live hearings may be conducted with all parties physically present in the same geographic location or, at Wartburg Theological Seminary's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other.
 - v. At the request of either party, Wartburg Theological Seminary shall provide for the live hearing to occur with the parties located in separate rooms with technology enabling the decision-maker(s) and parties to simultaneously see and hear the party or the witness answering questions.
 - vi. Wartburg Theological Seminary shall create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the parties for inspection and review.
- 2. Questioning at the Live Hearing
 - i. At the live hearing, the decisionmaker(s) must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility.

- i.
- ii.
- iii.
- ii. Only relevant cross examination and other questions may be asked of a party or witness.
- iii. Cross examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally, notwithstanding Wartburg Theological Seminary's ability to otherwise restrict the extent to which advisors may participate in the proceedings.
- iv. Before the Complainant, Respondent, or witness answers a cross examination or other question, the decision-maker(s) must first determine whether the question is relevant. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant.
- v. Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

3. Use of Witness Statements

- i. If a party or witness does not submit to cross examination at the live hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility.
- ii. The decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross examination or other questions.

4. Written Determination of the Decision-Maker

- i. The decision-maker(s) shall issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the standard of evidence required by this policy. The written determination must include:
 - a. Identification of the allegations potentially constituting sexual harassment as defined by this policy;
 - b. A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - c. Findings of fact supporting the determination;

- d. Conclusions regarding the application of Wartburg Theological Seminary’s policy to the facts;
 - e. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and whether remedies designed to restore or preserve equal access to Wartburg Theological Seminary’s education program or activity will be provided to the complainant; and
 - f. The procedures and permissible bases for the Complainant and Respondent to appeal, as set forth in this policy.
- ii. Wartburg Theological Seminary shall provide the written determination to the parties simultaneously.
 - iii. The determination regarding responsibility becomes final either on the date that Wartburg Theological Seminary provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

IX. Appeals

Within 10 days of receiving the written determination, either party may appeal from a determination regarding responsibility, and from Wartburg Theological Seminary’s dismissal of a Formal Complaint or any allegations therein, on the following grounds:

Ground 1:Procedural irregularity that affected the outcome of the matter; Ground 2: New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

Ground 3:The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. As to all appeals, the Title IX Coordinator (or designee) shall:

- Notify the other party in writing immediately when an appeal is filed and implement appeal procedures equally for both parties;
- Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
- Ensure that the decision-maker(s) for the appeal complies with the standards set forth in this policy;
- Give the non-appealing party an opportunity to submit a written statement in response to the appeal within 10 days of receiving the appeal, which shall be transmitted within 2 business days to the Appeal Officer;

Within 20 days of receiving the appeal and the response, the Appeal Officer shall issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

X. Remedies and Sanctions

Remedies must be designed to restore or preserve equal access to Wartburg Theological Seminary's education program or activity. List the possible disciplinary sanctions and remedies that institution may implement following any determination of responsibility. The Title IX Coordinator is responsible for effective implementation of any remedies.

The Title IX Coordinator is responsible for effective implementation of any remedies.

XI. Retaliation Prohibited

No one may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right established by this policy or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of sexual harassment, for the purpose of interfering with any right under this Policy constitutes retaliation. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited under this section.

Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination available in the Student and Community Life Handbook:

XII. Retaliation

Retaliation of any kind against anyone filing a complaint or third-party report, or otherwise participates in the investigative and/or disciplinary process (e.g., as a witness), of sexual harassment, discrimination, or abuse is prohibited. The seminary will take a strong responsive action if retaliation occurs. Retaliation is to be reported to the Title IX coordinator:

Initiating a complaint of harassment will not affect a complainant's employment, compensation, or work assignment or, in the case of a student, grades, class selection, or any other matter pertaining to student status. Initiating a false claim may result in disciplinary action.

False accusations of harassment, discrimination, or abuse can seriously harm innocent people.

XIII. Confidentiality

Consistent with the requirements of this policy, Wartburg Theological Seminary shall keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. 1232g, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder

XIV. Required Trainings

The Title IX Coordinator, investigators, decision-makers, and any person who facilitates an informal resolution process (whether internal or external) shall receive training on the definition of sexual harassment under this policy, the scope of Wartburg Theological Seminary's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. These individuals shall receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Decision-makers shall receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant.

