

### **3.3.2 Transfer of Credits**

Source: 2023-2024 Student and Community Life Handbook

The academic dean and registrar will evaluate the student's previous seminary work and determine which requirements are met and the number of credits to be transferred. (For students with a previously completed seminary master's degree, either from Wartburg Seminary or another seminary, accreditation policy limits us to transferring no more than the equivalent of one year of credits, approximately 27-30 semester hours, from that completed degree.) On the basis of this evaluation, the student will work out a plan for their academic program at Wartburg in consultation with their advisor indicating when and how the student will meet the requirements and the number of hours of electives that will be needed. The Registrar will verify that the program meets the requirements for graduation.
