

Wartburg Theological Seminary – Graduation Rates by Entering Cohorts of Degree Programs

These numbers and calculations only count those students who started in the designated fall semester in the named degree program and finished in the same degree program within the indicated time interval. The incoming cohort does not include students who transferred into the degree program from another school or from a different degree program, or who started other than in the fall semester.

Graduation Rates	2017	2018	2019	2020	2021	2022	Six-Year Totals