Investigators shall receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, will not rely on sex stereotypes and will promote impartial investigations and adjudications of Formal Complaints of sexual harassment.

XV. Recordkeeping.

Wartburg Theological Seminary shall maintain for a period of seven years records of— (A) Each sexual harassment investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript required under this policy, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to Wartburg Theological Seminary's education programs or activities; (B) Any appeal and the result therefrom; (C) Any informal resolution and the result therefrom; and (D) All materials used to train Title IX Coordinators, investigators, decisionmakers, and any person who facilitates an informal resolution process. A recipient must make these training materials publicly available on its website, or if the recipient does not maintain a website the recipient must make these materials available upon request for inspection by members of the public.

Wartburg Theological Seminary shall create, and maintain for a period of seven years, records of any actions, including any Supportive Measures, taken in response to a report or Formal Complaint of sexual harassment. In each instance, Wartburg Theological Seminary will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to Wartburg Theological Seminary's education program or activity. If Wartburg Theological Seminary does not provide a complainant with Supportive Measures, then Wartburg Theological Seminary must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit Wartburg Theological Seminary in the future from providing additional explanations or detailing additional measures taken.

XVI. Effective Date; Revisions

This policy is effective as of August 14, 2020 and was approved by the Wartburg Theological Seminary's Board of Trustees on August 14, 2020].

2.11.5 Child Abuse

All public and private postsecondary institutions that participate in any of the Title IV financial assistance programs (Wartburg participates in the Federal Student program of Title IV) must comply with the *Higher Education Act (HEA) of 1965*, amended to the *Crime Awareness and Campus Security Act of 1990* and to the *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act in 1998*, to disclose campus crime statistics and security information annually as well as to issue timely warnings. *The Violence Against Women Reauthorization Act of 2013 (VAWA)* included amendments to the Clery Act. What follows is a portion of the Campus Security Report (found on our Consumer Information page on our website) which falls under the umbrella of *Title IX of the Education Amendments of 1972, intertwined with the Clery Act and VAWA*, which requires institutions to log and report certain crimes that occur on institutional property, including the crime of sexual assault. The Clery Act also requires institutions to issue emergency notifications and timely warnings for criminal conduct that presents an imminent, serious, or continuing threat to campus.

2.11.6 Emergency Response and Evacuation

Wartburg Seminary conducts emergency response exercises each year, such as fire drills, tornado drills, and tests of the fire alarm system, we also conduct an annual emergency response drill. These tests are designed to assess and evaluate the emergency plans and capabilities of the seminary. General information about the emergency response and evacuation procedures for Wartburg Theological Seminary is publicized each year as part of the institution's Clery Act compliance efforts and in our student, staff, and faculty handbooks.

Wartburg Theological Seminary implemented RAVE Mobile Safety (RAVE) in November 2015. This is a sms (short message service) texting and email alert system for the Wartburg campus and housing community. A message sent through this system is received by intended recipients within seconds. The RAVE software uploads the Wartburg database daily to ensure that emails and cell phone numbers remain current in their system. RAVE maintains

this system and is monitored by Wartburg's database director. RAVE is used in conjunction with our main campus Simplex system.

When a significant emergency or dangerous situation occurs that causes an immediate threat to the campus, Wartburg Theological Seminary President will assess the situation and work together with the vice presidents and deans, the director for human resources, superintendent for maintenance, the director for financial aid and student services, and the director for communication depending on the nature of the incident, to respond, communicate, and manage the situation. Depending on the nature of the incident, other Wartburg departments and other local or federal agencies could also be involved in responding to the incident. If the situation warrants, the president or another will call 911 immediately.

All members of the Wartburg community are notified on an annual basis that they are required to notify the Dubuque Fire and Emergency Medical Services, Dubuque Police Department, the president, vice presidents and deans, the director for human resources, the superintendent for maintenance, or the director for financial aid and student services of any situation or incident on campus that involves a significant emergency. Wartburg Theological Seminary works with Dubuque local authorities and first responders to the scene such as the Dubuque Fire and Emergency Medical Services and the Dubuque Police Department.

