

Forming Valued Leaders for God's Mission

March 27, 2023

Dear Wartburg Theological Seminary Student,

The CARES Act Higher Education Emergency Relief Fund (HEERF 2 and HEERF 3) allocated funds to Wartburg Theological Seminary to be distributed directly to students as emergency financial aid grants to help cover expenses related to the disruption of campus operations due to coronavirus (COVID-19).

Based on guidance received from the Department of Education, funding was prioritized to students with the greatest need. Eligibility and awards were determined by a formula based on the following factors:

- EFC (Expected Family Contribution) under \$10,000 as determined by completed FAFSA (Free Application for Financial Student Aid).
- Students with \$0 Expected Family Contribution prioritized.
- Number of children in household.
- Cumulative years enrolled.

In total \$71,481 of HEERF 2 and HEERF 3 funds were distributed to eligible students. We trust the enclosed payment will be of assistance as you navigate Seminary during these uncertain times. We continue to hold you in our prayers.

Sincerely,

Andy Willenborg, Vice President for Finance & Operations