2.11.6.1 Notification to the Warburg Community about an Immediate Threat

If there is a significant emergency or dangerous situation that poses an immediate threat to the health or safety of some or all members of the Wartburg Community, the President on his/her own or together with some or all the Vice Presidents and Deans, Director of Human Resources, Superintendent of Maintenance, the Director of Financial Aid and Student Services, and the Director of Communication will collaborate to determine the content of the message. They will use some or all the systems described below to communicate the threat to the Wartburg community or to the appropriate segment of the community, if the threat is limited to a particular building or segment of the population. The president will, taking into account the safety of the community, determine the content of the notification. The president will initiate the notification system, unless issuing a notification will, in the judgment of the first responders (including, but not limited to: Dubuque Police Department, Dubuque Fire and Emergency Medical Services), compromise the efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency. The president will determine how to communicate the emergency information to the larger community with the assistance of the local authorities, administrative colleagues, and the director for communications.

In the event of a significant emergency or dangerous situation that poses an immediate threat to members of the Wartburg community, the seminary has various systems in place for communicating information quickly. Some or all these methods of communication may be activated in the event of an immediate threat to the Wartburg community. These methods of communication include network emails, campus phone system, a PA/Fire alarm system that is strategically placed throughout the Fritschel and Tower buildings, residence hall and Mendota Guesthouse. The public address feature could be used to

further communicate with the Wartburg community of any current significant emergency. Individuals could call recorded information on the telephone line at (563) 589-0300 (Executive Assistant to the {resident) for updates or check the Wartburg Theological Seminary website. The notification's content will be determined on a case-by-case basis per the given situation. The notification may include information or instructions to evacuate all or specific segments of campus or to shelter in place in all or specific segments of campus.

If notification indicates that community members should evacuate, the notification will include instructions to proceed to the nearest exit and follow the evacuation maps posted to the safest area outside the confines of the building. Evacuation and exit directions are posted on building entrances and exits. Evacuees gathering locations will be dependent on each situation. If notification indicates that community members should shelter in place, the notification will include instructions for sheltering in place:

If an incident occurs and the buildings or areas around you become unstable, or if the air outdoors becomes dangerous due to toxic or irritating substances, it is usually safer to stay indoors, because leaving the area may expose you to that danger. Thus, to "shelter in place" means to make a shelter of the building that you are in, and with a few adjustments this location can be made even safer and more comfortable until it is safe to go outside.

A shelter in place notification will be sent through the seminary's communication tools. If the building you are in is not damaged, stay inside – seeking an interior room – until you are told it is safe to come out. If your building is damaged, follow the evacuation guidelines and seek shelter at the closest building as quickly as possible. If police or fire department officials are present, follow their directions.

If you are notified to shelter in place, follow these basic instructions, unless instructed otherwise: Stay in an interior room with the least number of windows.

- i Collect emergency supplies and a telephone to be used in an emergency.
- ii Shut and lock all windows and close exterior doors.
- iii Turn off air conditioners, heaters, and fans.
- iv Close vents to ventilation systems as you are able.
- v Make a list of people with you and ask someone to call 563.589.0300 to provide a list of those who are sheltering with you.
- vi Turn on a radio or TV or computer and listen for further instructions.
- vii Make yourself comfortable.

2.11.6.2 Documentation of the Annual Emergency Response Test

Reverse Evacuation - Shelter in Place Drill

Superintendent for Maintenance Management Bill Link and Director for Financial Aid and Student Services Barb Roling met March 18, 2021, at 10:00 a.m. to discuss options for the spring 2021 emergency drill required by the Clery Act. It was decided to perform a reverse evacuation drill. A second meeting was held on April 5, 2021, at 1:00 p.m. to finalize the plan.

On 4-20-21 this email was sent by Barb Roling:

Wartburg Seminary is required as a part of the [Clery Act](#) to perform one emergency drill per year. In the past, we have performed drills for a chemical spill, earthquake, active shooter, and others. This year we will do a 'Shelter in Place' drill. We have scheduled this for Thursday, April 22, at 11:40 a.m. This should be a short drill, lasting only a few minutes. Following is the drill scenario:

A neighborhood domestic violence situation is underway that may be a threat to the surrounding community. We have been notified by the local law enforcement to shelter-in-place until further notice.

A RAVE notice is sent to the Wartburg Community indicating we are under a Shelter-in-Place order due to a dangerous situation local to Wartburg's Campus. Faculty, staff, students, and residents are instructed to remain in their location if in classrooms, offices, or homes, and to secure their door(s), if possible, and to remain clear of windows. If you find yourself outdoors, find the nearest accessible building entrance for which you have a key. The only campus building doors left unlocked while the campus is closed for the pandemic are the South Fritschel Hall door on the quad, the North Tower and South Fritschel doors where the basement hallways meet, and the South Tower (shop) door. These doors will be locked upon notice from law enforcement. The Mendota-Afton and the Fritschel – Tower (basement hallway) entrances to their vestibules are always accessible if there are no other options for shelter.

Please shelter-in-place until you receive an 'all clear' RAVE message.

For more guidance about sheltering in place visit the CDC website: <https://www.emergency.cdc.gov/shelterinplace.asp>

4-22-21: The "Shelter in place" RAVE notification was sent out at 11:40 a.m. The all-clear RAVE notice was sent out at 11:45 a.m. There were no reports of faculty, staff, or students who did not receive the emergency notification.

2.11.7 Timely Warning Policy

The President or the President's appointee will receive information related to reported crimes and determine if a timely warning for the safety and security of the campus community is warranted for the safety of the community or to aid in the prevention of similar crimes. The timely warning should be communicated to the campus in a timely manner through the best form of communication available at the time. Determination of timely warnings will be assessed on a case-by-case basis based on the crime report as well as consideration of if there is a continuing or serious threat to students, families, and employees. In some cases, law enforcement advice will be sought as to if a timely warning is warranted. The timely warning must include information about the crime that triggered the warning as well as advice for caution, response, etc.

2.11.8 Missing Student and Emergency Contact Registration

Wartburg will request of all new students residing in the Wartburg owned residence system that they provide, on a voluntary basis at the time of registration, emergency contact information (located in their student records file). This confidential information will be used only by authorized Wartburg personnel in the event a student is reported missing while at the institution. If a Wartburg student living in Wartburg-operated housing is suspected to be missing from campus, students, faculty and staff are instructed to immediately report this information to the Department of Admissions and Students Services or the President’s Office. In the event that a student is reported missing after 24 hours, this must be reported to the department for vocation or president’s office. If the reported missing student resides off-campus, individuals may contact the local law enforcement agencies which has the jurisdiction to investigate. All reports of missing students made to the department for vocation and/or president’s office will be investigated and given priority to other tasks. If the investigation determines that the student has been missing over 24 hours then within the next 24 hours the seminary staff will:

Notify the individual identified as the student’s emergency contact person; if the student is over 18 years of age and has been missing over 24 hours, Wartburg Seminary will notify the appropriate jurisdictional law enforcement agency and others as deemed necessary.

2.11.9 Policy Regarding Firearms, Weapons, and Explosives On-Campus

As a safety precaution, shotguns, rifles, handguns, air guns, bows and arrows, paint ball equipment, knives exceeding the state legal limits, ammunition and other types of potentially dangerous weapons or equipment are not permitted on campus, including seminary-owned facilities or residences. Additionally, all types of explosive materials and devices, including – but not limited to – fireworks, are prohibited on campus. Furthermore, any student (or family members) found in violation of this policy may be subject to disciplinary action, including dismissal of the student.

2.11.10 Crime Information and Statistics

As mandated by the Crime Awareness and Campus Security Act of 1990, the Wartburg Seminary will provide to its students and employees yearly statistics of on-campus occurrence of the following criminal offenses within the last three years. The Seminary will provide yearly statistics to students, faculty and employees as well as prospective students and employees. Following is a composite summary of statistics of criminal and hate offenses and arrests related to on-campus, residence hall, and public property adjoining the seminary.

2.12 Campus Fire Safety Policies

2.12.1 Fire Safety System

Wartburg Seminary Fire Safety System consists of a Simplex monitoring system providing smoke and heat detection that will automatically call a 24 hour monitoring service for emergency dispatch. The residential portion of our main campus building has a fire sprinkler system provided long with approximately half of our administrative buildings. See residential

fire safety policies for each type of on-campus housing. No further improvements are planned at this time.

2.12.2 Fire Reporting

Fires should be reported to the superintendent for maintenance and director for financial aid and student services.

2.12.3 Fire Drill

Two fire drills are performed annually. Latest fire drills were 10/13/20 and 03/22/21. We had a tornado drill on 03/23/21. We also had an emergency 'shelter in place' drill via ZOOM on 04/22/21.

2.12.4 Fire Safety Education and Training Programs Provided to Students and Employees

- fire safety month annual email was sent 10/09/2020
- fire drills: 10/13/20 and 03/22/21
- student managers educate in on-campus housing regarding fire evacuation

2.13 Wartburg Seminary Housing Fire Safety Policy and Fire Evacuation Procedures

2.13.1 Smoke Detectors

If the early warning fire protection system (smoke detector) is battery operated, every occupant is responsible to maintain the device in proper working condition, provide and install a new battery when needed, and to notify the maintenance superintendent whenever the device is inoperable even though a new battery has been installed. No occupant shall cause a smoke detector to be removed or disconnected from its power source.

2.13.2 Residence Hall Fire Safety Policy

The Residence Hall was remodeled in 2001. It is equipped with smoke and heat detection system, sprinkler system, fire extinguishers, and fire rated doors. All of which are inspected periodically throughout each year. Bi-annual fire drills are performed to help students recognize what the alarm sounds like and to evaluate where they should go in case of an emergency. Evacuation map floor plans are on each occupant's door with an arrow showing the shortest route to an exit. Below are the instructions given to each resident on the evacuation procedures.

Small appliances are allowed, but please check all power cords for safety. Fire department regulations specify that extension cords are not allowed and that only

power strips plugged directly into the wall are acceptable. Microwaves, refrigerators (up to five cubic feet), coffee makers, and electric kettles are the only appliances allowed. No other type of hot plate or heating device is to be used in residence hall.

All stairways and hallways are to remain clear at all times. Please do not store any items in these areas at any time.

Resident hall rooms with kitchenette's

Rooms with this feature are set up with appliances (microwave, induction cooktop and fridge). The rooms were altered in ways to meet city code from fire to electrical and plumbing requirements in order to allow the appliances.

2.13.3 Residence Hall Fire Evacuation Procedure

When the alarm sounds please proceed to the nearest exit and exit the building ASAP. If you go out the back door to the parking lot, please come around to the front of the building and meet at the Martin Luther Statue on the sidewalk next to the street. Please note that your neighbor and floor mates are all outside. Let the Residence hall representative/Police/Fire person know if someone is missing and not outside. (Please be in communication with one another if you are going to be gone for the weekend etc.)

If your room is the one that the situation occurred in, please stand near the edge of the group so that the residence hall representative can find you readily and be made aware of the situation. If the Residence hall representative is not there for some reason you need to tell the fire Department/Police department the situation.

If the fire situation is unknown and the residence hall representative is not there, please let the Fire/Police people know if there are any residents that have any type of disability that could still be in their room if they are not outside, please send the Fire/Police for them.

If it is after 10 pm the doors will be locked, if the residence hall representative or their fill in person is not there, the fire department has a key to the lock box that can let you back into the dorm, once the alarm has been cleared.

2.13.4 Other Buildings

Blair Court Houses and Denver Court Housing Fire Safety Policy and Plans for Fire Evacuation Since these units are single or duplex units. It is up to the occupant or neighboring occupants to notify the fire dept., /police dept. if a fire occurs. All units are equipped with smoke detectors and fire extinguishers. Residents are responsible for checking the battery of the smoke detectors at least twice per year. Each tenant is responsible for coming up with and practicing their own plans for fire evacuation.

2.13.4.3 Electrical Cords and Lights

Temporary electrical wiring or extension cords are prohibited. Only power strips plugged directly into wall outlets are acceptable. Halogen lamps are prohibited because of fire hazard. Residents are responsible for supplying and replacing light bulbs during their stay.

2.13.4.4 Candles

The Dubuque Fire Marshall has strongly cautioned Wartburg regarding the use of candles, halogen bulbs, and incense. Since the majority of our housing units are connected to another unit, it is our policy to strictly prohibit the use of candles, oil lamps, halogen bulbs, and incense in any on-campus unit. Another reason is because the soot that gets on the walls and ceilings is virtually impossible to remove, and always requires extra cleaning and painting. Consequently, besides losing the deposit originally made for housing, the resident receives additional charges to cover the cost of the extra cleaning required.

2.13.4.5 Kerosene Space Heaters

Kerosene space heaters are illegal to use in the city of Dubuque; therefore, are not allowed in Wartburg housing. All heating issues need to be brought to maintenance's attention.
